Christ Church,
Gary, Indiana,

November 12, 1913, 1:30 P. M.

The Right Reverend the Bishop resumed the Chair and called the Council to order.

By direction of the Bishop the Secretary corrected his roll by calling the names of those who had failed to answer at the morning session.

For the Committee on Unfinished Business its Chairman, Rev. Wm. N. Wyckoff, reported that there was the following unfinished business to come before this Council.

FIRST. The question of changing the date of the Annual Council. The XIII Council voted to change this date to "Such time and place in the month of September as may be deemed most convenient," this was amended by the Council to read "May" instead of "September". The motion before the Council being therefore:

RESOLVED That Art. V Sec. 3 of the Constitution of the Diocese of Michigan City be amended by substituting the word "May" for "November" in all places where the latter word is to be used in said article and Section of said Constitution.

On motion of the Very Rev. W. S. Trowbridge it was

RESOLVED that this Council ratify the action of the previous Council in changing the date of meeting to the month of May.

SECOND. The question of the expediency of creating a Canon of Discipline in the case of persons remarried after a civil divorce, referred to the Committee on Constitution and Canons by the XIII Council and re-committed by the XIV Council.

The committee on Constitution and Canons having no report to offer on this question, at the request of Rev. E. W. Averill who had originally brought the matter before the Council, the committee was excused from the further consideration of this subject.

The Rev. Chas. Albert Smith, its Secretary, then presented the

REPORT OF THE MISSIONARY COMMITTEE

The Missionary Committee of the Diocese of Michigan City respectfully reports:

The Committee met immediately at the adjournment of the Council and organized by the election of the Rev. Chas. Al-

bert Smith as Secretary. At the first meeting, held November 13th, the following appropriations were made:

Indiana Harbor	\$900.00
East Chicago	300.00
Kokomo	600.00
Valparaiso	600.00
Gas City	200.00
Bristol	500.00
Kendallville & Garrett	200.00
Interest on property at Kokomo	276.00
Secretary's Office	50.00
Archdeacon	1500.00

Fifty dollars was also sent to Fr. Wilson, of Chicago Heights, Ill., in appreciation of work done at Dyer. Committees were appointed to visit the missions under the care of this Committee. Their visits were made and the reports submitted were found to be satisfactory.

The Committee passed the resolution that, beginning with the year 1913-14, the stipends appropriated to the missions are to be reduced ten per cent, and that a like reduction would be continued for ten years, annually.

Three hundred dollars were appropriated to the work in West Gary, for assistance in building a chapel. This chapel has been built under the direction of Fr. Wyckoff, and work is being carried on there which is full of promise in a new and unoccupied field.

The missionary points have been kept filled during the year and reports from them all show they are in a satisfactory condition and that the work is going ahead better than ever before. The Archdeacon will submit his own report after a year's work in the field he occupies.

In accordance with the direction of the Council that the Missionary Committee suggest to each Council the method of raising funds for Diocesan Missions for the ensuing year (Journal of 1908, p. 32) your Committee recommends that the apportionment be made in the same manner as voted at the last Council, i. e. by such per cent of the "Current Expenses" averaged for the past five years from the Journals of 1908-12 inclusive as this Council may elect.

Respectfully submitted,
for the Missionary Committee,
(Signed) CHAS. ALBERT SMITH, Secretary.

On motion of Rev. E. W. Averill the report was received.

The Rev. Chas A. Smith, its Secretary, then presented the

REPORT OF THE STANDING COMMITTEE

Immediately after the adjournment of the Council the Committee met and organized by the election of the Rev. J. H. McKenzie, D. D., President and the Rev. Chas. A. Smith, Secretary.

Four meetings have been held during the year.

Consent was given to the consecration of the Rev. Samuel Gavitt Babcock, D. D., to become Bishop Suffragan, of the Diocese of Massachusetts.

Permission was given to St. Paul's Church, Hammond, to place on its property a mortgage not to exceed \$6,5000 and also to St. John's Church, Elkhart, to place a mortgage on the Rectory for \$1,000.

The application of Edwin E. Smith, as a candidate for Holy Orders was received and consent was given for his admission.

Consent was also given for the advancement of Rev. Cleon E. Bigler to the Priesthood.

Respectfully submitted,

For the Standing Committee.

(Signed) CHAS. ALBERT SMITH, Secretary.

On motion the report was received.

The report of the Committee on Constitution and Canons being called for the Committee stated that it had no report to offer to the Council.

The Rev. Edw. L. Roland, its Chairman, presented the

REPORT OF THE COMMITTEE ON CHRISTIAN EDUCATION.

Your Committee on Christian Education begs leave to report:— That a meeting of the Committee was held, Thursday, September 25th, at the Rectory, Goshen, Indiana, upon call of the Chairman.

That the Committee devoted the time at it's disposal to as conclusive a discussion and consideration of the subject as was practical.

The Committee feels that much of the ignorance existing relative to fundamentals of the Church doctrine and practise is directly traceable to the fact that there is but very little effort made to properly and systematically instruct the members of the Church and in the true meaning of the word educate them in the Christian Religion.

That such seems to be the view of the General Church is evidenced by the fact of the creation of the General Board of Religious Education, by the General Convention of 1910, provided for by Canon 55.

The aims and purposes of the General Board are:—"to gather the education power of the whole Church and to distribute it according to need." It recommends certain lines of work. Among them are the following:—

1. The promotion of and organization of Diocesan Boards of Education.
2. The formulation of a standard curriculum for the help of the Sunday Schools of the Church.
3. The organization of a Correspondence School for Teacher-Training.
4. The instruction of the adult members of the various parishes, by the Designation of the 3rd. Sunday in October as "Day of Intercession for Religious Education."
5. The maintaining of a General Secretary who travels in the various Dioceses, ready to address Conferences, Institutes, Parochial gatherings, to advise and help in any way that he can along the lines of progressive and education methods.

The reasons for this Board are excellent. The Church needs this Board of Religious Education, because, first of all, our Lord Himself commanded the Church to "TEACH." THE CHURCH MUST OBEY.

The Board is needed so as to lead parents and Sponsors to—not only accept their responsibility in the proper training of children—but also—to intelligently fulfill that responsibility—

something that is not done any too well at the present time. Your Committee wishes that it could enter more fully into this one proposition, for its needs the most serious consideration. But as much as we dislike to say—we are convinced that Parents and Sponsors take their duty of instructing their children and Godchildren, in the Christian Religion, in any way but a serious one. Only too often the duty of the Godparents seems fulfilled when the baptism is over and a Prayer Book or a silver mug presented.

Another reason is—to train Churchmen that Religion does not consist merely in acceptance of a Moral Philosophy—but—that every baptised person needs and is dependant upon the Grace of God to live a life that is acceptable to God and must seek that Grace through the Sacraments of the Church.

It is therefore evident that there is an awakening in the general mind of the Church as to THE ACTUAL CONDITION OF GROSS IGNORANCE ON THE PART OF THE MAJORITY OF CHURCH MEMBERS, relating to the primary and fundamental teachings and practises of their Church and Faith, and that this ignorance is undermining the power, influence and work of the Church, as an integral part of the Holy Catholic Church.

It is true that:—

1. Few people seem to have a clear understanding of the Doctrines of the Church.
2. Of the Polity and History of the Church.
3. Of the Holy Scriptures.
4. Of the proper ceremonies and ritual practises of the Church.

WHAT IS THE REASON?

Two seem to stand out strongly—

1. THE DISINCLINATION ON THE PART OF MANY OF THE CLERGY TO GIVE PLAIN—DEFINITE AND SYSTEMATIC INSTRUCTION.

2. THE GREATER DISINCLINATION on the part of many of the laity to receive such instruction when it is attempted or given.

This second condition, on the part of our laity, is but a strong indication of the need of greater education so that they may perceive that the Prophetic or Teaching Office of the Church is committed to the Priesthood and that they do not receive it themselves, when they, as it is often termed—"Join Church."

The Committee feels that if any good along this line is to

be attained it must be—because—first of all, the Clergy awaken to the facts as they exist and start a vigorous campaign along the line indicated, and demand of their people, that they co-operate with them and benefit thereby.

The Canons of the General Convention, provide, (Can. 15) that it shall be the duty of the ministers of the Church to be “diligent in instructing the children in the Catechism and from time to time to examine them publicly before the congregation.” Also—by stated catechetical lectures and instructions inform the youth and others in the Doctrines, Polity, History and Liturgy of the Church, as well as instruct their people in the Missionary work of the Church.

This Canon provides for Systematic work along the line of Church Education, and if every year, one at least of these topics were dealt with in an extended and detailed Course of Lectures, they would take away the excuse that so many of our people have, of not doing better because of their ignorance. There is no doubt also—but—that if the Sunday School children were brought into the Church itself at least once in every month and catechised, not merely in the regular Church Catechism, but along other lines of systematic study that a well regulated Sunday School ought to have, that better results would be at once apparent.

That there should be some standard line of work in this Diocese, at least the Committee recommends absolutely. The old fashioned, hap-hazard methods of years ago are antiquated and worthless. Far better that a Sunday School be done away with and children be gathered together on Sunday by the Priest and be taught and instructed by him alone than to expect that a scholar can be either interested or educated along the old lines familiar to us in our youth.

This Diocese appointed a Commission on Sunday School work. It has held various meetings, appointed services and conferences, secured speakers, and tried to do its best. But—the fact remains true—that apparently many of the the Priests and Teachers of this Diocese either took no interest or felt that they needed no help along these lines. We say “apparently” as we wish to misjudge no one—but—there were mighty few in attendance at any one of the Conferences and at least three were held and the prospect seemed so poor that the fourth and last was abandoned.

The Committee therefore advises that it is our judgment, that these Conferences can be made a great success and a splendid source of help, if the Teachers and Priests of the Dio-

ces will recognize why they have Sunday Schools and why they are teaching, and not look upon it as merely a part of a system connected with the "Piscopal" Church and that has to be gone through with.

In conclusion the Committee recommends therefore that every Priest and Teacher realize:—

1. The actual ignorance existing in our Church, in every department today.

2. The need of the Priests and Teachers being the leaders in this work of Education.

3. That the Diocese adopt some standard teaching for it's schools.

4. That in every parish the Scholars of the Sunday School be brought into the Church at least once each month for Public Catechising.

5. That training classes for teachers be established in each parish.

6. That Schools be divided either into grades or well defined departments.

7. That the use of books, leaflets, or phamphlets by the teacher, while instructing the class be discontinued.

8. That men teachers be secured for all classes of boys from the age of 12 years and over.

9. That Children's Services, especially the Children's Mass be prominent. The wide spread idea that duty is entirely performed by learning a Sunday School lesson and a "Golden Text" is a "fond thing vainly invented and grounded upon no warranty of Scripture but rather repugnant to the Word of God." See Duty to God, in Catechism.

10. To call the School—the School of Christian Practice, rather than "The Sunday School" which is meaningless.

11. To have an exhibit of the work of the scholars at least once each year. It would arouse interest—maybe, and impart information to the elders of the Church—maybe. It would at least keep the children interested.

12. That the members of the parishes be urged to take at last one decent Church paper. Such for example as the American Catholic, The Living Church or the Spirit of Missions.

13. That the Parish Priests give each winter, a course of instuction along the lines heretofore mentioned.

14. That no person be presented to the Bishop for Confirmation, without careful prearation and instruction, for a space of at least two or three months.

15. Your Committee cannot help but feel that if these sug-

gestions are acted upon that the matter of greater education in the Christian Religion cannot but be benefitted. If in no other way, there will at least be an effort on our part to obey the injunction of our Lord—to go and teach.

Respectfully submitted,

Edward L. Roland, Chairman.

On motion of the Rev. W. B. Williamson these reports were received and referred to the Committee on Audit of Accounts.

For the Committee on Audit of Accounts Rev. W. B. Williamson reported that the Committee had examined the reports and vouchers of the Treasurer of the Diocese and found them to be correct.

The report of the Committee on the State of the Church being called for the Rev. B. F. P. Ivins, its Chairman, replied that the Committee had no report to offer.

The Very Rev. W. S. Trowbridge, Registrar of the Diocese then presented his annual report.

REGISTRAR'S REPORT

Right Reverend Father:

The receiving and filing of Journals from other Dioceses of the Church constitute the simple duties of the Registrar, which duties have been dutifully discharged.

Respectfully submitted,
WALTER S TROWBRIDGE, Registrar.

Dean Trowbridge, its Chairman, then presented the

REPORT OF THE SUNDAY SCHOOL COMMISSION

The Commission beg to report that since the last Diocesan Council two Sunday School Conventions for the S. S. officers and teachers of the Diocese have been held with a fairly satisfactory attendance and with gratifying results. The special feature of the program of the Elkhart Convention was a detailed statement by The Rev. Charles H. Young, Rector of Christ Church, Chicago, about the conduct of that very successful school. It was thought by the Commission that if this noted Sunday School worker were given opportunity to make complete explanation of agencies and methods adopted in a model school our Diocesan officers and teachers would gain deeper insight into plans which have passed beyond the experimental stage and would thereby gain greater inspiration for their schools than in any other way at that time. We were greatly blessed with results.

At the second Convention which was held in St. James' Church, South Bend we were honored by the presence of the General Secretary of the General Board of Religious Education, the Rev. W. E. Gardner, from whom we had expected the main address of the day, but who explained that he was not instructing so much on this his first tour of the Dioceses as gathering material from which to mould his plans for the future. The Bishop of the Diocese was present and gave an address full of counsel and helpfulness.

Early in the new Conciliar Year the Commission plan to hold another Convention at which the Bishop is to speak from his wide experience upon the Conduct of Bible classes. The other speaker who is pledged to address the Convention in lines simi-

lar to those of the Elkhart Convention is the Rev. Frederick Ingle, Rector of St. Matthew's Church, Kenosha, Wisconsin, whose Sunday School successes have been so often noted in our Church papers.

Pending the issuance by the newly created Board of Religious Education of its permanent curriculum and teacher training courses the Commission of this Diocese must in a degree mark time rather than by premature plans find itself out of harmony with the system for Religious Education to be adopted by the whole Church through its official body.

Meantime the Commission asks for faithful and continued cooperation on the part of the diocesan clergy and their several corps of teachers. We extend grateful thanks to the parishes which have provided us with meeting places and entertainment and to all who in any way have helped to make the programs and discussions more helpful.

The report of the Committee on the state of the Church will probably show little if any gain in the attendance upon the schools of the Diocese. Whether we should hold ourselves responsible in this event we can at least hold our ground by deepening our consecration to the cause of the Church's children, not forgetting meanwhile the reproach which the Master lays upon us when He says, "Other sheep I have which are not of this fold. Them also I must bring."

(Signed) WALTER S. TROWBRIDGE, Chairman.

The Report of the Social Service Commission being called for its Chairman, Dean Trowbridge, replied that the Commission was not yet ready to present a formal report. The Very Reverend the Dean then outlined informally the method by which the Commission is carrying on its work, and Mr. E. M. Parker, Secretary of the Commission, presented an informal report on the subject of Church Forums.

The Social Service Commission was continued by the Chair, the name of Rev. H. R. White, of South Bend, being substituted for that of the Rev. L. B.

Hastings, no longer a member of this Diocese.

On motion of the Rev. Dr. McKenzie it was.

RESOLVED that the Chair appoint a committee of three, with power to act, in the preliminary organization of a Diocesan Board of Religious Education, in accordance with the Canons of the General Convention.

The Bishop appointed on this Committee Rev. Dr. McKenzie, Rev. E. W. Averill, Mr. E. D. Caston.

On motion of Rev. Dr. McKenzie the Report of the Committee on Religious Education was referred to the Board of Religious Education.

On motion of Very Rev. W. S. Trowbridge it was

RESOLVED that the Treasurer of this Diocese be instructed to pay the obligations that have accrued in the past to the Missionary Council of the Fifth Department.

Capt. H. S. Norton introduced the following motion.

RESOLVED that the Constitution of the Diocese of Michigan City be amended by the addition of the words:

“No Parish which shall fail to pay its quota of the Assessment for Diocesan Expenses imposed by the Council of the Diocese shall be entitled to representation. But the name of a Parish so delinquent shall be read in the appointed place in the order of business of each Annual Council, and the Delegate or Delegates from a delinquent Parish may be admitted to a seat by vote of the Council, upon payment in full of

all said dues.”

Mr. J. A. Scott, of Mishawaka introduced the following amendment, seconded by Dr. McKenzie:

Insert between the words “shall” and “fail” the words “after due notices are sent by the Treasurer of the Diocese to the Rector and Treasurer of the said Parish, by registered mail, at least thirty days before the meeting of the Council.”

A vote was taken on the amendment, and it was carried.

Rev. B. F. P. Ivins introduced the following amendment, which was accepted by the movers and seconders of the motion and of the amendment.

Insert in the motion before the House the words “or Mission” after the word “Parish” wherever the latter word occurs in the motion as already amended.

Vote was then taken on the motion as amended, which was carried.

For Mr. Homer E. Johnson, Treasurer of Missionary Funds, who was unavoidably prevented from attending the Council the Rev. E. L. Roland presented the

Goshen, Indiana, November 11th, 1913.

HOMER E. JOHNSON,
Missionary Treasurer.

Rev. L. C. Rogers, its Chairman, presented the

REPORT OF THE BISHOP'S COMMISSION

November 12, 1913

The members of the Bishop's Commission would respectfully report that they find the Duplex Envelope System is now well established in the Diocese. Most of the Parishes and Missions are now using it. During the past year it has been introduced in Trinity Church, Logansport; Trinity Church, Kendallville; St. James' Church, Goshen; Emanuel Church, Garrett; and reestablished in St. Andrews Church, Kokomo.

The parishes in which it is not used are, St. John's, Bristol, where it was ascertained that the people were opposed to it.

Trinity, Fort Wayne, where Duplex has been discontinued and new methods adopted whereby the revenues of the Parish have been largely increased.

Trinity Church, Peru, is still open to conviction, and the Commission hopes that the people may soon be persuaded to adopt the Duplex.

At St. Mary's, Delphi, and in the Missions at East Chicago, Huntington and Columbia City, conditions are such that its use is deemed not practicable.

We are pleased to find that a larger number report having made the "Every Member Canvas." Others are using the envelopes without the individual solicitation. In the former case the results are very satisfactory; in the latter the improvement is not so marked—though there has been improvement.

We feel that the importance of this canvas should again be emphasised. The cause of Missions will be much better served by having a large number of people contributing even small amounts each, than by the small number giving each large sums. He who gives frequently and regularly has more interest in the cause than he who, at rare intervals, draws a check for a large amount and puts the subject from his mind.

The general use of the Duplex system has been found the best method of getting and holding the interest of the larger number of people as well as the larger gifts for the work. The canvas requires the cooperation of the men of the parish, but the results justify the extra labor and trouble they may take.

The reports indicate general satisfaction with the system wherever it is in use. In many instances there has been a large increase in the amounts raised; in some they have been more than doubled. With such gratifying results we feel that the parish should take hold of the work in an energetic manner and push it on to a complete success,

Respectfully submitted,

(Signed) L. C. ROGERS, Chairman,
D. LeB. GOODWIN,
E. D. GASTON,
A. P. MELTON.

On motion of the Rev. M. M. Day, it was

RESOLVED that this Council lay upon the Parishes and Missions an assessment for Diocesan Missions consisting of

seven per cent. of the average current expenses of each cure as reported in the past five Journals of the Council of this Diocese.

On motion of Mr. E. M. Parker, of Valparaiso, the Secretary was instructed to have four hundred copies of the Journal of this Council printed and distributed in accordance with the provisions of the Canons and Diocese.

On motion of Mr. E. M. Parker, the Treasurer was instructed to pay the Secretary the sum of seventy-five dollars as compensation for his work.

The tellers returned, and reported that

Capt. H. S. Norton

Mr. M. V. Starr

Mr. E. D. Gaston

Mr. Archy Campbell

had received a sufficient number of the votes cast on the first ballot to constitute an election and the gentlemen named were declared elected Lay Delegates to represent the Diocese of Michigan City in the Primary Provincial Synod of the Fifth Province.

On motion of Mr. E. D. Gaston, the thanks of the Council were extended to the Rector and Parish of Christ Church, Gary, for their generous hospitality in the entertainment of the Council.

Mr. M. V. Starr, of Goshen, then moved that after the reading of the minutes and after prayer and benediction by the Bishop the Council adjourn sine die.

The minutes of the Council were then read and approved.

Unanimous consent was given the Very Reverend, the Dean, to introduce the following resolution.

RESOLVED that the Treasurer of the Diocese be instructed to ask at once for voluntary contributions of from two to five dollars from each Parish and Mission in the Diocese to defray the expenses of the Social Service Commission during the current fiscal year.

The resolution was carried.

In accordance with the motion of Mr. Starr, after prayer and Benediction by the Bishop, the Council adjourned sine die.

APPENDIX A.

The Bishop's Address

To the Clergy and Laity of the Diocese of Michigan City in
Council Assembled:

DEAR BRETHREN: Again we approach the time of holding the Annual Council of the Diocese. As is ever the case, it is a time of mingled encouragement and joy and anxiety. It is the time for making the annual reports which indicate what are the conditions prevalent in the cures over which we preside and what has been the effect of our personal influence upon the parishes and people old and young among whom our labors have been expended. Those conditions produce necessarily very natural emotions. One cannot but rejoice if one is sensible that God's work has been prospered by his leadership and his counsel. One must be depressed if one is only conscious of inefficiency in handling the things of the Kingdom of God and can mark only impoverishment or decay. Clergy and laity alike find happiness and hopefulness in progress and improvement. Both feel a touch of discouragement under conditions which make only for failure. We review our parish and diocesan life year by year to mark with gratitude every manifestation that we can find of God's gracious favor and blessing, but in so doing we look anxiously for those evidences of imperfect service which clearly indicate to us where our improvement must be if we are to remedy our defects and in the future achieve better results without acquiescing passively in the things which bring to us only shame and regret.

I come to you with my Annual Report in a singularly felicitous state of mind whether as concerns the affairs of holy church within or without the Diocese. It has been to me a peculiarly happy and inspiring year. Before taking up the details of our work, let me first make record of those who have gone to their rest with such records as entitle them to a peculiar honor among God's stewards by reason of the faithfulness and efficiency of their service.

[Notable within the Diocese I must call to your remembrance the life of Mrs. James Collins, of Columbia City,—a woman who probably few of you knew, but a woman of such singular strength of character, depth of piety, purity of religious life, realization of the truths of the Gospel, and deep charity for her fellowmen of all classes as is rarely equalled. She was an English woman by birth, but lived the most of her life in these United States. With her youth she had imbibed a deep love for the church that prevailed all her life. In all that she did, all that she hoped for, all that she found delight in, she was essentially a servant of our Lord and Master. Her home was for many years a place where congregated the little body of faithful people who had learned to love the Church and her ministrations, and in that quiet home were ministered the Sacraments of this Church to all those who loved it perhaps as deeply as any community enjoying far greater privileges and opportunities for their religious life. I shall ever remember Mrs. Collins as one of those few people whom it is our privilege to meet in a lifetime and from whom we receive such salutary, healthful, helpful example as to leave a lasting impression upon us of beauty and power of a Christian character.

In the Church at large there have passed to their rest two of her distinguished leaders. The Rt. Rev. William Croswell Doane, D. D., Bishop of Albany, was probably the most illustrious and forceful man in our American Church in this generation. Without detracting from the abilities and the graces of other men, and without commenting upon the peculiar theological views which one and another may hold, it may be conceded, I think fairly, that for grace of diction, clearness of logic, and forceful expression, Bishop Doane's influence was more far-reaching than that of any man of his generation. In the gatherings of Lambeth Conference, which represented the united Episcopate of the Anglican Church, he was easily the most conspicuous figure, and contributed more than any other one man in molding and determining its conclusions and pronouncements.. He was most forceful in the handling of all public questions at home and

highly honored by men of the State as well as by men of all walks of religious life and influence. His long service as Bishop of Albany endeared him not only to the Episcopal Church but to the American public.

The Rt. Rev. Thomas A. Jaggar, D.D., for some time Bishop of Southern Ohio, was a man of culture, and a forceful public speaker in the days of his vigor. Early in his episcopate sorrow overtook him and seriously impaired his health, which called for his retirement from his diocese and ultimately his resignation. After many years of seclusion in the colder climates of the extreme North he so far recovered his powers as to return to public life, where he was welcomed in his ministrations as far as permitted to exercise them. At the time of his death he was by appointment of the Presiding Bishop in charge of our European Churches.

May they rest in peace and may perpetual light shine upon them.

Turning to our diocesan life during the past year, it is somewhat difficult for me to place my finger upon that which gratifies me most, so much have we to be thankful for and inspired by. I think, however, I am moved to place first in my estimate of the past year's blessings the fact that we have secured not only an Archdeacon, but an Archdeacon so qualified by physical and temperamental strength as to enable him to put into that most important work of developing the church in the Southeastern part of the Diocese the energy and the drive and the perseverance which alone can insure its success. The first year's work has convinced me that if our Diocese will uphold the Archdeacon's hands, and his life and strength are spared, a few years will amply demonstrate the wisdom of our appointment of an Archdeacon and of my selection of Father Baynton to fill that office. I have gone over his minute report for the year and commend it most cordially to your attention. I shall ask him to speak for himself in detail.

Next in matter of gratification, I think I should name the consecration of the Cathedral. The fact that at last we have a Cathedral, not merely in name but one from which the stigma of debt has been removed, which is in reality God's temple, the center of His diocesan work, representing His majesty, and free from any tie that might bind it to the world or worldly things, is a matter of great gratification. I was privileged to consecrate the Cathedral on the day following our Annual Convention and to have with me a considerable number of the clergy of the Diocese, and to enjoy a most inspiring sermon on that

occasion by the Bishop of Fond du Lac. The day following the Bishop of Milwaukee conducted a Quiet Day for me in the Oratory of the Episcopal Residence, and all conspired to surround the occasion of the Cathedral's consecration with a spiritual significance and solemnity which I trust will never be lost to the Diocese.

In January it was my very great pleasure to welcome as my guests the Bishops of the Fifth Missionary Department who, for two days, devoted themselves to council and conference at my home in South Bend and matured plans for the further development of the Church's efficiency in this region which must bring beneficial results. In connection with that delightful gathering the laymen of the Diocese honored me with a complimentary dinner, at which the Bishops who had been my guests were the speakers, and which I am sure contributed very largely to the spiritual life and energy of ourselves—Bishop, Clergy, and Laity, in our struggle for the achievement of our end as a Church in this Diocese. My dear Brethren, the Clergy of the Diocese, at the time of the Annual Council, had given me as a testimonial of their devotion and trust a complimentary dinner in Michigan City; and these two occasions, I think, have contributed more to strengthen me for the years that remain of my episcopate than anyone can possibly imagine; and I desire to express here publicly my very deep and sincere appreciation of all that those two events mean for me.

During the spring we were visited by disastrous floods in common with adjacent territory, which brought large measure of sorrow and loss to the communities so visited. Our immediate losses were confined to the community at Peru. And just here enters the element of sorrow and grief and sympathy combined with congratulations and joy and happiness. Trinity Church had been struggling with the problem of its future life, yearning to have a new and a stronger home for its work and yet hardly daring to undertake the enterprise. These floods so embarrassed the whole community that it seemed almost beyond hope that they could carry out their contracts and meet the financial obligations which they entailed. At this juncture the general Church found it in its heart to send such material aid to our Diocese as has made the way easier and inspired the requisite energy to carry the people of that community through its struggle and to give promise that in the near future a completed church will afford them a proper sphere of service for larger religious life in the years that are to come. So with all the solicitude and distress there enters in a large element of joy and gratitude and the re-assurance that God is over His Church even in

its vicissitudes to bring greater benefit out of a parent failure. Let us all be thankful for those mercies.

The 75th Anniversary of St. Paul's Parish, La Porte, became an occasion for reviewing the life of the Diocese and to mark its progress and the development of its power, and to study at least that thought that because small in numbers there may not be found rather in character of God's work great source of rejoicing and high anticipations that with fidelity on our part the future has in store for the Church far more than was first realized in the past. While there was no elaborate program prepared by the Rector and his parish for marking this event, I have understood that it was preliminary to a more formidable commemoration next year, in the hope that that commemoration might be attested by the building of a new Parish House and an introduction to a type of social service not made much of in the past but most essential for the future. May the Rector be blessed in the accomplishment of his purpose.

In connection with these memorials of the past the laying of the corner stone of the new Trinity Church, Peru, was an occasion of great interest to us all. Many prayers and many labors have entered into the past history of that parish, and the joy of the people of Trinity parish I am sure was shared in by all within the Diocese who have had the welfare of this old organized Church much at heart. The day was bright and beautiful, the services most impressive, and the outlook full of promise. I enumerate it as among the diocesan events of the year which have caused me so much of satisfaction and of strength.

It has been my very great pleasure during the year to minister on many occasions outside the Diocese, where I have felt that my influence was of some avail in the general development of the cause of religion. Among other occasions which brighten my year's record in my own estimation are the Festal Day of St. Alban's Church, Toledo, at which I was the preacher,—much more interesting to me, perhaps, because St. Alban's is the union of two of the old parishes of that city, brought about largely through my influence and counsel. I was happy to see that already evidence and token of promise were manifest on all sides for future efficiency.

At St. Bartholomew's Church, Chicago, it has been my privilege to officiate on two occasions, the first of which was to relieve my honored friend and brother, the Bishop of the Diocese, in the Confirmation of a class of forty-six; and the second, the occasion of the Annual Meeting of the Diocesan Guild

of Acolytes, before whom I preached the sermon. This latter event made so deep an impression upon me that, in conjunction with the rector of St. James' Church, Goshen, we arranged a like service to be held in St. James', Goshen, at which I was invited to be the preacher and where were assembled a goodly number of those who are ministering in subordinate capacities at the Altar in a number of our parish churches. I am persuaded, my dear Brethren, that among the public occasions of diocesan work none will rank higher than this for efficiency and permanency in the effects it has already produced upon those who are thus associated in the honor of our blessed Lord.

The meetings of the Sunday School Commission, while they have not produced such results as all connected with them have desired, have done their work and should not be abandoned, but should be rendered more efficient by every member of this Diocese in any way associated in Sunday School work bringing his mind and his heart into careful consideration of the great problems presented by the Commission on various phases of Christian education. May I ask you not to be discouraged, dear brethren, but again and again to try for efficiency in this most important work.

Social Service is coming to be a matter carefully considered on all sides of us, and during the year it has been my privilege on two occasions to give my contenance and approval to that type of work. In the Cathedral at Michigan City I attended a meeting at which the General Secretary was present and after service spoke at length on the work aimed to be accomplished by that Commission; and in St. John's Church, Elkhart, at the invitation of the Rector, I spoke to a large body of laboring men deeply interested in the question of what the Church has in store for them.

It has been my privilege during the year to deliver several addresses in the schools of South Bend and elsewhere. I have preached the Annual Sermon before the Woman's Auxiliary of the Diocese of Western Michigan, have made an address before the Commercial Club of South Bend, and, by their invitation, an address before the Architect's Club of Northern Indiana. I was present and assisted in the exercises connected with the graduation of nurses of Epworth Hospital, and I delivered the principal address on the Elks' Memorial Day. I was present and assisted in the program of the State Convention of the Young Men's Christian Association held in Hammond, and I conducted two services, with sermons, in the Tuberculosis Camp at South Bend.

All these general ministrations have helped me to believe that my influence was of some value in the community at large, and to encourage me with the belief that the Church is exerting her due influence upon public life and public morals as well as within her walls in the purity and dignity of Christian worship.

The work of the Diocese has been commendably carried on, though the Confirmations are not so large this year as has been the case in past years. I attribute it, however, to no neglect on the part of the Reverend Clergy. We have had several changes in the parochial cure this year, but no loss from the Diocese of any of those surrendering their rectorship, and a gain of three clergymen to our number. The Rev. Benjamin F. P. Ivins resigned the rectorship of St. Thomas' Church, Plymouth, but not to leave the Diocese, becoming Preceptor at Howe School, with the purpose of pursuing a somewhat extended University course of study as time permitted. He has been succeeded in the rectorship by the Rev. Samuel W. Day, who was transferred to this Diocese from that of Long Island. The positions made vacant by the transfer of the Rev. H. R. White to South Bend have been filled by the appointment of the Rev. Forest B. B. Johnston to the combined cure of Gethsemane, Marion, and St. Paul's, Gas City. He comes to us from the Diocese of Pennsylvania.

I think the entire Diocese was unprepared for the resignation of the Rev. L. B. Hastings as Rector of St. Jame's Church, Elkhart. He had endeared himself very much to us all during his administration in that important cure, and his going leaves a vacant place in our affection and esteem it will be hard to fill. He has felt drawn to the interesting work of educating boys and young men, and has become practically the head of St. Alban's School for boys at Knoxville, Illinois. We have been very fortunate, and I think the Diocese very much blessed, in securing for that vacancy the return of one of our former clergy, the Rev. Wm. Wesley Daup, to our force. I extend a most affectionate and cordial welcome to these dear brethren in the hope that their administration will add great efficiency and zeal to our common work.

I was greatly surprised, and have been deeply pained, by the resignation of the Rev. Charles Albert Smith, after his long and very efficient administration of St. Paul's Church, Hammond. His reasons for such a step were of such a character that I felt constrained to acquiesce in his action, though I deeply regretted the loss of so faithful and efficient a servant of the Church and the cause of religion. I pay him no unmerited compliment when I say that during the past fourteen years of dio-

cesan life I believe he has contributed as largely as have any of us to the efficiency of the Diocese today. I only wish him joy and blessing in the future.

I herewith submit the summary of my official acts with visitations, confirmations, sermons and addresses, and contributions to the Emergency Fund for the year.

Turning from diocesan matters to the general work of the church, I cannot express to you the great joy and satisfaction with which I returned from the triennial gathering of the Church's legislative body. While it is not incumbent upon me at this time to attempt any review of the measures discussed or adopted or rejected, it may be permissible for me here to refer to some features of this national gathering which should inspire Churchmen not only with great joy but with great confidence and great courage for the future.

In the discussion of some questions preliminary to this triennial meeting we have been treated to some remarkable exhibitions of bad spirit on the part of self-constituted alarmists, self-appointed tractarians, who have written and distributed gratis their literature calculated to inflame and intimidate the the Church. The greatest joy I had in connection with the General Convention was the fact that these men were relegated to obscurity. They were not in evidence at all. They had been chosen by no representative body to voice their sentiments. They were alone as agitators and disturbers of the peace. The General Convention in its two houses, represented a body of sober, serious, earnest men, loyal to the Church's life and faith, among whom the greatest trust and confidence and affection prevailed, and who were quite capable of handling all problems proposed for their consideration without excitement, without agitation, and without any intimation of fear that the Church could possibly become apostate from the faith.

Many of the problems that presented themselves for consideration you will read about and study about. Two I feel myself at liberty to comment upon:

1. The wonderfully impressive lesson that was taught not only as to what was done but what was going on throughout the length and breadth of the Church in the way of parochial teaching, was the frequency with which all connected with and participating in the life of the general Church and represented there came together for their coporate Communion at seven o'clock in the morning, and fasting. That could not have been done without the teaching being very general and widespread that prepared the minds of all for that manifestation of the

Church's faith in the Source of their spiritual life and power. The House of Bishops had their corporate Communion, at which nearly every Bishop was present on every occasion. The Brotherhood of St. Andrew had their corporate Communion in the Cathedral at seven o'clock in the morning, at which three thousand men made their Communion. The Woman's Auxiliary in like manner gave emphasis to their faith in this blessed connection with the living Christ for the power with which they had to carry on their work. The Daughters of the King, the Girl's Guild Association, and the House of Deputies all gave indications of a common life throughout the length and breadth of this land that deepened the appreciation for the holy Eucharist as the source of its vitality, its wisdom, and its judgment in the holy work of the Church. This I consider was most gratifying and inspiring.

2. Next I consider that the American Church has taken a step forward, the value of which cannot today be estimated, in its adoption of the Provincial System, for which I have been personally praying and laboring for more than thirty years. What that Provincial System shall develop into, how far it shall add efficiency and power to our national church life, how far it shall become a principle and a factor of the efficient solution of our great provincial questions, will depend very largely upon the manner in which our representatives assemble for the primary synods of those provinces and how much grasp the Church's leaders exhibit of the great problems that demand their solution and the means to be employed for accomplishing them. I have faith to believe that the good God who has guided the Church into this movement will also guide her through it. With some caution and with some hesitancy the Church has moved on into the adoption of the principle, not yet defining the method, of an elective presiding Bishop. I apprehend, however, that that question will be subordinate to the appointment of the Provincial System and that at the time of the next triennial we shall be in position to handle the question much more wisely, as our Provinces have been developed and our Presiding Bishop becomes, in harmony with all ecclesiastical history, not merely spectacular, but the efficient and active head of the American Church.

It was an occasion of no small moment—that of electing five Missionary Bishops in the Church. These were made necessary by a death in one case and the resignation of men who were old or enfeebled in four others. The Bishop of Southern Florida has served so many years that it was his right to retire

for a period of quietness before the close of his life. So, too, with the Bishop of Spokane, who has been in his jurisdiction since 1872,—a long service, from which he should enjoy a period of respite. The missionary jurisdiction of New Mexico was made vacant as the result of the death of Bishop Kendrick. The jurisdiction of Porto Rico has been vacant since the resignation of Bishop Van Buren through very much impaired health. The jurisdiction of Cuba became vacant by the resignation of Bishop Knight, who becomes Vice-Chancellor of the University in the South. I am constrained to believe that the men selected for these important posts are all men of ability and high consecration, to whom the Church may look for efficient service.

And now, dear Brethren, with gratitude to Almighty God for our blessings and for all from which we have been spared, I commend you to the work of your Council and to a future which I trust will still further attest our loyalty and love to the service of our Master.

President's Address

Dear Friends and Members of the Auxiliary:—

The close of another year's work brings us together once more for conference and inspiration.

As the reports come in we find much to encourage for the future. In the main, pledges have been met and offerings increased. Study classes have been formed in a number of our branches, and a greater knowledge of missions gained.

The Course on Japan sent out from the Church Missions' House has been followed by some with great interest and profit. The United Offering from our Diocese—our thank offering for God's mercies vouchsafed to us, give us a part in the great United Offering of over \$307,000 presented in New York last month. A number of boxes for missionaries have been prepared with loving care, and their substantial value has carried some degree of comfort to a number of people.

We record with sorrow the death of the President of the Columbia City branch, Mrs. Eliza J. Collins, who passed away on December 1912 at the age of ninety-one. With no parish in Columbia City, Mrs. Collins always maintained her interest in the Church's work and with a few others formed a Woman's Auxiliary. This Auxiliary always contributed its proportion and was prompt with reports. We shall miss the inspiration of her life but pray that its influence may go on from year to year in other lives. Mrs. Collins was called peacefully away after a long life of usefulness—the feeble later years having been gently supported by loving children and kind friends.

In extreme contrast was the sudden death by accident of another of our parish officers, Mrs. Carlton Shafer, President of the Auxiliary in LaPorte. A devoted churchwoman, enthusiastic and active in missionary work, a much-needed daughter. She was snatched away from friends and dear ones by a cruel death. The Auxiliary in Michigan City will miss her gentle presence and the inspiration of her devoted life.

Each year we have had a few gatherings of neighboring Auxiliaries and they are most helpful indeed.

Soon after our last annual meeting the Auxiliary of St. James' parish, South Bend, invited several of the near-by branches to an afternoon meeting. Mrs. Henry Wood, their president threw open her spacious home and entertained a large number of ladies from several towns. Addresses were made by the Bishop and others; there was music and dainty refreshments and all left with renewed enthusiasm for the year's work.

In May it was found possible through the hospitality of the Cathedral branch to intercept Miss Emery on her way to Chicago and arranged for a "neighborhood" meeting in Michigan City. I was most happy to be present on both of these occasions and after the latter to accompany Miss Emery and spend "Epis-

copal Day" with her at "The World in Chicago." This exhibit of Christian work all over the world showed the result of much study and labor, and was certainly the means of impressing many hearts with new desire and earnest workers with more zeal to spread the Gospel of Jesus Christ to the ends of the earth.

One new Auxiliary has been formed at Huntington in the Archdeaconry in charge of the Ven. J. A. Baynton. This is a special pleasure to me for last year in telling you of that unchurched corner of our Diocese we noted that it contained **not one** Auxiliary—so much for the past year. I have no plans to offer for the future—that is the province of your new President. But I may, perhaps, be permitted one or two suggestions which come to us from the wonderful Convention of last month. In the opening sermon by Bishop Lawrence, in many of the speeches and some of the legislation, and finally in the Bishop's Pastoral letter at the close, two points were given great prominence, namely, Christian Education and Missions.

That the church may hold her true place in the new order of things she must educate her people and especially must she educate, train and develop her young people in soul as well as body and mind. We should strive in our Auxiliaries to train young women and girls to take up, by and by, our work, becoming each year more important. Missions must no longer be thought of as a part of the church's work—they are the Church's work. Men after all these centuries at last are grasping the wonderful meaning of the simple words "Go ye into all the World and preach the Gospel to every creature. Bishop Lawrence well said "Any one who has no use for missions is as out of date as an old flint lock gun." Who believes in the church must believe in missions. Surely the dream of the brotherhood of man is becoming a reality when the once idol-bound Chinese people ask Western Christianity for a day of prayer. No wonder one line shines out in the Bishop's Pastoral letter: **"There are no Foreign Missions."** No foreign missions when America is praying for China. No foreign missions when the best and holiest of earth's children are carrying the love of God from the glacier of the north to the jungle of the south. No foreign missions when to the half-clad head hunter and low-browed savage of the isles of the sea is taught in patience and self forgetfulness, the principles that will lift his life above the brute and show him the way to God.

Dear Women of the Auxiliary, we have a part in all this if we will. Here in our quiet corner, we may do our small but important work. From us may radiate one tiny beam of light that may help to dispel the darkness of sin and ignorance. Let us not be discouraged because we are a feeble branch. The feeblest may become strong by prayer—What we pray for we shall love; what a woman loves never lacks a woman's offering even to self sacrifice.

So let me beg of you, if you would rise to the height of our century learn to pray devotedly for the souls near and for those who know not the Lord. You will be blessed above measure in your parish, your home, and from own personal life.

ANNIE J. H. TODD, President.

Report of the Recording Secretary

Minutes of November 19, 1913

The fifteenth annual meeting of the Woman's Auxiliary of the Diocese of Michigan City was held in Trinity Church, Fort Wayne, on Wednesday, November 19, 1913. At 7:30 a. m. a Corporate Communion was held in the church with an offering of \$2.85 for the United Offering. At 9:30 the business meeting was opened in Guild Hall with creed and prayers by the Bishop, who then gave his annual address.

The Bishop appointed diocesan officers for the year as follows:

President—Miss Alice Goldthwaite, Marion.

Associate President—Mrs. Charles F. Egbert, Indiana Harbor.

Corresponding Secretary—Mrs. E. J. Boedefeld, Elkhart.

Treasurer—Miss Frances Haberly, Fort Wayne.

Treasurer United Offering—Mrs. John Hazen White, South Bend.

Roll call showed forty-five delegates from eleven parishes: Elkhart, 3; Howe, 4; Kendallville, 3; Marion, 2; Plymouth, 1; Rochester, 1; Fort Wayne, 13; Huntington, 10; Kokomo, 2; Michigan City, 2; South Bend, 4.

The minutes of the last annual meeting were read and approved. The President, Mrs. Todd, then read her address. She spoke feelingly of the loss the Auxiliary sustained during the year in the death of Mrs. Collins, president of the Columbia City branch, and Mrs. Carlton Shafer, president of the LaPorte branch. She reported that a new branch of the Auxiliary had been organized at Huntington.

The report of the Corresponding Secretary, Mrs. Ivins, was read showing an increase in money and boxes over last year. On motion was accepted.

The report of the Treasurer, Mrs. Reeve, was read by the Secretary and on motion was accepted.

The report of the United Offering Treasurer, Mrs. White, was read. She reported that the total amount of the offering from this diocese presented at the Triennial was \$317.85. On motion the report was accepted.

A letter from Miss Emery thanking the women of Michigan City branch for their share in the gift presented to her sister at the recent Triennial was read by the Secretary.

A report of work done by Juniors in the Diocese was given by Miss Johnson of Marion, Mrs. Trowbridge of Michigan City and Miss Yewens of Howe.

The following resolution was presented by Mrs. White and carried by rising vote:

"RESOLVED, That the Woman's Auxiliary of the Diocese of Michigan City at its annual meeting held in Trinity Church, Fort Wayne, desires to place on record its sense of serious loss in the sad death of Mrs. Calton Shafer, a most efficient officer of St. Paul's branch, LaPorte, also in the death of Mrs. Collins, president of the Columbia City branch and hereby tenders to the auxiliaries in these parishes its affectionate sympathy in their bereavement."

The president spoke of the Milwaukee Plan Fund and stated that the money raised in the past year had been used to purchase a wardrobe altar for Bishop Osborne of the Diocese of Springfield.

An interesting address was made by Archdeacon Baynton, missionary in the six southeastern counties of the diocese. He thanked the auxiliary for their help in the past and hoped they would again pledge their support to his work.

Noon day prayers were read by the Bishop.

After discussion as to the disposal of money pledged by the Auxiliary, a motion was made by Mrs. Vail of Michigan City and seconded by Mrs. Ward of Fort Wayne that the pledge be made for the work of Archdeacon Baynton as it was last year. Carried

Meeting adjourned for luncheon which was served by the Trinity church ladies in the Parish House.

Business was again taken up at 1:30 p. m. with the president, Mrs. Todd in the chair.

Reports were given by all the Auxiliary branches and guilds, showing a very encouraging amount of work done. A motion was made by Mrs. White and seconded by Mrs. Boedefeld that the annual meeting be held in May each year. An amendment was moved that the annual meeting be held the day before or the same day as the Annual Council. A general discussion followed.

Vote was taken on amendment which was lost. Vote on original motion to meet separately carried.

An invitation was extended by Mrs. Wood, president of the South Bend branch to hold the next annual meeting on the twenty first day of May, 1914 at St. James' Church, South Bend. On motion invitation accepted.

In accordance with a resolution passed at the Triennial meeting held in New York that Ascension Day be set aside as Auxiliary Day with a Corporate Communion of all branches on that day, a motion was made, seconded and carried that the Michigan City branch adopt the resolution.

A report of the Triennial meeting was given by Mrs. White, delegate from the Michigan City branch, which proved very interesting.

It was moved by Mrs. Robertson and numerous seconded that the thanks of the Michigan City Branch of the Woman's Auxiliary be given Mrs. Todd for her splendid work and that this appreciation and these thanks be expressed by a rising vote. Carried by rising vote.

A motion was made by Mrs. White and seconded that the thanks of the Auxiliary be extended to the ladies of Trinity Church, Fort Wayne for their delightful hospitality. Carried by rising vote.

An outline of future work was given by Miss Goldthwaite, the newly appointed President. She spoke particularly of interesting the young in missionary work and said that it was very important that there should be a branch of the Little Helpers and one of the Junior in each parish.

There being no further business, on motion the meeting adjourned.

The Rt. Rev. John Hazen White, D. D., Bishop of Michigan City, took the chair and called the Council to order, directing the Rev. Marshall M. Day, Secretary of the previous Council to read the Official Call

South Bend, Indiana,

April 15, 1914

Rev. Marshall Mallory Day,

Sec'y of the Diocese, Michigan City

Indiana Harbor, Indiana

Dear Sir:

By virtue of the authority vested in me, you are authorized to issue the notices for the assembling of the council of the diocese in St. James church, South Bend, Tuesday, May 19, 1914.

There will be a celebration of the Holy Communion at 10:00 a. m., to be followed by the organization of the council and the transaction of such business as may come before it.

The council will remain in session until it adjourns by its own action. I would suggest in view of the important matters to be considered, that the delegates plan to remain until Wednesday morning.

The annual meeting of the Woman's Auxiliary will convene in St. James' church, South Bend, Wednesday evening, May 20th; and remain in session during the 21st.

Very truly yours,

JOHN HAZEN WHITE

Bishop of Michigan City.

At the Direction of the Bishop the Secretary then called the roll of the Clergy of the Diocese, and the following Clergymen answered to their names:

Rt. Rev. John Hazen White, D. D., Bishop.

Very Rev. Walter S. Trowbridge, Dean.

Venerable James A. Baynton, Archdeacon.

Rev. John H. McKenzie, D. D.	Rev. Howard Russell White
Rev. Edw. W. Averill	Rev. Daniel LeBaron Goodwin
Rev. Henry S. Streeter	Rev. Walter B. Williamson
Rev. L. T. Scofield	Rev. Wm. N. Wyckoff
Rev. Marshall M. Day	Rev. John F. Plummer
Rev. Lewis C. Rogers	Rev. Samuel W. Day
Rev. B. F. P. Ivins	Rev. Forest B. B. Johnston
Rev. Cleon E. Bigler	Rev. Victor von Kubinyi
Rev. Wm. J. Hawthorne	Rev. Irving Todd

making a constitutional quorum of the Clergy of the Diocese.

The Rt. Rev., the Bishop then appointed as Committee to Examine the Credentials of Lay Delegates: The Secretary, the Rev. Cleon E. Bigler, Col. W. C. Johnson, Mr. W. B. Hosford. The Committee retired, and the Council then took a short recess, during which the Bishop outlined the programme of the Council and of the Annual meeting of the Woman's Auxiliary.

The Committee returning for two point of information, the Chair ruled that St. Paul's Church,

Gas City and Szent Haromsag, Hungarian Church, South Bend, are entitled to representation as organised Missions.

The Committee returned and reported:

The Committee on Credentials of Lay Delegates respectfully reports that it has examined the credentials of the Lay Delegates and Alternates, and finds the following gentlemen entitled to seats in this council.

Cf. List p. p. 8, 9

The report having been accepted, and the roll having been called, a constitutional quorum of Lay Delegates was found to be present, and the Bishop declared the Council organised for business.

The election of a Secretary being now in order the Rev. M. M. Day was nominated. On motion, the rules were suspended, and the Rev. E. W. Averill was directed to cast the ballot of the Council for the Rev. M. M. Day as Secretary. The ballot was cast, and the Rev. M. M. Day was declared elected. He appointed Mr. C. H. True, of Hammond, as Assistant Secretary.

The Rt. Rev. the Bishop then read his Annual Address.

(Cf. Appendix A.)

As the condition of his eye-sight was such as to make it impossible for him to recognise such members of the Council as might rise to address the Chair, the Bishop, immediately upon the conclusion of his address called to the Chair the Rev. John Heyward McKenzie, D. D., President of the Standing Committee.

Upon Dr. McKenzie taking the Chair, and calling the Council to order, upon motion of Rev. E. W.

Averill, after the regular noonday prayers, the Council took a recess until one in the afternoon.

Saint James' Church

South Bend, Indiana

May 19, 1914; 1:40 p. m.

Rev. John Heyward McKenzie, D. D., resumed the Chair and called the Council to Order. The Secretary read the names of those Clergy, Delegates, and Alternates who had not answered to the previous roll-call.

The Rt. Rev., the Bishop, then announced the appointment of the Committees called for by Title I Can. II, Sec. 7 of the Canons and by subsequent enactments of the Council of this Diocese:

(Cf. list p. 5.)

Rev. Cleon E. Bigler presented the

The following amendment to the Constitution of the Diocese of Michigan City, passed by the XV council, comes before this council for final consideration:

But the name of the Parish or Mission so delinquent shall be read in the appointed place in the order of business of each Council, and the Delegate or Delegates from a delinquent Parish or Mission may be admitted to a seat by vote of the council, upon payment in full of all said dues."

religious instruction for the children, a plan which will be watched with interest and studied with profit by all who desire a larger opportunity for instructing the Church's children. Dr. Bradner very kindly came to our Sunday School convention and talked with us about the plans of his board. The plans of the new board of the Church will shortly be in our hands, according to the secretary, and this commission urges the hearty support and cooperation of the parishes of the diocese in making them successful.

It was with anticipation aroused by many reports about one of the most successful Sunday Schools in the middle west that we next listened to an address full of practical wisdom and religious inspiration given by the rector of St. Matthew's Church, Kenosha, Wisconsin. Fr. Ingley spoke of "The Theory and the Importance of the Sunday School in The Church's Life." Some of our teachers who heard this address are still charged with its helpfulness, which is a sufficient test of its worth, and, likewise, is sufficient praise.

Fr. Ingley's talk was followed by one on the Working Methods of St. Matthew's Sunday School, given by the lay superintendent, Mr. Price. Again were we laid under diocesan obligation to this model school for a painstaking demonstration of what our laymen might do along Sunday School lines if they would only consecrate their energies as this busy banker has done in Kenosha.

Fr. Wyckoff of Gary concluded the program with a short narration of his experience as a Parish Priest with the Gary plan of religion in the schools and the schools in religion, or within the field of instruction.

No doubt these conventions do a certain amount of good in those districts in the diocese wherein they are held, but we are not reaching the majority of the workers by the method which has prevailed. Therefore, this outgoing Sunday School commission, with thanks to all the parishes and workers who have helped to make the conventions a success in any degree withholds any recommendations, while it welcomes the prospect of a Diocesan Board of Religious Education in harmony with that of the general church, and, bespeaks for it the earnest support of this Council and Diocese.

WALTER S. TROWBRIDGE, Chairman.

On motion of the Rt. Rev., the Bishop, this report was received.

The report of the Committee on Christian Education being called for, the Committee stated that it

had no report to offer to the Council, the work formerly performed by this Committee being now adequately covered by other agencies.

The Rev. John F. Plummer, its Chairman, then presented the

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

Your Committee on the State of the Church begs leave to report that it has gone back to the date of the last report to the council, being Nov. 1, 1912. Generally speaking, there has been appreciable increase in both spiritual and financial statistics. Figures mean little to us unless a comparison is made. Your committee is not able to report fully from the entire Diocese four parishes having failed to report. We, therefore, may report only upon statistics at hand.

In number of baptisms, a decrease of 14 per cent. In number of confirmations, in six months, an increase equal almost to the same number confirmed in the total previous year.

Number of souls and confirmed persons remains stationary. There has been some increase in number of communicants. We are very glad to report an appreciable increase in number of Sunday School pupils. Financially speaking, in current expenses there has been an increase of over 2 per cent. Sunday School expenses, an increase of 10 per cent. In improvements an increase of 300 per cent. In payment of diocesan obligations 15 per cent decrease, as compared to a year and a half ago. Five parishes and missions report that their obligations are **not** paid in full. For general missions we may report a decrease of 3 per cent. Your last report showed an average increase of 13 per cent a year. Twelve stations out of twenty-two have not paid up their obligations to general missions, to date. All church property is reported insured.

What do these statistics show? The increases have been of a local parochial nature. For instance, 300 per cent. on improvement of property. The decrease has been in outside obligations, in particular diocesan obligations. May we not fairly ask if parishes and missions are financially able to make improvements for themselves, ought they not to be ready and willing to discharge their obligations to the Diocese and Church in general? Your former committee recommended an aggressive campaign in Sunday School work. The increase to date shows a gratifying result.

On motion of Rev. H. R. White the report was received.

The Council then proceeded to read and adopt the proposed Canon section by section, after which, on motion by the Very Rev. the Dean, the Canon was adopted as a whole..

For the Committee on Admission of New Parishes the Rev. B. F. P. Ivins reported that no applications had been received during the year from congregations desiring to be admitted into union with the Council of this Diocese.

The Rev. Wm. N. Wyckoff then presented the

REPORT OF THE COMMITTEE ON AUDIT OF ACCOUNTS

Your committee reports that it has examined the report and vouchers of the Treasurer of the Diocese and finds them to be correct.

Your committee has also examined the report of the Treasurer of Missionary Funds. This is unaccompanied by vouchers, and we have no means of properly checking this report. Cash on hand of last report by Mr. Johnson, 11th of November, 1913. shows \$1,814.38. Present report, which is undated, shows "balance from Mr. Johnson \$298.68. Check for \$17.09 attached to the Treasurer's report is apparently the difference between the receipts and disbursements as shown, but there is no supporting evidence.

WILLIAM N. WYCKOFF, Chairman

On motion, this report was received.

Rev. W. N. Wyckoff then moved that the books of the Diocesan and Missionary Treasurers be closed on April 30th of each year, and that they be audited before the meeting of the Council. Motion carried.

Rev. E. W. Averill then moved that the report of the Missionary Treasurer be referred back to Committee, for audit within the next thirty days. Motion carried.

Rev. M. M. Day, then presented the

REPORT OF SPECIAL COMMITTEE TO REVISE AND PRINT BLANK FORMS FOR PAROCHIAL REPORTS

To the XVI Annual Council of the Diocese of Michigan City.

In order that your committee might have the benefit of the experience of others in carrying out its work the Reverend William N. Wyckoff was made secretary and instructed to obtain from the secretaries of the different dioceses and missionary districts copies of the blanks in use in their several fields. In this way a large number of examples of varying merit were gathered, and many valuable suggestions were obtained.

One meeting was held, in the rectory of Christ church Gary, at which meeting the form which has been sent through the diocese in preparation for this council was drawn up. The committee was authorized by the XV council to have printed whatever form it should decide upon, but in view of the fact that the general convention is about to issue a uniform blank for the use of the Church in the whole of the United States, and because it seemed wisest to test out the result of the committee's decision before going to the expense of printing several thousand blanks, it was decided to issue typewritten forms once more, leaving it for this committee, if continued, or whatever new committee the chair may appoint or the council direct, to print the forms after profiting by such criticisms as might be made after a test in actual use.

Respectfully submitted,

MARSHALL M. DAY, Chairman

The report was received and the Committee continued.

The Order of Business being the election of the various Diocesan officers and of the members of the Standing Committee and other elective bodies, the Chair appointed Rev. Cleon E. Bigler and Mr. F. G. Church as tellers of election.

Upon motion by Rev. M. M. Day it was

The Very Rev. W. S. Trowbridge presented the following resolution:

RESOLVED, that Title IV, Canon 1, Section 3 be amended to read as follows:

"Section 3. It shall be the duty of each clergyman of this diocese to instruct the people of his charge concerning Missions, and to appoint a Missionary Treasurer in his parish or mission to receive all funds collected for missionary purposes, and to make monthly disbursements of the same, pro-rating to general missions, diocesan missions, and diocesan expense fund, after deducting offerings for special objects."

On motion of Mr. Stuart Mac Kibben this resolution was laid on the table.

On motion of the Rev. B. F. P. Ivins it was

RESOLVED, that this council lay upon the Parishes and Missions an assessment for diocesan expenses, consisting of three and one third per cent. of the average current expenses of each cure as reported in the past five Journals; and that of the sum so raised \$500.00 be given to the bishop for the expenses of his office.

M. V. Starr, and Mr. Archie Price, in this order, had received a sufficient number of votes on the first ballot to constitute an election, and the gentlemen named were accordingly declared elected Lay Delegates to the Primary Synod of the Fifth Province.

APPENDIX A

The Bishop's Address

To the Clergy and Laity of the Diocese of Michigan City in
Council Assembled.

DEAR BRETHREN: In conformity with your legislation taken at the last annual Council I have called you together in the month of May. This will require our records for but six months, and yet events have so shaped themselves that this may prove one of the most important Councils over which I shall preside.

Since our last Council there have passed to their rest three of the most distinguished of our American prelates: The Right Reverend William Woodruff Niles, D. D., Bishop of New Hampshire, the Right Reverend John Scarborough, D. D. Bishop of New Jersey, and the Right Reverend Charles Penick, sometime Bishop of Cape Palmas, three of our senior Bishops.

Bishop Niles was born in Hatley, Canada, March 24 1832, and consecrated as Bishop of New Hampshire, February 21, 1870, so that he had filled the office of Bishop for 44 years at the time of his decease. A man of eminent culture, at one time professor in Trinity College and Berkely Divinity School, forceful and yet gracious and considerate. He was greatly beloved in his own Diocese and highly esteemed for his wisdom in counsel throughout the Church. His death has been anticipated for some years. Feeble health having rendered him unfit for duty for a long time.

Bishop Scarborough was born in County Down, Ireland, April 25, 1831, and consecrated as Bishop of New Jersey February 2, 1875. His Episcopate lacked but a little of covering forty years. He administered his Diocese with great consecration and dignity and was ever known as one of the most devoted of

the Church's leaders in her Missionary work. During all the years of his Episcopate he was most faithful in the discharge of all the duties devolving upon him as a member of the Board of Missions and of its Executive Committee.

Bishop Penick was a native of Virginia, born in Charlotte County, December 9, 1843, a consecrated Bishop of Cape Palmas, February 13, 1877. His active service in Africa was not of a long duration. The severity of the climate was more than his constitution could endure and he was compelled to resign his jurisdiction and return to America, where he has faithfully ministered in various positions during the remainder of his life.

Within our own Diocese during these six months we have lost by death Mr. Mortimer Parker, the Warden of St. Andrew's Church, Valparaiso. I was permitted to be present and to officiate on the occasion of his burial. As Warden of St. Andrew's Mission Mr. Parker was one of the most faithful and at the same time one of the most modest and unassuming officers that I have ever known. It is the testimony of the clergy who have served there and of the people of the Mission that his presence and example were always on the side of regularity and fidelity in the discharge of religious duty. His quiet acquiescence in the orders taken for the progress and development of the Church's work were a valuable example to all who fill similar offices.

On the eve of the assembling of our Council the intelligences reaches me of the terrible death by accident of Gordon Latta, an earnest and devout communicant of St. James' Parish, Goshen. Mr. Latta was full of the freshness and vigour of youth, just entering in the strength of a splendid manhood upon a business career of promise. Of a family of devoted Church people he had given in a remarkable degree his affection and devotion to his Church and his Parish. While still quite young he had served his Parish as Vestryman and Treasurer, had been a delegate to the Diocesan Council and was chosen as one of the deputies from this Diocese to the General Convention of 1910. His death brings terrible bereavement to his devoted mother, and a distinct loss to his Parish and this Diocese. Our sympathies go out to them all in this terrible sorrow.

May they rest in peace and may perpetual light shine upon them.

Though I have had but six months of service and have made during that time but fourteen official visitations in the Diocese I have confirmed as large a number as have been confirmed in any full year heretofore, which is a gratifying record to me; showing that in many parishes most efficient work has been done.

Perhaps the most important event of this six months, and

it may be of my Episcopate, will be found in the action I have taken in connection with Hungarian work in South Bend. I have long been deeply impressed with the importance of this Church showing its interest and sympathy with the foreign people living among us, who desire the ministrations of this Church. When I was approached with the application to extend my Episcopal care to a considerable number of such people I was impressed with the importance of the application and determined that I would not treat it with indifference. Having sought the counsel of the House of Bishops without obtaining what I sought I determined to handle the question as a purely Diocesan matter. After consultation with the Standing Committee I determined to take such action as would at once attest our interest in this movement and contribute so far as lay in our power to its solution. I had received application from the Rev. Victor von Kubinyi formerly a priest of the Roman Catholic obedience, but who had renounced his allegiance to the Pope something more than a year before the date of his application to me to be received as a priest into this Church. I postponed action for some nine months in order to test his sincerity and the extent of his knowledge of our Church's affairs. With the commendation of the Standing Committee I received him into the ministry of this Church on the second Sunday in Advent. This was quickly followed by an application for the organization of a Mission among the Hungarian people who had been under Father Kubinyi's instruction and ministration. This application was signed by eighty-four men, heads of families. On the second Sunday in January I acted favorably on this application, and organized Trinity Hungarian Mission, South Bend, numbering three hundred and fifty enrolled members. And on February 22, 1914, I held my first confirmation, administering the Apostolic Rite to twenty-eight presented by Father Kubinyi. This work has moved along very quietly, but with great encouragement and promise. It remains to be seen what the future will develop. It will remain for you and for your Missionary Committees to determine just how much co-operation and support you will give to this most important enterprise, for it will need a large amount or both if it is to attain eminent success.

Another matter of very great importance has been brought to my consideration during this half year, in the development of educational work at Gary, under the direction of the Superintendent of its Public Schools. Briefly stated this involves the release of the children for certain periods of the day that they may receive religious instruction by the authorities of the various churches in which they are enrolled. The General Board of Religious Education feeling the importance of this movement

have sent one of their secretaries to make a study of it and to invite the co-operation of the Bishop in providing such religious instruction as shall aid in testing thoroughly the plan inaugurated in Gary. I am sorry that our finances have not enabled me to do unaided all that was asked of me. If in the future I can secure financial help which will justify me in pledging myself to this work I shall take great pleasure in giving it all the assistance that lies within my power. It remains for you at this Council to debate the question and to determine just how far you feel yourselves capable of aiding in these enterprises.

Shortly after the annual meeting I received the resignation of Homer E. Johnson as Treasurer of the Missionary Funds of this Diocese. After some consultation with him I deemed it wise to accept such resignation and as provided by canon appointed to fill the vacancy caused thereby until the meeting of this Council Mr. W. G. Elliott of South Bend, and in this connection I am happy to say that Mr. Elliott opposed no objection to the wish of the Missionary Committee, and has provided a bond in the sum of \$2,000, which I hold. I think this is a decided step in advance in good business methods.

I was present at the annual meeting of the Woman's Auxiliary held in Trinity Church Fort Wayne, and with a view to the greater efficiency of that organization I have taken steps to so officer it as to give promise of earnest and efficient administration of its affairs. During these six months its officers have entered most devotedly into the study of the problems confronting them and into devising such methods as when worked out will produce these higher results. I can only say in connection with this movement that their efforts will need the cordial, devoted, earnest co-operation of the clergy and laity of every parish and mission in the Diocese if we are to succeed in our efforts to make our Auxiliary a commendable organization. If the parish and clergy are going to justify themselves in obstructing the officers in their efforts to improve and strengthen and render more efficient this important branch of our service I shall be compelled to speak to you all in very clear terms concerning such policy. The Diocese of Michigan City needs the united, hearty, earnest co-operation of all its people if we are to better our conditions ecclesiastically throughout the Diocese. I cannot be patient with anyone who so far feels it a compulsion of duty as to retard in any way the duty demanded of us, and so I ask affectionately that throughout the Diocese the most cordial support and co-operation be given Miss Goldthwaite in her commendable zeal to make the Auxiliary a strong and efficient organization.

By all means the most important event of our life is transpiring in connection with the legislation had at the last general

convention for the creation of what are known as provinces in the Church, and the organization of such departments and the determination of just what functions they shall enjoy in the matter of legislation and administration in ecclesiastical affairs.

The senior Bishop in this Province has communicated to me the fact that he has called the primary synod of this province to meet in Detroit on the 14th and 15th of October next. It remains for you to decide by your vote first whether as a Diocese you will be included in this Provincial organization, and if your decision is affirmative then to elect your clerical and lay deputies to attend this Province synod.

To my mind this is perhaps the biggest question, and should have the wisest men for its decision, that has ever come before us. The enactment of proper canons to regulate and control our Provincial work will go far to determine how efficient the Province shall become. They should have absolute control of religious education, eleemosynary and missionary work within the Province and must settle for itself the question of raising of revenues and their distribution to the various departments directed and controlled by the Province. You will readily infer from what I have said that the Church is re-adjusting her activities, and it will require great study, great care and great loyalty to fundamentals to do this so as to insure increased efficiency in all departments of Church work.

There have been suggestions made to me that I should welcome to this Council representatives of the General Board of Religious Education and the General Board of Social Service for the discussion of the questions in which they are respectively concerned, and I have invited them to send their representatives at this time for such discussion. I have also been approached by the Bishop of Massachusetts, who as chairman of the elaborate Clergy Pension Fund commended by the last General Convention requested permission to be present and to present and to present that plan for providing for the aged and infirm clergy of the Church, the widows and orphans of deceased clergymen for your consideration.

In view of these questions I have suggested that you come together prepared to devote so much time to these problems as you may find necessary without recourse to a hurried adjournment.

There are two matters of Diocesan interest which have been suggested to me for legislation which after some mature thought I would commend for your consideration, and if acceptable to yourselves adopted.

One is the creation by canon of a Board of Equalization, to consist of one clergyman as chairman and four laymen, whose

business it shall be before each annual Council to ascertain just what financial obligations should rest upon this Diocese in order to discharge its duties to all interests Diocesan, Provincial and general, and having determined that fact distribute the said amount equitably upon the various parishes and Missions, so that all may be assured of the wisdom and the necessity of such assessments. I am constrained to believe that the result will be better than where these sums are voted hastily in open Council and then distributed by one man, a Secretary, who is liable to change from year to year as men retire from office or from the Diocese.

The other is the question of the value of our present Missionary Committee and the expediency of rescinding the present canon on Missions and re-toring that early canon for which this was substituted, placing the direction of the Missionary work of the Diocese exclusively in the hands of the Bishop. This is not a matter upon which I am at all sensitive because the Missionary Committee has always shown itself entirely willing to carry out any wish I might express. It is just this fact that leads me to believe that the time and money necessarily expended in calling this Missionary Committee together four times a year to ratify what the Bishop determines to be done is a useless waste of both time and money. I should be glad to have the question freely debated here, as I am not sensitive on the subject and should be glad to have you regulate your Missionary affairs according to your best judgment.

During the year I have been privileged to do some work outside of my own Diocese, which I am vain enough to consider a valuable contribution to the work of the Church. I was privileged to spend a week, the octave of the Feast of the Conversion of St. Paul, in St. Paul's Church Brooklyn, during which time I delivered some eight sermons in that parish, and in conjunction with my visit was privileged to address both the Church Club of Long Island and the Catholic Club of New York on the "Present Day Duties of Churchmen." My whole experience in St. Paul's Church, Brooklyn, was to me edifying and stimulating, because it illustrated what in the short space of four years might be accomplished in a down town city parish, which had been adjudged defunct.

I was privileged to be present and to assist at the consecration of the Rev. Dr. DuMoulin as Bishop Coadjutor of Ohio.

I delivered the annual address before the Traveling Men's Protective Association in South Bend.

In addition to this it has been my privilege to deliver the initial address before the united parishes at Grand Rapids on Ash Wednesday; and in St. Paul's Church, Richmond, at the beginning of the Lenten season.

I was present and took part at the Sunday School Institute of the Diocese held under the supervision of the dean of the Cathedral, and would commend this department under the work now under the General Board of Religious Education to your earnest consideration and hearty co-operation.

During the winter we have the development of the Men's Club, which gives promise to the solution of our larger parish problems in parochial affairs. I trust you will come in time into larger touch with this organization and its efficiency.

Submitting to you the summary of my official acts I now invite you to the work of Council.

The internal work of the Diocese has moved on since the last Council very smoothly and very satisfactorily and with but slight change.

The vacancy in St. Paul's, Hammond, caused by the resignation of Rev. Charles A. Smith, has been filled by the election of Rev. W. J. Hawthorne, who has entered into residence. Great changes and improvements have been made in the parish church there, and the future prospect is very bright. The Rev. Edward L. Roland has resigned St. James' Church, Goshen, to accept the rectorship of St. Paul's Church, St. Paul, and has been transferred to the Diocese of Minnesota. The vacancy at Goshen has been filled by the transfer of the Rev. L. T. Scofield from Trinity Church, Logansport, to St. James' Church, Goshen. The vacancy thus occurring at Logansport has issued in the election of Rev. Charles F. Westman, of Petersburg, Mich. Father Westman expects to enter upon his duties at Logansport, June 14. I have appointed Rev. Thomas Heins to the combined missions at East Chicago and West Gary. Fr. Heins has just begun service in these two missions.

I have given my consent to the consecration of the Rev. William T. Capers to be coadjutor Bishop of West Texas. This completes as far as I can give them my official acts for these six months.

APPENDIX E.

Christ Church, Gary Indiana.

June 15, 1914.

My Dear Father Day:

I will say in response to your question, that the report of the Missionary Treasurer was explained by the Bishop but no vouchers having been submitted, the committee on Audit of Accounts have had nothing to audit. We understand that this is owing to the very much to be regretted illness of the Treasurer of the Missionary funds.

Respectfully yours,

(Signed WM. N. WYCKOFF.

Report of the Recording Secretary

St. James' Church,
South Bend,
May 20, 1914.

The sixteenth annual meeting of the Woman's Auxiliary to the Board of Missions in the Diocese of Michigan City convened at this time and place, having been invited by the St. James branch.

Commencing at four o'clock there was an exhibit of the work of the Juniors in the Diocese, and the Missionary Play "Mother Church and her Juniors" was given by the St. James Junior Branch.

At 7:30 in the evening a Missionary Service was held in the Church. At this service the Bishop made his annual address to the Auxiliary. Following the services an informal reception was given at the Clergy House to the delegates and all interested in the Auxiliary.

May 21.

At 7:30 in the morning the Auxiliary made its annual corporate Communion, the Bishop being Celebrant.

At 9:30 the business meeting was opened with prayers by Archdeacon Baynton. The meeting was then called to order by the President, Miss Goldthwaite. The President welcomed all delegates and visitors and extended thanks to all branches for their co-operation in the work during the past six months.

The report of the United Offering Treasurer, Mrs. White, was read. The report showed a collection of \$97.48 for the half year. On motion of Mrs. Fitz-Gibbon the report was accepted.

The President read the Constitution as enlarged and revised by the Executive Board. Miss Yewens made a motion that the Constitution be accepted as a whole. Motion seconded and carried.

Archdeacon Baynton gave a summary of his work in the Diocese. This was of particular interest to the Auxiliary because the pledge made by the Auxiliary to Diocesan Missions goes toward the support of the work of the Archdeacon.

Noonday Prayers for Missions were read by the Archdeacon.

Mrs. Muessel made a motion that Archdeacon Baynton be given a vote of thanks and appreciation for his work in the Diocese. Motion seconded and carried by a rising vote.

On motion of Mrs. White the meeting was adjourned for luncheon.

The members of the Auxiliary were the guests of the St. James' Branch at a luncheon given at the Y. W. C. A.

The President called the meeting to order at 1:30. 62 responded to roll call: Elkhart, 3; Fort Wayne, 2; Goshen, 6; Hammond, 4; Howe, 1; Huntington, 2; Kokomo, 2; LaPorte, 3; Logansport, 5; Marion, 2; Michigan City, 4; Mishawaka, 6; South Bend, St. James, 20; South Bend, Trinity, 1; Rochester, 1.

Considering the importance of the work of the Archdeacon, it was the feeling of the Auxiliary, that the pledge to Diocesan Missions should go toward the support of this work and should be larger than that of last year.

Mrs. Robertson made a motion that the Auxiliary pledge \$800 to Diocesan Missions, this pledge to go toward the work of Archdeacon Baynton. Motion seconded and carried.

Mrs. Robertson made a motion that a vote of thanks be given Mrs. Harry A. Wood, president of the St. James' Branch, and the Ladies of the parish for their generous hospitality. Motion seconded and carried by a rising vote.

A discussion of the Districts followed. Miss Yewens made a motion that the plan for dividing the diocese into districts as presented by the Board be accepted. Motion seconded and carried.

The President introduced the officers; the First Vice-President, Mrs. Egbert, who has charge of the Juniors, urged all branches, if they had not already a Junior Branch, to organize one. Miss White, the second Vice-President, in charge of the Little Helpers, also asked for co-operation in organizing all baptized children up to the age of eight into branches of the Little Helpers. Miss Yewens told of the many opportunities for doing good through the Church Periodical Club. Magazines and books are sent to all parts of the world.

Mrs. Robertson stated that a Circulating Library was a new department of work in the Auxiliary but if all helped it could be made very useful.

The minutes of the meeting were read by the Recording Secretary and approved as read.

On motion of Mrs. Boedefeld the meeting was adjourned.

Edna Johnson,
Recording Secretary.

Alice Goldthwaite,
Auxiliary President.

Journal of Proceedings

Trinity Cathedral Church,

Michigan City, Indiana,

Wednesday, May 19th, 1915, 9:00 a. m.

The Seventeenth Annual Council of the Diocese of Michigan City assembled at this time and place in accordance with the call issued by the Ecclesiastical Authority.

After the Conciliar Celebration of the Holy Eucharist, the Right Reverend the Bishop being the Celebrant, the Council assembled for business.

The Rt. Rev. John Hazen White, D. D., Bishop of Michigan City took the chair and called the Council to order, directing the Rev. M. M. Day, Secretary of the previous Council, to read the official call:

The Clergy House,

319 West Colfax Ave.,

South Bend, Ind.

April 3rd, 1915.

Rev. Marshall M. Day,

Secretary, Diocese of Michigan City.

I hereby authorize you to issue the Canonical Notices calling the Council of the Diocese to assemble in the Cathedral at Michigan City on Wednesday, May 19th, with celebration of the Holy Communion at 9 a. m. The organization of the Council will immediately follow the service. In connection with the Annual Council it is my purpose to commemorate the twentieth anniversary of my consecration in the Cathedral on Tuesday, May 18th. There will be a celebration of the Holy Communion at 11 a. m. The sermon will be by the Rev. J. H. McKenzie D. D., The afternoon will be devoted to the consideration of Religious Education and Social Service. In the evening the subject for dis-

cussion, introduced by Dean Trowbridge, will be the Missionary Survey of this Diocese. There will be prominent speakers on all these subjects.

Faithfully yours,

(Signed)

JOHN HAZEN WHITE,
Bishop of Michigan City.

At the direction of the Bishop the Secretary then called the roll of the Clergy of the Diocese, and the following Clergymen answered to their names:

Rt. Rev. John Hazen White, D. D., Bishop
Very Rev. Walter S. Trowbridge, Dean
Ven. James A. Baynton, Archdeacon

Rev. John H. McKenzie, D. D.	Rev. E. W. Averill
Rev. L. W. Applegate	Rev. H. S. Streeter
Rev. L. C. Rogers	Rev. M. M. Day
Rev. J. M. Hamilton	Rev. B. F. P. Ivins
Rev. D. LeB. Goodwin	Rev. H. R. White
Rev. Wm. N. Wyckoff	Rev. W. B. Williamson
Rev. W. W. Daup	Rev. S. W. Day
Rev. W. J. Hawthorne	Rev. Victor von Kubinyi
Rev. Chas. F. Westman	Rev. Thomas Hines

Making a constitutional quorum of the Clergy of the Diocese.

The Secretary then called the roll of the Lay Delegates whose certificates had been presented to him, and a constitutional quorum of Lay Delegates from the Parishes and Missions was found to be present.

The Bishop then appointed as a Committee to Examine the Credentials of Lay Delegates, the Secretary, Rev. J. F. Plummer, Mr. H. G. Eggleston. The Committee retired to examine the credentials of the Lay Delegates, returning later to report that the following Lay Delegates, after due examination of their credentials, were found entitled to a seat in this Council:

(cf. list pp. 8-9.)

The Council then proceeded to the election of a Secretary. The Rev. E. W. Averill nominated the Rev. M. M. Day. There being no further nominations the Chair took the vote by acclamation, and the Rev. M. M. Day was declared elected.

With the consent of the Council he named Mr. Chas. H. True as Assistant Secretary.

The Right Reverend the Bishop then read his annual Address.

(cf. Appendix A.)

In the course of his address the Bishop appointed Mr. E. D. Gaston, Mr. J. A. Scott, Mr. W. B. Conkey as a special committee to confer with the parishes delinquent in their Diocesan Missions' Apportionment and to report to the Council after the report of the Missionary Treasurer.

Capt. H. S. Norton then moved that the Delegates from the Parishes of Michigan City and La Porte be admitted to a seat and vote in this Council. The Chair asked why Logansport was not included in the motion. Capt. Norton replied that this parish was delinquent for two years' assessments, but at the request of the Chair he included Logansport in his motion. Rev. Dr. McKenzie asked for a ruling from the Chair on the constitutionality of this motion. Rev. E. W. Averill moved that the motion be laid on the table. Motion lost. The Chair, expressing the hope that the delegates from these parishes would be given a chance to make good their standing in this Council, finally ruled the motion out of order.

The Right Reverend the Bishop then announced his appointments to the Committees called for by Title I, Canon ii, Section 7, and subsequent enactments of the Council of this Diocese.

(cf. list p. 5.)

It was moved by Dr. McKenzie that the Chair appoint a committee of two to confer with the parishes deprived of representation through delinquency in the payment of the Diocesan Expense Assessment. The motion was carried, and the Rev. E. W. Averill and Mr. L. B. Slaughter were appointed as such committee.

The reports of the Committees on unfinished business and the Admission of New Parishes being called for these committees were found to have no report to present to the Council.

The Venerable the Archdeacon then presented his annual report.

(cf. Appendix B.)

The Chancellor of the Diocese, Mr. Stuart Mac Kibbon moved that the reading of the report be dispensed with and its summary only be presented, the report in full being spread on the minutes. Motion carried.

Rev. Wm. N. Wyckoff, its Secretary, then presented the

REPORT OF THE MISSIONARY COMMITTEE

The Missionary Committee of the Diocese of Michigan City respectfully reports:

The Committee met immediately after the adjournment of the Sixteenth Annual Council and the Rev. Wm. N. Wyckoff was elected Secretary. The stipends were continued as voted the previous year, as follows:

Kendallville and Garrett.....	\$ 600.00
Bristol	500.00
Kokomo	600.00
Valparaiso	600.00
Indiana Harbor	900.00
East Chicago and Gary Gardens.....	900.00
Gas City	200.00
The Archdeacon	1800.00
Interest on property at Kokomo.....	246.00
Secretary's office	50.00

It was further moved that the funds over present appropriations be apportioned at the discretion of the Bishop.

Your Committee has assisted Trinity Hungarian Mission in meeting the payments for rent on the Armory. Through the kindness of Mr. Gaston, the matter of income and assessments at Garrett has been satisfactorily arranged. The appropriation for East Chicago and Gary Gardens was changed to cover East Chicago and Whiting and reduced to \$800.00. Gary Gardens was again placed in the care of the Rector of Christ Church, Gary. The committee also authorized the payment of \$250.00 toward the educational experiment at Gary. A warrant for \$50.00 monthly was ordered drawn for Fr. Kubinyi. It was ordered that the Archdeacon be reimbursed to the amount of \$112.00 for repairs on the building at Rochester.

In accordance with the resolution of the last Council, the

Secretary has spread the assessment for Diocesan Missions on a basis of 12 per cent of the average current expense for the past five years. The apportionment for General Missions has been made on a basis of 10 per cent in the same way. While the Committee has had some anxious moments lest the diocesan stipendaries suffer, all payments have been made. It seems a pity that this diocese can not or will not meet the apportionment. A relatively small sum is asked, but the response is lamentably feeble. Our Blessed Lord's command to go into all the world dominates us. Your Secretary wishes to say, on retiring from the office, that he is profoundly convinced that there will be no real vigorous growth in this or any other diocese until we are faithful to Missions.

Respectfully submitted,

WM. N. WYCKOFF, Secretary.

The report was received and referred to the Committee on Audit of Accounts, Rev. Wm. J. Hawthorne and Mr. L. P. Godwin being appointed as such committee.

Rev. Wm. N. Wyckoff rose to a point of information, asking why the resolution of the last Diocesan Council, recorded on page 29 of its Journal, requiring the Treasurers' books to be closed on the 30th of April and referred to the Committee on Audit of Accounts and audited before the meeting of the Council had not been complied with. The Chair replied that this was due to the slowness of the parishes in making their payments.

For the Committee appointed to confer with the parishes deprived of representation in this Council through delinquency in payment of the Diocesan Expense Assessment Mr. L. B. Slaughter reported that in the case of the parishes of Logansport and La Porte the delinquency was slight and the delegates from these parishes had promised to attend to the matter as soon as they returned home, and that therefore the committee recommended the seating of these delegates. In the case of Michigan City, which was entirely delinquent, the Committee had no recommendation to make.

The Very Reverend the Dean rose to correct the statement of the Committee, pointing out that as the Treasurer's report would show some payment on the Diocesan Expense account from Michigan City its delinquency should not be reported as a full delinquency. The Committee accepted the correction.

Mr. Stuart Mac Kibben, Chancellor of the Diocese, introduced the following resolution, which was referred to the Committee on Constitution and Canons to be reported on at the afternoon session:

RESOLVED, That Section 7 of Canon iii of Title I, found on page 15 of the current printed copies of the Constitution and Canons of the Diocese of Michigan City be and hereby is repealed and the following substituted therefor:

RESOLUTION

WHEREAS, It is to the best interests of the Diocese of Michigan City of the Protestant Episcopal Church that it

form a corporation to take, administer and dispose of property of all kinds for the benefit of this Diocese or of any parish, congregation, society, church, mission, religious, benevolent, charitable or educational institution, existing or acting under the authority of said Diocese, such corporation to be organized pursuant to the Statutes of the State of Indiana in such cases made and provided, the same being Chapter 130 of the Acts of the Sixty-second Regular Session of the General Assembly of the State of Indiana, which will be found at page 299 of the published Acts of 1901.

And, WHEREAS, it is provided in said Statute that the incorporators of such proposed corporation shall consist of the Bishop of the Diocese, the Treasurer and the Chancellor thereof for the time, and in addition thereto not less than two nor more than seven laymen of the Protestant Episcopal church, who shall be residents of the Diocese and shall be chosen in such manner as the legislative body of such Diocese may determine.

NOW, THEREFORE, BE IT RESOLVED: First. That this Diocese form a corporation for the purposes set forth in the Statute hereinbefore referred to.

Second. That the number of laymen, who, in addition to the Bishop, Treasurer and Chancellor, for the time, of the Diocese shall be incorporators of said corporation under the provisions of said Act, shall be three and no more.

That said laymen shall possess the qualifications provided for by the Statute above referred to. That they shall be selected and appointed by the ecclesiastical authority of this Diocese, by and with the consent of the Diocesan Council, and shall each serve for the term of three years or until their successors are appointed and qualify.

Third. The three laymen to be appointed by the ecclesiastical authority in addition to the Bishop, Treasurer, and Chancellor as above stated, shall serve respectively one, two and three years. That they shall determine between themselves by lot as to the respective length of their terms, and that the successor of any person so appointed, and whose term is so determined by lot, shall serve for three years.

Fourth. In the event vacancies shall occur among the three said lay incorporators of the Diocese, his appointed successor shall serve for the unexpired term only of the person whose position he is appointed to fill.

RESOLVED further that the above and foregoing reso-

lution shall have the force and effect of a canon, and shall be Section 7, Canon iii, Title I, of the canons of the Diocese of Michigan City.

On motion of the Rev. Dr. McKenzie, after the customary noonday prayers, the Council took a recess until 1:30 p. m.

Trinity Cathedral,
Michigan City, Indiana,
Wednesday, May 19th, 1915, 1:45 p. m.

The Right Reverend the Bishop resumed the Chair and called the Council to order.

The Committee on Constitution and Canons reported back for the consideration of the Council the motion introduced by the Chancellor at the morning session with the addition of the words "by and with the consent of the Diocesan Council" between the words "appointed by the Ecclesiastical Authority of this Diocese" and the words "and shall serve", etc.

The Reverend Dr. McKenzie then moved that the recommendation of the Committee on Constitution and Canons, as presented by the Chancellor and amended by the Committee, be approved. The motion was seconded and carried unanimously.

The Bishop then nominated as trustees of the Diocesan Corporation Mr. J. F. Kreidler, Mr. Archy Campbell, Mr. L. B. Slaughter. On motion by Dr. McKenzie the Council approved the Bishop's nominations.

The Committee on Constitution and Canons further recommended that the Canon on the Diocesan Board of Religious Education be amended so that Section 2 should read "four clergymen and four laymen to be elected by the Council."

It was moved by Dr. McKenzie that this recommendation be adopted. Motion carried.

The Committee further recommended that this Canon be further amended by the striking out in Section 3 of the passage beginning with the words "At its first meeting" and ending with the words "Each Council thereafter shall elect one clergyman and one layman to serve for three years."

Dr. McKenzie moved that this recommendation be adopted. Motion carried.

Dr. McKenzie then moved that the Rules of Order be amended by the substitution in Rule IX of the words "Diocesan Board of Religious Education" for the words "Committee on Sunday School Work" and of the words "Social Service Commission" for the words "Committee on Christian Education." Motion carried.

Mr. G. T. Vail, Treasurer of the Diocese, then presented the reports of the Committee on Funds and Finance and of the Treasurer of the Diocese, which reports were received and referred to the Committee on Audit of Accounts.

The Chancellor then announced that the three Lay Trustees of the Diocesan Corporation appointed by the Bishop had cast their lots in accordance with the provisions of Title I, Canon iii, Section 7, as amended by this Council, and the result of the lot was that Mr. L. B. Slaughter is to serve for one year; Mr. J. F. Kreidler, for two years; Mr. Archy Campbell, for three years.

Rev. H. R. White then presented the

REPORT OF BOARD OF RELIGIOUS EDUCATION

Held its first meeting at Howe School on July 13, 1914.

Organized by election of Rev. J. H. McKenzie, President; Rev. H. R. White, Secretary, and Mr. W. H. Winship as Treasurer.

Missionary Committee requested to appropriate (not to exceed) \$250.00 to Christ Church, Gary, for a teacher under the Gary plan, that Parish to make an equal appropriation, and with the understanding that the General Board of Missions will give \$500.00 for this same purpose.

Steps were taken to create in each Parish a Parochial Board of Religious Education.

The Curriculum of the General Board of Religious Education was adopted as the standard for work in the Diocese.

Board held second meeting on February 6. Dr. Bradner of General Board of Religious Education presented the mat-

ter of a provincial survey by members of General Board.
Diocesan Board voted to co-operate in survey.

Respectfully submitted,

H. R. WHITE, Secretary.

Very Rev. W. S. Trowbridge then presented the

REGISTRAR'S REPORT

(cf. Appendix C.)

And the

REPORT OF THE SOCIAL SERVICE COMMISSION

(cf. Appendix D.)

The election of the officers of the Diocese being now in order the Bishop appointed Rev. John F. Plummer, Rev. W. W. Daup, Mr. F. R. Parker, Mr. Cosmo Ellwood, as tellers of elections.

Nominations were made for the members of the Standing Committee, the ballots were cast and the tellers retired.

On motion of the Rev. Dr. McKenzie the Secretary was instructed to have four hundred copies of the Constitution and Canons, revised to date, printed and distributed.

On motion of the Rev. L. C. Rogers a vote of thanks was extended to Mr. W. B. Conkey for his kindness in offering to print this issue of the Canons and also for his many kindnesses to the Diocese in printing the Canons and many other matters of Diocesan printing without expense to the Diocese.

Rev. Wm. N. Wyckoff moved to take from the table the amendment to Title IV, Canon i, Section 3 laid on the table by the Sixteenth Council (Journal of 1914 p. 33). Motion lost.

On motion of the Rev. M. M. Day it was

RESOLVED, That the Committee on Constitution and Canons be directed to draft and submit to the next Annual Council of the Diocese a Canon providing for a Board of Estimate which shall prepare and present to each Annual Council a schedule of all money that must be expended

for extra parochial purposes during the ensuing year, and of the amount of such sum to be assessed upon each individual Parish and Mission.

On motion of the Rev. B. F. P. Ivins it was

RESOLVED, That this Council lay upon the Parishes and Missions an assessment for Diocesan expenses consisting of three and one-third per cent of the average current expenses of each cure as reported in the past five Journals; and that of the sum so raised \$500.00 be given to the Bishop for the expenses of his office.

On motion by the Rev. Dr. McKenzie it was

RESOLVED, That this Council lay upon the Parishes and Missions an assessment for Diocesan Missions consisting of twelve per cent of the average current expenses of each cure as reported in the past five Journals and that the Missionary Committee be instructed to continue its present appropriations from the sum so raised to the Educational work at Gary and to the Hungarian Mission at South Bend.

On motion of Rev. Wm. J. Hawthorne it was

RESOLVED, That this Diocese accepts the apportionment for General Mission laid upon it by the General Board of Missions, and that this apportionment be met by laying upon each Parish and Mission an apportionment for General Missions consisting of ten per cent of the average current expenses of each cure as reported in the past five Journals.

The special Committee appointed at the beginning of the Council to confer with the parishes delinquent in their apportionments for Diocesan Missions reported that it had conferred with the representatives of two of these parishes, and that they had promised that their future remittances would be prompt and regular. With the other two parishes they had not been able to confer, as they had no representatives of the laity present at the sessions of this Council.

Rev. B. F. P. Ivins moved that the Bishop's Address be separately printed as soon as possible and sent to all of the Clergy to be read to each of the Congregations of the Diocese upon the first Sunday in June. Motion carried.

The tellers returned and reported that Very Rev. W. S. Trowbridge, Rev. E. W. Averill, Rev. J. H. McKenzie, Rev. L. C. Rogers had received a sufficient number of the votes cast upon the first ballot to constitute an election, and the Clergymen named were therefore declared elected members of the Standing Committee.

On motion of the Rev. E. W. Averill the Secretary was instructed to cast the ballot of the Council for the Rev. W. W. Daup as the fifth member of the Standing Committee. The ballot was cast and the Rev. W. W. Daup was declared elected.

Ballots were prepared and cast for the Clerical members of the Missionary Committee and the tellers retired to count the vote.

In accordance with a motion by Dr. McKenzie the Secretary cast the ballot of the Council for Mr. G. T. Vail as Treasurer of the Diocese. Mr. Vail was declared elected.

In accordance with a motion by Rev. B. F. P. Ivins the Secretary cast the ballot of the Council for Mr. Wm. G. Elliott as Treasurer of Missionary Funds. Mr. Elliott was declared elected.

In accordance with a motion by Rev. Wm. J. Hawthorne the Secretary cast the ballot of the Council for Very Rev. W. S. Trowbridge as Registrar. Very Rev. W. S. Trowbridge was declared elected.

The Committee on Audit of Accounts presented its report.

The Venerable the Archdeacon then presented the

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

Rt. Rev. Father and Brethren:

Your Committee on the State of the Church begs to report an encouraging spiritual outlook. The people of all bodies are looking to the Church in a measure for leadership. All along the line the financial situation is far better than in exclusively secular circles. The Woman's Auxiliary has overpaid its pledge, and with the completion of the Church at Peru, and the wiping out of debts at Hammond, South Bend and Elkhart, beside the application for admission of missions at Hobart, Argos and Hartford City, the support given to the Missionary Committee is the only part of the Diocesan work that has shown deficiency, and we believe that with an honest effort the next year will show this department rising to the occasion in almost every case.

(Signed) W. W. DAUP,
S. W. DAY,
D. J. CAMPBELL,
J. A. BAYNTON, Chairman

The report was received.

The Bishop then announced the appointment of his Examining Chaplains: Rev. John Heyward McKenzie, D. D., L. H. D.; Rev. Marshall M. Day, B. D.; Rev. H. Russell White, B. A.

On motion of Rev. B. F. P. Ivins the Missionary Committee was directed to pay from the funds in its possession the assessment laid upon this Diocese for the General Board of Religious Education.

On motion of the Rev. H. R. White the Diocese accepted the assessment laid upon it by the General Board of Religious Education.

On motion of the Rev. H. R. White the Secretary was

directed to have four hundred and twenty-five copies of the Journal of this Council printed and distributed in the usual manner.

On motion of the Rev. H. R. White the Treasurer of the Diocese was instructed to pay to the Secretary the sum of seventy-five dollars for his work upon the Journals and twenty dollars for the expenses of his office.

The tellers returned and reported that the Rev. B. F. P. Ivins, the Rev. Wm. J. Hawthorne, the Rev. D. LeB. Goodwin, the Very Rev. W. S. Trowbridge, had received a sufficient number of the votes cast on the first ballot to constitute an election, and the clergymen named were declared elected Clerical Members of the Missionary Committee.

In accordance with a motion by Mr. W. B. Conkey the Secretary cast the ballot of the Council for the gentlemen who were Lay Members of this committee during the past year to continue in office. Mr. E. D. Gaston, Dr. G. F. Hitchcock, Capt. H. S. Norton, Mr. J. A. Scott, were declared elected members of the Missionary Committee.

In accordance with a motion by the Rev. B. F. P. Ivins the Secretary cast the ballot of the Council for Mr. E. M. Parker, of Valparaiso, to succeed himself as member of the Social Service Commission.

The ballots were prepared and cast for Clerical deputies to the Provincial Synod of the Province of the Mid-West, and the tellers retired to count the vote.

As instructed in a motion made by Rev. B. F. P. Ivins the Secretary cast the ballot of the Council for

Very Rev. W. S. Trowbridge	Mr. E. D. Gaston
Rev. H. R. White	Mr. G. C. Good
Rev. J. H. McKenzie, D. D.	Mr. L. W. Keeler
Rev. E. W. Averill	Mr. W. H. Winship

as members of the Diocesan Board of Religious Education, and they were declared elected.

The Bishop then appointed as members of this Board the Rev. B. F. P. Ivins and Mr. Z. A. Chandler of Gary.

On motion of Rev. L. C. Rogers, the Council conveyed to the Ladies of the Cathedral Parish its thanks for their

hospitality extended to the members of this Council who were in attendance at the Bishop's Anniversary celebration.

A ballot was taken for the Clerical member of the Social Service Commission to succeed the Very Rev. the Dean retiring. The vote was counted and it was announced that the Very Rev. W. S. Trowbridge had received a sufficient number of votes cast on the first ballot to constitute an election and he was accordingly declared elected.

The tellers returned and announced that the Rev. J. H. McKenzie, D. D., Very Rev. W. S. Trowbridge, Rev. B. F. P. Ivins, Rev. E. W. Averill, had received sufficient votes on the first ballot to constitute an election and the clergymen named were declared elected Clerical Delegates to the Synod of the Province of the Mid-West.

A ballot was taken for Lay Delegates to the Provincial Synod, and the tellers retired to count the vote.

The tellers returned and reported that Mr. W. B. Conkey, Mr. E. D. Gaston, Capt. H. S. Norton, Mr. Stuart MacKibben, had received a sufficient number of votes cast on the first ballot to constitute an election, and the gentlemen named were accordingly declared elected Lay Delegates to the Synod of the Province of the Mid-West.

The Secretary read a communication from the Secretary of the Province of the Mid-West regarding the dues of the Diocese of Michigan City to the Provincial Synod. In accordance with this communication the Treasurer was directed to forward to the Treasurer of the Synod the balance still due, not later than September twelfth of the current year.

On motion of the Rev. L. C. Rogers, after the reading and approval of the minutes, and after prayer and benediction by the Bishop, the Council adjourned *sine die*.

President.

APPENDIX A

The Bishop's Address

To the Clergy and Laity of the Diocese of Michigan City In Council Assembled:

DEAR BRETHREN: As a man I am facing you, a body of men, to consider today the distinguished honor, the privileged position, the part we are playing and have played for two decades, twenty years, in carrying on the work of maintaining, extending and building up the Kingdom of Christ.

Just now we are appalled by the fierce and bloody efforts being made to extend the kingdoms of men,—fierce carnage, widespread devastation, untold misery and suffering, broad fields covered with the dead, and desolation marking every step of progress. No such scenes enter into our survey. We are thinking of the ministrations of life and comfort, of joy and peace, of those called from darkness to light, from death to life, from sorrow to joy, from bondage to the glorious liberty of the Sons of God. I cannot think of any man who has taken any part or occupied any position, however humble, in that privileged work of extending this Kingdom of Grace, this reign of righteousness, this dissemination of blessedness, expressing unconcern for the details of that splendid enterprise. I cannot conceive of any man, be he Bishop, Priest or Layman, treating with indifference the part he is playing in that stupendous responsibility. I cannot think of anyone who has entered into the mind of Our Incarnate Lord expressing apathy or unconcern with regard to that work which engaged all the mind and power of the Christ and occasioned His hallowed sacrifice. I cannot conceive of a man who has for years recited the Canon of the Mass, with its incomparable introduction, who can exhibit indolence and neglect in the smallest detail of that divine enter-

prise. Why, Brethren, that is the business of the Kingdom over which Christ presides and whose operations He directs and guides. The extension of the Kingdom, the carrying of its blessings, the dissemination of its mercies,—if we have no part in that work we stultify all our professions of faith and obedience. That is our main business, our *raison d'être*. Without it we have no claim upon the respect of men, no ground upon which to base our further prosecutions of our work. It is for this reason that I venture this morning upon a review of these twenty years and challenge you to an inquiry as to what has been your contribution to this work.

First, let me briefly run over that portion of our work which relates to the time since we were last assembled in Council. Then I was too feeble to do more than read my Annual Address and was forced to call the President of the Standing Committee to occupy the chair for me. I have every reason to express profound gratitude to God who has mercifully restored me to sufficient health and strength to permit of the discharge of my ordinary duties with fair efficiency. I trust that I may still further partake of His mercies and in good time find myself quite well and strong again. I keenly appreciate the courtesy and consideration which you have given me in such abundant measure during the period of my partial and imperfect service. For your many prayers and tender sympathy expressed in many ways I convey to you my grateful thanks. They are the best rewards you can give me for the years in which I have tried to serve you faithfully and unselfishly. Though I was obliged to remain in the Sanitarium from the time of the Council until the first of October, yet the records of the year's work do not show any marked diminution, I am glad to say. The gracious courtesy of the clergy in putting their confirmations at a time when I could take them has enabled me to discharge most of my duty. The Bishop of Indianapolis kindly took the visitation in June for me at Marion and Gas City, and the confirmations in those two parishes were made by him.

It is my custom in my Council addresses to make mention of those who have been called from us during the year to the rest of Paradise. I think there have been more deaths among the Bishops of the church, and more consecrations, this year than in any year of my Episcopate. This is the more notable as most of those who have died have been of the younger Bishops.

This list includes The Rt. Rev. John Scarborough, D. D., one of the most venerable and beloved of our number and for

many years Bishop of New Jersey; the Rt. Rev. Franklin Spencer Spaulding, D. D., Bishop of Utah, whose sad and premature death was caused by an automobile accident; the Rt. Rev. Robert Strange, D. D., Bishop of East Carolina; the Rt. Rev. Charles Scadding, D. D., Bishop of Oregon; the Rt. Rev. Henry Douglas Robinson, D. D., Bishop of Nevada; the Rt. Rev. William Farrar Weeks, D. D., for two years Bishop Coadjutor of Vermont.

Within our own Diocese two most devout and godly women have been called from us,—Mrs. R. L. Higginbotham of St. Mary's, Delphi, and Mrs. E. A. Jernegan of St. Paul's, Mishawaka. Both were identified for many years with the parishes and communities I have just named. Both were in the real meaning of the word, "a mother in Israel." I can hardly make distinction between them in speaking of them. Mrs. Higginbotham's life and love and work were inseparably linked with St. Mary's, Delphi; and of St. Paul's, Mishawaka, it may be said that Mrs. Jernegan's loving and devoted influence was closely identified with every feature of parish life and work.

"May they rest in peace and may perpetual light shine upon them."

Since the first of October I have made such visitations as possible, the record of which will be found in the appended Journal, with its Summary. I pause for a moment to give you notice of the unusual that has entered into our records. Of first importance and chief interest I think is the completion of the beautiful new church at Peru. The people of Trinity Parish deserve our most affectionate commendation for the heroism with which they have accomplished their task under unusual difficulties. They had just started the work of building a new church when the floods of two years ago came upon them and spread such general injury to the whole community as to well-nigh paralyze all their efforts. They have kept bravely on, working with indefatigable energy, until at last they are abundantly rewarded in the possession of one of the most beautiful and in some respects the best constructed churches in the Diocese. This has not been accomplished without some debt. I trust it is not so heavy but that it can be carried without great difficulty and may be entirely removed in the near future.

In this connection I desire to record and commend the splendid work of one of the youngest of our Missions,—The Good Shepherd, East Chicago. Twelve months ago there were some sixteen communicants of the church in East Chicago who had an afternoon service in a hall. Through the commendation of your Missionary Committee I placed the Rev. Thomas Hines

in charge of that Mission. The work of the year has brought this result: Today they have a most commodious church, on which they have expended thirty-six hundred dollars, in which a goodly congregation worships every Sunday. I have held two confirmations during the year. The number of communicants has increased to seventy-one, and, best of all, they have met all their obligations to the Diocese and to General Missions.

Next I take pleasure in recording the splendid work done and being done in St. Albans Mission, Indiana Harbor. In four years they have acquired their lots, built and paid for their Mission House, paid all their obligations to the Diocese and General Missions, and on my visitation two weeks ago the priest in charge and his finance committee informed me they had twenty-three hundred dollars in bank and were about to begin the erection of their parish church.

Trinity Hungarian Mission, carrying on their work under great difficulty and in these very hard times when many of the men are out of work, have yet secured a modest but very attractive little church, which has a small debt yet on it but which I blessed on Christmas Eve.

Shortly after my return from the Sanitarium I had the privilege of blessing the new Lady Chapel added to St. James Chapel, Howe School, and of celebrating the Holy Eucharist at its altar for the first time.

The Rev. A. M. Judd is doing splendid work in Trinity, Kendallville, and Emmanuel, Garrett, where renewed life and activity are very manifest.

So much for this chapter of progress. St. Paul's Church, Hammond, has led us all in setting a standard of quick and efficient work in clearing up its debt of eight thousand dollars. In three days the vestry inaugurated a movement to clear off the obligations by selling bonds which provided for the payment of principal and interest in three years, so that when I made my visitation the first Sunday in Advent a most jubilant greeting was given me in the shape of assurance that the whole cost of the enrichment in the church had been provided for. The Rector added to my happiness by presenting a class of forty-seven for confirmation. I may add that no complaint has come to me from this parish of the oppressiveness of parish assessments, but that all have been met with the same zeal as parish work has been done. This sort of work is contagious. So it came to pass that early in January the men of St. James, South Bend, determined that it could be done there as well as elsewhere. They, too, threw themselves into their self-imposed task with such success that on Easter morning I was

privileged to make the announcement that nine thousand and two dollars, covering all outstanding obligations, were in the hands of the treasurer in the same way. Nor have I heard from this parish, or anyone in it, any complaint during the year that their general obligations were oppressive. They too are all paid.

St. John's Church, Elkhart, too, caught the fever, and at Easter raised sixteen hundred dollars to cover all its obligations, and are very happy in doing so.

Trinity Church, Fort Wayne, has made no great changes in its buildings. As it is the largest parish in the Diocese, so it bears the heaviest burden of the general load. I have never heard a word of complaint from rector or people. Their obligations have all been met this year cheerfully and fully, as they always are.

In June of last year the Rev. Charles F. Westman became Rector of Trinity Church, Logansport. With commendable energy he has given himself to the task of reviving the work of that parish, bringing its finances to a point where its current expenses could be met and the arrearages of past years be paid. I have not been asked to remit anything that the parish justly owes. My judgment is that great patience should be extended to a new rector and his parish in their effort to meet a lot of old obligations inherited from the past. Coming to the work of the Archdeacon, I can only speak words of commendation for the devotion he is putting into his work without a single complaint. His two and one-half years' of service has brought quite as good results as should be expected when we consider the means he has to work with and the difficulties of the field in which he serves. As a result of this service he has developed and is ministering to a flourishing Mission in Huntington. He has organized and is ministering to a mission in Argos, where we have never been represented before. He has begun a most promising work at Hartford City, which encourages us to hope for a strong Mission in the near future there. He has restored the property at Rochester and is holding occasional services there and in addition has given good service to a number of the clergy at times in their parish work. He is at all times a bright and encouraging helper to your Bishop.

The Woman's Auxiliary of the Diocese have done a most admirable work this year. The new officers have brought to their task a degree of enthusiasm and energy which is truly commendable and has resulted this first year in almost doubling the contributions of past years as well as awakening through the Diocese a larger and very much brighter appreciation of this

valuable organization and its important work. Had it not been for their splendid contributions your Missionary work would have been in a chaotic condition very early in the year. The President of the Auxiliary has with great wisdom arranged for a system of District meetings during the year which have been most successful and contributed largely to the increased efficiency of the organization.

In the mission field I have organized one new mission during the year, St. Stephen's at Hobart. This is the fruit of the labor of Father Williamson in parts adjacent to Valparaiso.

There have not been many changes in the Diocese during the year, I am thankful to say. The Rev. Cleon E. Bigler has resigned the Missions at Kendallville and Garrett to accept the curacy at Christ Church, Woodlawn, in the Diocese of Chicago, and almost immediately the Rev. Archibald M. Judd accepted the work left vacant, and has done splendid service during the winter. The Rev. William N. Wyckoff has resigned the Rectorship of Christ Church, Gary, and the Rev. Benjamin F. P. Ivins has been elected to that parish and was instituted as Rector on the third Sunday after Easter. This left a vacancy in the faculty of Howe School, which was filled by the Rector in the appointment of the Rev. George Taylor Griffith, who has been transferred to this Diocese from the Diocese of Chicago. I have received the Rev. Charles F. Westman from the Diocese of Western Michigan, and the Rev. George Taylor Griffith from the Diocese of Chicago, and have transferred the Rev. Francis M. Banfil to the Diocese of Massachusetts. I have held no ordination during the year. I have accepted Mr. Lucien Frank Sennett as a Postulant for Holy Orders and have advanced Mr. Ray Everett Carr and Mr. James Horton Bishop to the standing of Candidates for Holy Orders.

I have issued licenses to six Lay Readers. I have given my consent to the consecration of nine Bishops Elect, and was one of the Consecrators of the Rt. Rev. Walter Taylor Sumner, D. D., Bishop of Oregon.

During my illness I transferred the care of Trinity Hungarian Mission to the Standing Committee, who were most kind in relieving me of that burden.

As a whole, the Diocese is in excellent condition, and so far as I know the various parishes and missions exhibit marked improvement. There is but one feature of our work that exhibits lamentable neglect in some quarters, and of that I must speak with some vehemence. Our Diocesan Mission work is seriously imperiled by the apathy and indifference of some of our parishes with regard to their obligations. At the last

meeting of the Missionary Committee the Treasurer reported a shortage of about sixteen hundred dollars during the year. This has embarrassed us ever since our last Council. Unless this is turned into the treasury at once your Missionary Committee will not be able to provide for the work the coming year and your Bishop will be obliged to close some of the work now being done. This would be a lamentable misfortune. In discussing this grave question, for which some remedy must be found, let me say that our Missionary work is our all important work. We have no other. The moneys expended in increasing this branch of our service are voted by yourselves in Council. You cheerfully increased that amount last year to meet special calls. At the time I directed your attention to the fact that this would add considerably to your parish assessment, but you bravely met the issue, and without a dissenting voice voted the appropriation. Some men seem to find pleasure in keeping silent during these discussions and then growling during the year about the burdens laid upon them. Here is the place for all this discussion. This morning I want to take issue with those who expend their energies in finding fault without the least perceptible effort to meet their obligations or any part of them. If it is not the business of a rector to concern himself with this most weighty and important matter, whose business is it? The Rector is a member of the Vestry and its Chairman. It is the weakest kind of cowardice to say this is no business of mine. Men who have themselves been in Mission work and accepted the stipends voted by the Missionary Committee ought to be ashamed to exhibit this kind of unconcern the moment they step into parochial relations and no longer feel the need of missionary aid. I want to say that it is an exceedingly poor type of churchmanship that adopts that course. Some steps must be taken by this Council to insure the payments of these obligations, or our Mission work must be demoralized.

In the first place, dear Brethren, the parishes in this Diocese are not burdened with excessive extra-parochial assessments. You have no burden whatever resting upon you for the support of your Bishop. That is all provided for by the Endowment Fund. You would realize this if every year you were under the necessity of paying one or two or three hundred dollars toward the salary of the Bishop, as many parishes in the church have to do.

In the next place, you have no demands upon you, as many have, for the maintenance of hospitals, children's homes, and the care of the aged and infirm. You are left absolutely free

to devote as much power to the expansion of the church in this Diocese as you are disposed to. Some of our parishes are making a very unenviable record by expending all they raise upon themselves and in addition complaining incessantly that the assessments are so heavy and that they cannot meet them. The real trouble is that in some places the matter of meeting them is of no concern and no effort is made to do so.

There is, however, a much more serious aspect in this matter which appalls. The misappropriation of funds is a penitentiary offense. It is a no less heinous offense when committed by a vestry than when committed by a banker. If I put a dollar in the end of my envelope designated for the extra parochial purposes and the Vestry appropriates that to parochial purposes, they are guilty of theft. They are not clothed with authority to divert my offerings to any end they may choose. If I were a layman in a parish and the Vestry took such liberties with my offerings they would certainly hear from me. When a clergyman informs me in my office that his treasurer has two hundred dollars in this account which he will have remitted immediately, and no remittance ever comes, I can only infer that either I was misinformed or that the funds have been diverted to some other end. When the women of a parish tell me that they have raised the entire amount of the year's assessment and placed it in the hands of the Rector, but that no remittance appears from that parish during the year, I can only infer, as before, that I have either been misinformed or that the funds have been willfully diverted.

Now, my dear Brethren, it is a pretty serious business for a Bishop to find himself in a position where he must institute an investigation to ascertain whether the business of the Diocese is being done honorably and honestly. That is, without apology, exactly the position in which some of you are putting me with regard to these Diocesan obligations.

I submit herewith a list of the parishes in arrears, with the amount of such arrearage; and I am going to appoint now a committee of three laymen, namely, Mr. I. Alvin Scott, Mr. E. D. Gaston and Mr. W. B. Conkey, to confer with the delegates from these delinquent parishes and to report to the Council after its organization what is to be done about this terrible shortage of sixteen hundred dollars.

At this point I beg to insert the tables of work for the past year:

A profitable one day's retreat was conducted at Howe School through the courtesy of the Rector by the Rt. Rev. the Bishop of Milwaukee. Twenty of the clergy availed themselves of the privilege thus extended to them and I am sure were greatly benefited for their winter's work.

Two Missions have been given during the year by Father Huntington of the Holy Cross Order; one in Gethsemane Church, Marion, the other in St. James Church, Goshen. These Missions have contributed much, I am sure, to the prosecution of Church work. In this connection may I say that the Order of the Holy Cross are issuing a most valuable series of tracts on the fundamentals of religion. They have been submitted to me for examination, and I most cordially commend them for general distribution in your parish work.

I desire to speak most earnestly of the special appeal sent out from the Mission House for additional offerings to meet the deficit of \$450,000 which presses upon the Board. I beg of you, one and all, to help as far as you can. If you cannot contribute to this appeal, one thing you can do, and one thing you ought to do immediately, is to see that your apportionment for this year is raised and remitted to Mr. George Gordon King before the 1st of June. If it cannot be done in any other way, get busy as soon as you return home from this Council and make a personal canvass of your parish and solicit the amount you need to liquidate your obligation. I say to each one of you, my Brethren, that your personal honor is involved

in this matter. Unless you do your duty in this hour of the Church's necessity you will be unworthy of further commendation in your own work. Act, and act now.

May I without impropriety close this Annual Address with a modest review of the work of these twenty years of my Episcopate? I do so with three objects in mind. First, to preserve among the records of the Diocese a simple history of its progress. Secondly, to dissipate as far as possible the impression that often finds place in the minds of even our own people, that with all our effort the Church is standing still and really making no progress. And lastly, to do proper honor to all those who have been prominent actors in this work and to fortify our own minds for the task which God still has for us to do.

I count as of chief and highest importance the great change that has taken place in the spiritual life of the Diocese,—the valuation which the children of the Church have come to place upon Holy Church herself and her ministrations, and the dignity with which they should be clothed and ministered. This has taken place so gently and so gradually that I doubt if many of you fully realize its extent. One sometimes wonders how the church can grow where there is such a miserable, poor, impoverished estimate of her worth among those who constitute her supporters. Few of you can understand how appalling was the outlook to me as I made my first visitations. As a rule, the church buildings were a sad sight, miserably poor, sadly neglected, with small congregations, having no concern for the niceties of public worship, and devoid of enthusiasm; almost nowhere an early Eucharist. Where one was found it was tabooed and used by one or two and no more. The music was poor, as a rule. Vested choirs were almost unknown, and the Church seemed not only to be making no impression on the community but also little upon herself. All that is changed today. From one end of the Diocese to the other there is a deep and growing knowledge of the Church's divine character and with it a holy reverence for her ministrations. Beautiful churches have taken the places of the decaying structures of twenty years ago, reverent care is bestowed upon the rendering of the services and all their appointments. Beautiful music by well-trained choirs everywhere add to the dignity of Holy worship. In every parish and mission in the Diocese there is an early Eucharist with ever-increasing attendance. The instruction that goes with it is bearing fruit everywhere. The importance of making suitable preparation before approaching the altar and of coming first and fasting are more and more recog-

nized and adopted. Best of all this reformation has taken place without angry controversy and unhappy divisions ministering rather to retard the Church than to advance her interests. This is the real work of the Church, to deepen the spiritual life of her children. It is the necessary and preliminary step to that other work of making a deep and lasting impression on the community.

So I say, thankfully, that during these years we have been laying foundations on which notable work will be done in the future. The Church will not soon relapse into that old life of indifference and apathy. Having come from darkness to light, never, I trust, will it lapse into its past poverty and squalor. For this abundant blessing on our labors may God's holy name be praised!

Next in importance and value I account the Missionary work of the Diocese and the blessing that has come to our honest effort to do the Master's bidding in spreading the Kingdom. I have spoken to you some pretty stern words this morning on this subject. Some of you may have thought them harsh. They were not intended to be such; only strong words designed to awaken you to a sense of the injury you are inflicting on the Body of Christ when you refuse to do your duty in this matter.

The missionary work of the Diocese has been very dear to my heart these twenty years. Yet one almost laughs derisively when one thinks what a little thing it has been. Three or four or five thousand dollars a year, furnished by yourselves and the Board of Missions in New York in about equal parts, is all we have had annually with which to project and carry on new work in this most important region. And yet, dear Brethren, look at the result. And if you are not ashamed of your hostile attitude to our Diocesan Mission work, you ought to be.

Twenty years ago St. Paul's, Hammond, was a Mission of this Diocese. It had been very poorly administered. The devotion of two or three families was all that kept it alive. Its buildings hardly deserved the name of church and rectory. Its little congregation were discouraged, and yet always ready to accept their Bishop's provision. Today St. Paul's, Hammond, ranks among our best parishes. Its church has been rebuilt three times and its little rectory done over once. It is brimful of enthusiasm. Having worked itself out of trouble, it is now cheerfully ready to help every other good cause that is entitled to its help.

Missionary work not worth while, did I hear you say?

Twenty years ago there was no such place as Indiana Harbor. Today St. Albans Mission is putting some that are older to shame by the vigor with which it is doing its work and leaping into its majority. In four years they have secured their lots, built and paid for their mission house, costing twenty-five hundred dollars, and at my last visitation the Priest and his Finance Committee told me they had in bank twenty-three hundred dollars toward the church and proposed to begin its erection immediately. Did I hear you say Diocesan Missions were of no importance?

Twelve months ago in East Chicago there were fourteen communicants of the Church who were limited to an afternoon service in the Odd Fellows Hall. I appointed the Rev. Thomas Hines to the charge of the Mission of the Good Shepherd. Today they have an exceedingly pretty church on which they have expended thirty-six hundred dollars. I have made two visitations to this Mission, confirming six and twelve. There are now seventy-two communicants. I am glad to add with all the struggle made in these two youngest Missions during the past year both have paid all their assessments without a murmur. Did I hear you say Missions don't pay?

Twenty years ago there was no such place as Gary in the Diocese. Now there is a splendid parish with a beautiful stone church and modest but very comfortable rectory, and giving promise of being the peer of any among her sister parishes. Doesn't the Missionary work pay?

Twenty years ago there was no Mission at Valparaiso. You now have a Mission there with some seventy communicants possessed of valuable property, very centrally located, on which there is a comfortable church and rectory now almost paid for and doing a valuable work, not only in the town but also in the great college located there. What did I hear you say about the Missionary work of the Diocese?

Had you gone to Kokomo as a churchman twenty years ago you would never have wanted to go again. The church was literally in contempt among the people. It had failed, and false trustees had robbed it of all its funds and left it heavily in debt. It has been no small task to live down that hostile public sentiment. Praise be to God! we now have within one block of the Court House a splendid property on which is a fine Mission house costing five thousand dollars, the whole being worth fifteen thousand dollars. St. Andrew's Mission is doing a most commendable work and will come into its heritage yet. And the Missionary work of the Diocese is of no importance?

The people of St. Paul's, Gas City, have moved their church from a poor location, between Gas City and Jonesborough, to a central site in Gas City, and are doing exceedingly well. The Missions at Kendallville and Garrett have not shown much growth, but have been faithfully ministered to all these years. St. John's, Bristol, one of the oldest parishes of the Diocese and in some respects one of the most unique—a little parish in a village of five hundred people—continues to minister faithfully to the community because you have helped to sustain its work.

Last in this enumeration comes our Hungarian Mission in South Bend. Two years ago three hundred Hungarians, with their Priest, came to me asking for a home and ministrations in this church. I could not have cared for them without your valued and generous help. They have had a hard time this winter. Many of them have been out of work. They have struggled on. They have a modest little home in the western part of the city partially paid for, where Father Kubinyi is daily ministering to them. It was for them in part and to enable me to care for them that you voluntarily increased your burdens last year. I do not question but that God will bless and prosper you for your ready and willing spirit to do His work.

Finally, dear Brethren, a baby has been born in our Diocesan home this year—St. Stephen's Mission, Hobart. This is my report to you of that department of service for which the Church makes her Bishops solely responsible. I thank you from the bottom of my heart for the support you have given it in the past and bespeak for it in the future your sympathy, your prayers and your generous gifts.

Having given precedence to the Spiritual and Missionary aspects of the Diocese, let me call your attention to the improvement in our material condition. Material improvement in a way reflects the development of religious fervor. And so we are not unprepared for the report I am now to make. You are all more or less familiar with what has been going on, and yet I venture to say that not one person in this Council could with any accuracy appraise the betterments that have come to the Diocese during these twenty years. You will all, I think, be startled when I tell you that those betterments will amount to six hundred and fifty thousand dollars. In summarizing these I only give approximate figures. It would be impossible to get exact figures.

First of all, the Endowment Fund, which has been entirely acquired, is now seventy-seven thousand dollars. Since my going to Michigan City in 1898 the Cathedral property has been im-

proved to the amount of twenty-five thousand dollars and the debts have been paid. During Dr. McKenzie's rectorship of Howe School its property has been improved to at least two hundred thousand dollars and an endowment added, the amount of which cannot be stated, owing to the fluctuation of the stock market, it being principally in Calumet and Hecla stock. St. John's, Elkhart, has built a beautiful stone church to replace the little wood edifice and has paid all its debts. St. Paul's, La Porte, has built a fine stone church in place of the old wooden structure and paid all its debts. St. Paul's, Mishawaka, has a fine new church and rectory to replace the old wooden structures. St. Thomas', Plymouth, has built a fine stone church, the little wooden structure still standing to evidence the improvement. Trinity Church, Peru, has its most beautiful new church. Trinity Church, Fort Wayne, has cleared off all its debts and added much valuable improvement, all of which has been paid for. Gethsemane, Marion, has greatly enriched the interior of its church, made many improvements in its rectory, and added its Parish House. St. Mary's, Delphi, has built a new church without debt. St. James', South Bend, has provided for all its debt. The little church at Wawasee has been built, and Trinity Hungarian Church has been built. In addition all the work already enumerated at Hammond, East Chicago, Indiana Harbor, Gary, Kokomo, and Valparaiso, which is new work, has been paid for except about eight hundred dollars still remaining on St. Andrew's, Valparaiso. This does not include the little work of improvement in parish property that is constantly going on.

I know of no properties that have been absolutely lost to the church during my Episcopate except a little church at Huntington, on which the mortgage was foreclosed because the people were too apathetic to try to save it.

With this review I think you will agree with me that I have every reason to be thankful for the blessings that have come to my Episcopate. I have been surrounded, as a rule, by a body of loyal, courteous, faithful and affectionate clergy; and it is to their devoted service and the cordial co-operation of the laity that this splendid record has been made. If the next twenty years are as fruitful of consecrated service, the Diocese will have won for itself a place in the American Church which will have justified its creation.

APPENDIX C

Report of the Registrar

The Registrar begs leave to report that all Diocesan journals received by him have been duly filed. He has built a set of shelves next to the Bishop's Library large enough to accommodate all Diocesan journals, without duplicates, that may be sent during the next five years. Some Dioceses are not represented in this file except with one or two years. Our own Diocese needs some back numbers of its Journals with which to comply with requests from abroad for our Journals for the special needs of private individuals, historical reasons being given as the ground of their requests. The Registrar would be glad to receive copies of old Journals, therefore, in order to fill up our files.

(Signed)

WALTER S. TROWBRIDGE, Registrar.

APPENDIX D

Report of the Social Service Commission

It was not possible to hold any meetings through the year at which all the members of the Commission could be present and which would be representative of the whole Diocese. District meetings, however, were planned, only one of which, through adverse circumstances, could be held. A very successful meeting for the southern portion of the Diocese was held in Kokomo early in December, at which there was an attendance of over fifty men. This number were served by the church women of Kokomo with a delightful supper, after which addresses were given by Mr. Eugene Parker, Fr. White, and Dean Trowbridge. One of the speakers pledged for the occasion failed to come and those who were in charge of the program were greatly disappointed, for the person absent is the best informed layman in the Diocese. He was correspondingly missed. While the attendance from other parishes was not large, those who did come felt that the meeting had been a very profitable one. The men of the Kokomo congregation were especially enthusiastic, and hope for another meeting in the near future. No offerings have been made by any of the parishes for the expenses of the Commission this last year. The help of the Diocese in this respect is greatly needed and strongly urged by the Commission if it is to be enabled to do any aggressive work.

(Signed)

WALTER S. TROWBRIDGE, Chairman.

Mrs. White made a motion that the sectional conferences be continued. The motion was seconded and carried.

Study classes were announced for the afternoon.

On motion the meeting was adjourned to meet after lunch.

Lunch was served in the Parish House.

Commencing at two-thirty in the afternoon normal classes were held in the Church. These classes were lead by Mrs. George Paul Torrence of Lafayette, and Miss Elizabeth Thomas of Detroit.

Sectional conferences were held at three-forty-five, and at four there was a model Junior Auxiliary meeting. The officers of the

Marion and Gas City Juniors conducted the meeting and introduced Mrs. Torrence, Miss Thomas and Miss White, who gave talks on the work of the Juniors and Little Helpers.

At seven-forty-five in the evening there was a Missionary Service in the Church. At this time representatives from the conference of the Disciples of Christ, gave greetings from their Society to the Auxiliary. The Bishop preached his annual Missionary sermon to the Auxiliary. The offering, which was for Diocesan Missions, amounted to \$7.00.

MAY 14

There was a celebration of the Holy Communion at seven-thirty in the morning. Father Johnston was the Celebrant. Breakfast was served in the Parish House.

Normal classes were held until eleven. At eleven Mrs. Frederick B. Stevens, President of the Michigan Branch, addressed the Auxiliary. Mrs. Stevens explained how the work of the Auxiliary was carried on in the Diocese of Michigan and gave many helpful suggestions. Mrs. Stevens' talk gave a feeling of encouragement to all present and made all feel that they were part of a large organization.

Lunch was served in the Parish House. Normal classes followed. After the classes there were short sectional conferences. Reports from these conferences were given. Each section planned not only to have district meetings, but also neighborly meetings.

There were many expressions of the helpfulness of the meeting and institute, and Archdeacon Baynton, for the Clergy, stated that the meeting had been helpful to them also.

The President received an invitation from Dr. McKenzie asking the Auxiliary to hold the next annual meeting at Howe School. The invitation was accepted.

The Secretary's minutes were read and approved.

On motion the meeting was adjourned.

EDNA JOHNSON,
Recording Secretary.

REPORT OF THE PRESIDENT

MEMBERS OF THE AUXILIARY:

We have met together for the Seventeenth Annual Meeting the Michigan City Branch of the Woman's Auxiliary to the Board of Missions. At the last Annual Meeting in St. James' Parish, South Bend, we departmentized our work a little more, and with this in view, appointed a Secretary of each of the following departments, viz: Junior Auxiliary, Little Helpers, The United Offering, Church Periodical Club, The Spirit of Missions, and a Diocesan Circulating Library. Today we shall hear from the various Secretaries as to their special department and the strength and weakness of each will be used as stepping stones to greater efficiency in the future.

Each department is necessary to the whole and other departments will be added from year to year as the Auxiliary grows in zeal and enthusiasm. The Secretaries have given most generously of their time and energies to the building up of their departments, and our greatest wish for the Auxiliary is that the Triennial of 1916 will

find the Michigan City Branch in working harness, proving itself a necessary force in every parish and mission of the Diocese.

This meeting works the advent of the Institute into our Auxiliary, and the Fifth Province has responded most generously to our call for help. Mrs. Stevens and Miss Thomas, of the Michigan Branch, and Mrs. Torrence, of the Indianapolis Branch, have come to give us of their store, and I feel that we shall return to our homes with a clear outline of study to present to our home parish for the coming winter's work.

I cannot close these remarks without expressing my appreciation of the co-operation the Auxiliary has received from the clergy throughout the Diocese, and the reports of the District Meetings will testify as to their helpfulness.

The following are the activities of the Auxiliary the past year. Conference of the Missionary Education Movement, Lake Geneva, August 3, 1913:

Respectfully submitted,

ALICE GOLDTHWAITE,

Diocesan President.

REPORT OF THE RECORDING SECRETARY

At the Annual Meeting of the Woman's Auxiliary, held in South Bend, in May, 1914, it was decided to divide the Diocese into three Districts, each District to hold meetings for the purpose of promoting interest in the work.

The Michigan City District held its first meeting in Michigan City, October 22. Fifty-six were present at this meeting. The second meeting was held in Hammond, January 20. Forty-eight were present at this meeting. Mrs. Charles Egbert was chairman of the District.

The first meeting of the South Bend District was held in Bristol, October 7. Sixty-two were present. The second meeting was held in Goshen in January, and thirty-nine were present. Mrs. J. H. White was Chairman.

The Fort Wayne District also held two meetings. At the first, held in Logansport, November 6, fifty were present. The second meeting was held in Kokomo in January. Forty-two were present at this meeting. Mrs. J. H. Baynton was Chairman of the District.

In each District the meetings were preceded by a celebration of the Holy Communion, and the noon-day prayers for Missions were read.

It will be seen from the reports that the aim for the meetings was realized. A total attendance for the six meetings of 291 shows an interest and a desire for what these meetings have to give. All Districts reported helpful, enthusiastic and enjoyable meetings.

A comparison of the programs shows that the Auxiliaries all over the Diocese have made a study of the main points necessary to well informed members. It also shows the co-operation of the clergy.

all were present at one meeting at least, and gave very helpful talks.

Collections were taken at all meetings, together with the services, and the programs, the aim of Auxiliary members was fulfilled: Prayer, Study and Giving.

EDNA JOHNSON,
Recording Secretary.

REPORT OF THE SECOND VICE-PRESIDENT

(Little Helper Report, 1914-1915)

Pray every day: "God bless the Missionaries all over the world, and all the Little Helpers for Jesus sake, Amen." Through the past year, this has been the first instruction to every new Little Helper, and surely in our Diocese, the prayer has been answered.

This is the first Diocesan Birthday for our Little Helpers. Before the last annual meeting, three branches, one in Marion, one in Howe, and one in South Bend, were working independently. Since May, 1914, ten new branches have been organized under Diocesan Leadership, and each reports spontaneous enthusiasm among the children.

All but three of the branches work through the Sunday School Infant Class. This has permitted the children to celebrate each other's birthdays in the presentation of their birthday offerings, which go to support children's hospital cots and kindergartens in mission stations at home and abroad.

One Sunday of each month has been devoted to mission study work for the children, and during Lent, special memory work adapted from the Missionary Catechism was found generally successful.

The Little Helpers of three parishes met each Saturday during Lent to work on their gifts for Junior Boxes.

The first Sunday in May each branch of Little Helpers made an offering for the Little Helper Diocesan expense fund. Out of this fund one dollar will be sent to the general Font Fund, which places baptismal fonts in mission stations. The remainder of the fund will defray the expense of sending out:

For these encouraging figures we are profoundly thankful; but this is merely a beginning of a higher, holier work. The Little Helpers include all children from baptism, and only can our work grow as it is heartily supported by the Woman's Auxiliary. The Little Helpers message must be carried into homes where mothers and child unite in prayer and offering. Will each one of you go home and inform yourselves of the work of your church children, then give them your loyal help only that they may become a strong foundation of our future Auxiliary and general missionary work of the church, so hastening the coming of Christ's Kingdom?

Respectfully submitted,

MARY MAY WHITE,

Diocesan Little Helper, Secretary.

The Chancellor of the Diocese then presented a verbal report which, at the request of the Chair, was later reduced to writing, as follows:

REPORT OF THE CHANCELLOR

To the Council of the Diocese of Michigan City.

Gentlemen: I herewith submit to you report as Chancellor for the past year.

Acting under authority of the resolution passed by you at your last meeting regarding the incorporation of the Diocese I immediately proceeded so to do. Articles were filed with the Secretary of State, who on July 17, A. D. 1915, issued his charter incorporating the Diocese. The incorporators met at Michigan City on September 7, 1915, and organized as follows: President, ex-officio, Bishop John Hazen White; Vice President, Archy Campbell; Treasurer, G. Truesdell Vail, ex-officio; Secretary, Stuart MacKibbin; Auditor, Leon B. Slaughter; Investment Committee, Archy Campbell, J. Fred Kriedler, G. Truesdell Vail.

All the personal property and securities held by the Bishop as trustee were by him immediately turned over to the corporation, who receipted to him therefor.

Eleven pieces of real estate also were held by him, and some delay was experienced owing to the difficulty in one case of securing possession of the deed and also obtaining a description of the property.

However, on May 22, I presented to the Superior Court of Elkhart County the petition and resignation of Right Reverend John Hazen White as trustee. In this he set forth to the Court his desire and the desire of the Diocese that he resign and transfer these properties to the corporation, with the exception of the property at Hammond. The church at Hammond having become a parish and incorporated, it was their desire and right to take title to their property.

The Judge of the Elkhart Court made an order at once accepting the Bishop's resignation as trustee and empowering him to transfer to the corporation the properties at Vawter Park, East Chicago, Indiana Harbor, Gary, Valparaiso, Kokomo, Rochester, Garrett, Kendallville and Bristol, and the Hammond property to the Rector, Wardens and Vestrymen of St. Paul's Protestant Episcopal Church at Hammond. Deeds have been executed and will be delivered during the coming week.

Application was made to the Elkhart Superior Court for two reasons. In the first place it was necessary to go into the Court of some County where real estate was located, and second, this was the most convenient place to go.

Dated: South Bend, Ind., May 22, 1916.

Respectfully submitted,

STUART MacKIBBIN, Chancellor.

Rev. John F. Plummer presented the

REPORT OF THE COMMITTEE ON AUDIT OF ACCOUNTS

Your Committee begs leave to report that it has examined the reports and books of the Treasurer of the Diocese and of the Missionary Treasurer, and finds them correct as reported.

(Signed)

JOHN F. PLUMMER.

COSMO C. ELLWOOD.

The Very Reverend Walter S. Trowbridge presented the

REPORT OF THE REGISTRAR

Michigan City, Ind.,
May 1, 1916.

The Registrar begs leave to state that all Journals from other Dioceses that have come to his office have been duly filed and are open to inspection. Beyond this simple routine nothing has fallen to the lot of the present incumbent this year.

(Signed)

WALTER S. TROWBRIDGE, Registrar.

For the Committee on Constitution and Canons the Rev. John H. McKenzie, D. D., reported favorably on the following proposed canon to create a Diocesan Board of Estimate:

TITLE I, CANON V

Section 1. The Right Reverend the Bishop, the Treasurer of the Diocese, the Treasurer of Missionary Funds, and two Clergymen and two Laymen elected annually by the Council, shall constitute the Board of Estimate.

Section 2. The Board of Estimate shall hold such meetings as may be deemed necessary for the prosecution of its work, at which meetings the attendance of five members of the said Board shall be necessary to the transaction of business.

Section 3. Not less than sixty (60) nor more than ninety (90) days prior to the Annual Council of the Diocese the said Board shall submit to the Clergy, the Parishes, and the Organized Missions of this Diocese a budget of all probable necessary expenditures for the carrying on of the administrative and Missionary work of the Diocese, including all apportionments and assessments for any purpose imposed upon the said Diocese by the Province of the Mid-West or by the Church in the United States of America, during the ensuing year; together with a statement of all probable income from all sources.

This shall in all cases be accompanied by a statement of the sums to be levied by way of apportionment or assessment upon each cure within this Diocese.

In determining the amount of these apportionments or assessments the Board shall not confine itself to the consideration of any single item or group of items of the Annual Parochial Reports, but shall take account of all ascertainable conditions within the Parish or Mission; to which end it shall be the duty of each member of this Board to keep himself as well informed as may be possible regarding the internal condition of the separate cures of this Diocese.

Section 4. At the time of submitting the aforesaid Budget the Board of Estimate shall appoint a time not less than thirty (30) nor more than forty-five (45) days prior to the Annual Council of the Diocese, and a place so central as to be readily accessible from all parts of the said Diocese, at which time and place the Board will and shall hold an open meeting. It shall be the right and duty of each and every Parish or Mission which feels that the apportionments or assessments which are laid upon the said Parish or Mission under the aforesaid Budget are unfair or excessive, to appear by its representatives at the aforesaid open meeting and present to the Board such evidence and considerations as should, in its judgment, entitle it to a different apportionment or assessment.

Section 5. At the ensuing Annual Council this Budget, revised as the Board may think fit after the aforementioned public hearing, shall be submitted to the Diocese for its approval, and any cure which is still not satisfied with the finding of the Board of Estimate shall be given due and fair opportunity to present its claims to the Council, which may make such alterations as in its judgment are necessary.

Section 6. When the aforesaid Budget, with its appended schedule of apportionments and assessments, has been approved by the Diocese, all the levies therein made shall be considered assessments, and shall come under the disciplinary provisions of Art. V, Sec. I, 4th of the Constitution of the Diocese of Michigan City.

The Very Rev. W. S. Trowbridge moved an amendment providing that the traveling expenses of the members of this Board be paid by the Treasurer of the Diocese. The Bishop called the Rev. Dr. McKenzie to the Chair as he wished to speak to the motion. Vote was taken on the amendment, which was lost.

The Chancellor of the Diocese, Hon. Stuart MacKibben, moved that the report of the Committee on Constitution and Canons be changed, so that instead of a Canon the proposed legislation should be made as a Resolution, in force for one year. Motion carried.

On motion of the Rev. Walter B. Williamson, Section 6 of the Resolution was omitted.

A vote was then taken on the Resolution as amended, which was now carried.

The Rev. Howard Russell White presented the

The Very Rev. W. S. Trowbridge then presented the

REPORT OF THE DIOCESAN SOCIAL SERVICE
COMMISSION

Partly owing to the incapacity of the Chairman, partly owing to our inability to secure speakers at the time when we wanted them, the report of the Social Service Commission this year must be confined to only the sectional meeting. This meeting, calculated to bring together Clergy and Parish Workers in the Northwestern Territory of the Diocese, was held in Christ Church, Gary, in October last. At no expense to the Commission they were fortunate in securing as the speaker for the occasion Dr. Stewart, Rector of S. Luke's Church, Evanston, who was in Gary as the guest of the Men of Christ Church to deliver his oration on the Colors of the Republic. Dr. Stewart's Parish being one of the suburban parishes of Chicago is totally unlike any parish in the Diocese of Michigan City. We nowhere minister in the same kind of a community. Nevertheless, many conditions prevailing in Evanston finding fairly good parallels in some of the communities where the Church is trying to do her work in this Diocese were thought to be sufficient ground upon which to invite Dr. Stewart to tell of the activities by which his Parish was attempting to meet community needs. This exceedingly efficient Priest gave a beautiful picture of what a Parish might be when once it began to think in terms which overflowed its own borders. With many minute details he showed how parochial energy might hitch itself to human

want and be enhanced by so adding to its load. For, somehow we lighten the burden of the load in the measure that we increase the weight and strength of the yoke by which we lift that burden. It is His law who said, "Take my yoke upon you and learn of me for my yoke is easy and my burden light." Dr. Stewart's presentation of Social Service far exceeded in value the interest shown by the Diocese. No Laymen were in attendance, and only four of our Clergy were present. We trust that when the next meeting is planned this very important subject will receive the recognition which it deserves.

It was moved, seconded and carried, to permit the Chair to introduce miscellaneous business during the counting of the votes. Upon motion of Mr. W. B. Hosford, Mr. Thomas Brandon, Mr. Steven Lower, Mr. Harry Hall, Mr. Henry Conkey, Mr. Peter F. Jamieson.

The Rev. Dr. McKenzie then read the following proposed Canon "Of the Church Pension Fund:"

Section 1. In conformity with the legislation adopted by the General Convention of 1913, setting forth the principles upon which a pension system for the Clergy of the Church and their dependents should be constructed, pursuant to which the corporation known as *The Church Pension Fund* has been created to carry these principles into effect, the Diocese of Michigan City adopts the system of the Church Pension Fund.

Section 2. The Bishop shall appoint annually a Committee on the Church Pension Fund, to consist of three Clergymen and three Laymen. The duties of the Committee shall be as follows:

I. III. To inform the authorities of each of the said Parishes, Missions, and other organizations, of the premiums payable by them, and of the time and manner of payment thereof.

IV. To elect a Treasurer, who may or may not be a member of the said Committee, who shall be required to give a bond satisfactory to the Committee, and whose duty it shall be to receive from all the said Parishes, Missions, and other organizations the aforesaid premiums, and to transmit the same to the Treasurer of the Church Pension Fund.

V. To inform the Church Pension Fund from time to time of the Clergy and the widows and minor orphans of Clergy, who may be entitled in respect of this Diocese to receive pensions from the Church Pension Fund.

VI. In general, to inform the Clergy and Laity of the Diocese of the Pension System created by the General Convention, and committed by it to the operation of the Church Pension Fund, whereby the Clergy of the Church are assured of pensions as of right, to themselves in the event of old age, or disability, and in the event of death, to their widows or minor orphans, and to do all things that may be necessary or advisable in the premises to the end that the moneys necessary to be paid by the Parishes, Missions, and other ecclesiastical organizations may be fully and systematically paid.

Section 4. It shall be the duty of every Clergyman as aforesaid receiving a stipend or stipends, and the duty of every Parish, Mission, or other organization as aforesaid paying a

stipend or stipends, to furnish a statement of such stipend or stipends to the Committee on the Church Pension Fund whenever the said Committee shall, in writing, ask for such statement.

Section 5. This Canon shall take effect when the Secretary of the Council shall receive notification from the Church Pension Fund that a reserve fund of \$5,000,000.00 for the purposes of the Church Pension Fund has been established, and that Dioceses, Missionary Districts, and General Boards or other General Institutions of the Church have, by legislation, provided for entering into the Church Pension Fund in number sufficient, in the opinion of the Church Pension Fund, to enable its system to go into operation; provided, that the number of Clergy canonically connected with the said co-operating Dioceses and Missionary Districts, or whose stipends are wholly paid by said co-operating Boards or General Institutions of the Church, shall be not less than two thousand individuals.

This canon was adopted without a dissenting vote.

APPENDIX A

The Bishop's Address

To the Clergy and Laity of the Diocese of Michigan City in Council Assembled:

MY DEAR BRETHREN: It is again my very great privilege to call you into Council, to relate the achievements of another year in the service of God and to propose for your considerations plans for future progress and improvement. I shall aim to be as brief as the sacred character of my message will permit, as there are some matters of weight to be considered, and your elections this year more numerous than usual.

I have to record with sorrow and regret the death of two of our Bishops, both young men, and both giving to the Church strong and efficient administration—the Rt. Rev. Robert Codman, D. D., Bishop of Maine, and the Rt. Rev. George Biller Jr., D. D., Missionary Bishop of South Dakota. Within the Diocese we have lost among the laity some of our most devoted members, who by long years of faithful service have given full proof of their loyalty to our common Faith. Among these I mention Mr. Charles M. Parker of Valparaiso; Mr. Frank M. Boeckling and Mrs. William Blinks of Michigan City; Mrs. Harry Latta of Goshen; Mrs. David E. Snyder of Plymouth and Mrs. Charles O. Heffley. On Christmas Day the Rev. Thomas Hines suffered sore bereavement in the sudden death of Mrs. Hines. She was a most courtly and gracious woman of fine religious character and constant and wise activity in the Church's service. Her death is a sore affliction to her husband and a great loss to the Mission where both were ministering most efficiently. Our affectionate sympathy goes out to our brother in his sorrow. In the Parishes where these faithful servants of the Church were more intimately known their worth will be readily recognized, and the propriety of my mentioning them in my annual address as real factors in the

Church's past progress be conceded. They have passed from this service to the reward which God in the accuracy of His knowledge bestows. May they rest in peace and may perpetual light shine upon them.

On the whole the year has been one of happy service and great encouragement. Without the loss of a single day I have been able to give to the Diocese the full measure of service of which I am capable. I have made more visitations, preached more sermons, and confirmed a larger number of persons, than in any other year of our Diocesan life. Where there is stability of clerical residence there is the evidence of steadily increasing efficiency and parochial growth. Where the Church is peacefully and with strong and active energy doing her work, there she is winning more and more the respect, then the love and confidence of the community. So pretty generally over the Diocese you will find the Church in the communities where she has planted herself, gaining ground, gaining in numbers, and facing less and less the financial distress which formerly depressed her.

During the past year, under the efficient leadership of its President, the Woman's Auxiliary has developed a method of work which has given it and the Diocese a notable year of service. I wish this increase in efficiency might be marked by a like increase in the interest and co-operation through the various Parishes and Missions in its work. I am of the opinion that if the Clergy manifested a little more interest in this valuable branch of the Church's work and gave it more hearty commendation its efficiency might be increased. When one discovers that not more than a third or a quarter of the women in any community have any active connection with the work of the Auxiliary, it indicates something radically wrong at the center. One is disposed to ask, "Why do you acquiesce without protest in this condition of things?" I hope the day is not far distant when our work of education has been so efficient that no woman can be found in our cures who is ignorant that there is such an organization as the Auxiliary, and none who are contented to have no connection with it and no part in its prayers and its service.

During the year there have occurred within the Diocese some events of interest and importance to us which deserve a place in our records. I shall not speak at any length of the commemoration of my twentieth anniversary, which was so happily celebrated in connection with our last Council. It received your affectionate and generous recognition and has become a matter of Diocesan history without further mention.

We are met in Trinity Church today for one reason as a tribute of respect to the Parish which during the past year has celebrated the fiftieth anniversary of the building of its Parish Church and to its honored Rector who has served in this Diocese nineteen years, of

which twelve have been given to his present work. It was my great privilege to be present on the occasion when these events of no minor importance were commemorated. It was a happy occasion. Appropriate services marked the day, Trinity Sunday. Large congregations testified to the progress which the Parish is making. A most delightful reception on Monday evening gave expression to the love and confidence which have been given to the Rector in return for his efficient service. It is most wholesome and inspiring to have at the head of our parochial list a Parish with so splendid a record. Its internal life marked for so many years by unity, cordiality and energy, it ought to be blessed, and I am happy to pay my tribute of respect and commendation to its people and officers for the example they are setting to the whole Diocese of wise, loyal and helpful parochial administration. To the Rector, I can only say that his whole ministry has been so marked by the exercise of those conspicuous qualities which go to make a successful Priest that the honor and love in which he is held by us all are only the well earned rewards of many years of successful service. To Priest and people we extend our happy felicitations with prayer that a longer continuance of the same happy and blessed relations may be vouchsafed them.

Notable progress has been made in St. Alban's Mission, Indiana Harbor. On the 22nd of June, I laid the cornerstone of a new Church, to the building of which the Priest and his people were addressing themselves with great consecration and courage, and on the 12th of the following December, the building was opened with appropriate service. It is a most unique and beautiful Church, well worth a visit and careful study. It has cost more than was anticipated and will demand much hard work and sacrifice on the part of its people to secure the payment of the debt which has been assumed. Should anyone in the Diocese, or out of it, for that matter, be moved to help in the payment of this debt, I should say that the assistance was well bestowed and would heartily commend it.

St. Stephen's Mission, Hobart, organized last year under Father Williamson, has been further strengthened by the gift to them of the little building erected at Gary Gardens for service there a few years ago, but never used. It has been removed to Hobart, very much improved, and contributes much to the work in that Mission.

During the last year I have organized St. Luke's Mission at Hartford City. This is the result of a very remarkable movement there among some of the most prominent citizens of that important County seat. It would not be proper for me here to attempt a history of that remarkable movement. Suffice it to say that, originating among themselves and leading on for some months to a careful study of the situation, and receiving wise guidance from the Archdeacon, it issued in the Baptism and Confirmation of a large number of influ-

ential persons, who at once took steps to organize a Mission under the name of St. Luke's. With the consent of your Missionary Committee I have promised some financial help and have appointed as Priest-in-charge the Rev. Edgar T. Pancoast, who has been in residence since November 1. I have made two visitations and Confirmed four times during the year. Since the last meeting of the Council, the Diocese of Michigan City has been incorporated, as provided for by the last Council, and the property of the Diocese conveyed to it by the Bishop, who, as Trustee, has held title to the same since the organization of the Diocese in 1899. The members of this corporation, as provided by your action, are Ex-officio the Bishop, Chancellor, Treasurer, and three Trustees, one elected annually, as the original terms expire. Mr. L. B. Slaughter's term expires at this Council, and I recommend that he be re-elected for a term of three years.

By personal solicitation I have raised and expended in improvements on the Rectory at Garrett, and in payment of street assessments, the sum of \$600.00, and have contributed \$50.00 to the expense of removing the little Chapel to Hobart. I have also in hand \$50.00 which I propose to expend in the improvement of the Rectory at Bristol.

Changes among the Clergy have been as follows: The Rev. Cleon A. Bigler had been serving for a year in the Diocese of Chicago, and at his request, was transferred to that Diocese. The Rev. John M. Hamilton resigned the Rectorship of Trinity Church, Peru, in November, and was transferred to the Diocese of Washington. The vacancy so created still remains. In the effort to avoid closing the Church and to enable the Vestry to wisely provide for the future, I appointed the Archdeacon to keep the services supplied. I had not supposed this arrangement would continue for any length of time, but six months have now elapsed without anything being done to provide for the permanent care of the Parish, and I shall feel compelled at the close of this month to discontinue my provision for its services. In January, the Rev. Samuel W. Day resigned the Rectorship of St. Thomas', Plymouth. With wonderful promptness and energy the Vestry gave themselves to the task of securing a new Rector, with the result that the vacancy lasted but two or three Sundays, and has been filled by the election and institution of the Rev. William John Cordick, of the Diocese of Chicago. In February, the Rev. Benjamin F. P. Ivins resigned the Rectorship of Christ Church, Gary, and was transferred to the Diocese of Western Michigan. The vacancy so resulting has not yet been filled.

June 20, I instituted Rev. Charles F. Westman as Rector of Trinity Church, Logansport. Father Westman had removed to the Diocese previous to the last Council, but had not been instituted,

On January 2, in St. James' Church, South Bend, I ordained to the Deaconate, James Horton Bishop, one of my candidates for Holy Orders, and a student at Seabury Divinity School. Mr. Bishop will complete his theological work this month and be ready for service.

On February 3, in the Cathedral at Michigan City, and in the presence of the Very Rev. the Dean and the Rev. H. R. White, it became my sad duty to depose from the sacred Ministry under the provisions of Canon 35.

ERNEST DOUGLAS MARTIN, Priest .

he having entered the communion of the Roman Catholic Church. This action was taken after due admonition and the six months prescribed by Canon. I felt this deposition the more keenly as it is the first during my Episcopate.

I have given my consent to the ordination and consecration of the Rev. Wilson Reiff Stearly, D. D., to be Bishop Suffragan of Newark; the Rev. Charles Fisk, D. D., to be Bishop Coadjutor of Central New York; the Rev. Edward Campion Acheson, to be Bishop Suffragan of Connecticut, and to the translation of the Rt. Rev. Benjamin Brewster, to be Bishop of Maine.

On the occasion of the Tenth Anniversary of the Rt. Rev. John N. McCormick, I had the honor of delivering the address at a banquet given in his honor by the Men's Club of Western Michigan. In addition to my usual duties, I was enabled to care for both St. James' Church and Trinity Hungarian Church, South Bend, thereby giving the Priests a much needed rest.

On the occasion of the reception of the Traveling Bible by the Masonic Fraternity of South Bend, I had the privilege of delivering an address on the Bible in the presence of six hundred Masons.

In November I was present and preached before the faculty and students of Kenyon College.

In December I delivered the Memorial Day address before the Elks Lodge of South Bend.

On Christmas Day I delivered an address before South Bend Commandery of Knights Templar.

I spent St. Paul's Day and its octave as the guest of the Rector of St. Paul's Church, Brooklyn, officiating, as he requested. This has been a privilege enjoyed for three years, last past, and greatly prized.

In connection with the proposal to inaugurate a nation-wide preaching mission, I was not able to see that it was at all feasible in a Diocese such as ours. Nevertheless, I addressed a communication to the Rev. Clergy on the subject, leaving them to adopt such plans for putting it into effect as they found possible. As a result there have been held in the Diocese during the year a number of Missions, all of which, so far as I can learn, productive of great good.

My only regret is that in so many Parishes and Missions it was found to be a practical impossibility.

I had great pleasure and benefit of being present for three days as the guest of the Bishop of Marquette at the Conference of Bishops of this Province.

In June, we were all in attendance at the Synod which met in Chicago and gave itself with great energy and zeal to its work, very great results being accomplished. In this connection, let me call your attention to the fact that the Synod meets this year on the 27th, 28th and 29th of June, and the General Convention meets in October. These facts should be kept in mind in the selection of Deputies to both. It is of the greatest importance that the Synod should not be neglected, especially this year, and it is of equal importance that every Delegate to which this Diocese is entitled should be in his seat at the General Convention. Having said this, I propose to give myself for a few moments to a consideration of two subjects on which you should have accurate information whatever may be your action. During the year that has elapsed since we last convened, the gentlemen elected by the General Convention to manage the affairs of our Missions, both foreign and domestic, have seen fit, with perfect knowledge of what they were doing, to plunge the Church into bitter strife and controversy by the appointment of Delegates to attend a Protestant Congress in Latin America to deal with questions relating to religious work in that region. This has produced a measure of bitterness which will not be easily allayed. Already a League has been formed, or is in process of formation, with the avowed purpose of carrying on a propaganda antagonistic to the Catholic character of the Church and her institutions, and the Church is to be flooded with literature on this subject. How far this may find its way into the General Convention, and approval be sought for the action taken by the Board of Managers, I do not know. Neither do I propose to discuss this matter at any length.

There is a very valuable and scholarly pamphlet on the subject by the Bishop of Delaware here by my desk. You are welcome to them as long as they last. I desire, however, to call your attention to two matters which will help you in your study of the situation. The sending of Delegates to Panama was one thing, and may have been wise or unwise, as we look at it. The usurpation by the Board of Managers of powers belonging only to the General Convention, and in defiance of the act of the General Convention, in declining to confer such powers, is a totally distinct proposition. One may be comparatively harmless—the other involves a grave peril to the future of the Church. Unless the Board of Managers are subject to the direction and control of the General Convention, beware of the consequences. Another distinction most necessary in the present con-

fused use of language is the distinction between anti-Papal and anti-Catholic. The Anglican Church has been the most resolute and effective anti-Papal force in history. I dare to say that it has never been anti-Catholic.

Much of the trouble in the present controversy lies in the confusion and confounding of the terms Catholic and Papal. Another distinction which must ever be kept clearly in mind is that Protestantism stands for something very much more destructive of historic religion than opposition to the Papacy and the decrees of the Council of Trent. Protestantism stands today for pronounced opposition to Churchmanship. It is positive, bold, aggressive, and defiant. It contends for the right of man to think what he pleases, believe what he pleases, construct what religious societies he pleases, and worship as he pleases. It flaunts at all that Historic Christianity holds sacred, repudiates the creeds as of any binding obligation, scoffs at an accredited Ministry with Divine Power in matters sacred, and teaches something totally different from the Sacramental system embedded in Historic Christianity. If Anglican theology has ever or anywhere evinced sympathy with such teaching, I should like to know when and where. My Brethren, both Clerical and Lay, you are very liable not only to have to take part in these discussions, but by your votes decide upon the position this Church is to occupy for many years to come. My advice to you is be prepared, and with unswerving loyalty to the Faith once for all delivered to the Saints, do your duty.

In this connection I desire to quote some weighty words from the Council address of one of our oldest and wisest Bishops, Bishop Garrett of Dallas. Bishop Garrett is a sturdy old Irishman, educated at the University of Dublin, is now eighty-four years old, has been a Bishop of this Church for forty-two years and next to Bishop Tuttle, is the oldest of our living American Bishops.

"Much controversy has recently been conducted in the Church Press concerning the legal attitude of the Board of Missions in appointing delegates to attend the Panama Congress. It will be necessary for your delegates to understand the meaning and import of the grave questions concerning the Church's Mission thus aroused. It will be well to remember that certain points of serious nature affecting the constitution and government as this Church hath received the same, are involved and must not be lightly passed over. The historic continuity of the Church, bound up inseparably with the Historic Episcopate and Apostolic Ministry, must not be lightly sacrificed to meet the wishes and views of our own time, as they may be considered expedient by some persons of influence. The validity of sacramental media must not be endangered because large numbers of people have ceased to regard them as important. The fundamental verity of the

Incarnation and the organic unity of the Body of Christ must not be endangered by the acceptance of theories which confuse union with unity and organization with organism. The modern trend of Church federations and such meetings as that recently held at Panama is to confuse and confound the basic principles on which this Church of ours stands. We offer to the world the Catholic heritage of the past with its primitive Creeds, Ministry and Sacraments as handed down from the Apostolic Age and we must not endanger the sacred deposit of Faith and Order entrusted to our care for any fancied benefits which may seem to arise from fictitious unions and co-operation with those who differ from us on these fundamental questions."

The other subject on which I wish to speak is the effort at present being made under the leadership of the Bishop of Massachusetts to provide for and inaugurate an adequate pension system for caring for the aged and infirm Clergy of the Church and the widows and children of deceased Clergymen. This is a somewhat more agreeable subject to speak on. I do not feel myself competent to present the pension system fully or clearly but in the absence of anyone better qualified I shall do the best I can. Many of you have no doubt received the illuminating literature which the Committee is sending out. If you have studied it my task will be the easier. I do not purpose to consume much of your time in the effort to prove that the pension system is a most worthy and commendable effort to provide for those who have worn themselves out in the service of the Church, nor to the various other questions which commend this undertaking as worthy of our cordial support. Tons of literature on all phases of the subject may be had by addressing Mr. Monell Sayre, 14 Wall Street, New York. Two phases of the subject only I desire to speak on in this connection in order to open the subject for your consideration and action. If this Diocese is to have a share in the benefits of the pension system about to be established in the Church it will be necessary that you take action to secure that end at this Council. If this Diocese is to help raise the contingent fund necessary to start a system of pensions it will be necessary to create a strong Diocesan Committee to act in concert with similar Committees in other Dioceses, and it will be necessary for that Committee to do some hard work in the interest of this cause. Do you all want it enough for that? In the interest of this work Bishop Lawrence has laid aside his Diocesan duties for a year, with the consent of the Diocese of Massachusetts, that he may give his entire time to this business.

Mr. Monell Sayre, one of the first Actuaries of the country, is giving his service undividedly to the cause. Mr. Samuel Mather of Cleveland, and Mr. J. Pierpont Morgan, both men of large business interests, are closely identified with the movement. It is for you to

determine what share you desire to have in the matter. Simply stated, it means that after the sum necessary to start the system has been secured, so enabling stipends to be paid to all Clergy now deserving them, thereafter each Parish and Mission shall pay into the Pension Fund seven per cent on the annual salary of their Clergyman each year, and that from this fund shall be paid to every Clergyman who has attained the age of sixty-eight a stipend of one and one-fourth per cent on his salary multiplied by the number of years of his service, but in no case shall his stipend be less than six hundred dollars a year. This is the simple rule for determining the pension. It has variations for those who have been disabled and for widows and the children of disabled or deceased Clergymen to which I need not allude in this connection, for you would not carry the figures in your head if I did. Suffice it to say that the entire system has been elaborated by the best actuarial experts in the insurance world during the past six years. If you want to go into the matter exhaustively and in detail, send for the literature and study it. In commending this matter to you I can only say that I know of no subject that deserves the earnest sympathy and co-operation of the Clergy more than this.

With profound thanks to God for His guidance and blessings during the past, pleading for a continuance of His mercies for the future, let us turn to the business of our Council.

On report of \$400.00 being subscribed by the people of Garrett and Kendallville, the Board voted to give a like sum for the support of the Rev. G. D. Griffiths, whom the Bishop has placed there. A lot which the Board owned at New Carlisle was sold and the price received was used to repair the Rectory at Garrett. The Bishop having placed the Rev. E. T. Pancoast in charge of the work at Hartford City, the Board appropriated \$600.00 per annum for his support. A small Church building at Gary Gardens having been moved from there to Hobart through the efforts of the Rector of Gary and of the Rev. W. B. Williamson of Valparaiso at an expense of \$250.00, the Board appropriated \$100.00, the balance being given by the retiring Secretary and the Bishop.

Respectfully submitted,

President's Address

Members of the Auxiliary:

It is with great pleasure that we as Auxiliary Workers are gathered here at Howe School, the guests of Dr. McKenzie. It is our Eighteenth Annual Meeting. This is the first time since I have had the honor of being President of the Diocesan Branch that I have had to record a death from among our Auxiliary ranks. It is that of Mrs. Harry Latta of Goshen. Mrs. Latta was not a Diocesan officer, but I had the pleasure of having her in one of my study classes, and she was rapidly forging to the front as an educational leader.

I also record with regret the withdrawal from the Diocese of two efficient Auxiliary members, Mrs. Louise Palmer, who was Diocesan Secretary for the Spirit of Missions, and Miss Yewens, Correspondent for the Church Periodical Club. The Spirit of Missions has been brought before the Auxiliary at District Meetings and more and more do we feel that to do intelligent Auxiliary work we must be readers of this ably edited magazine. Miss Yewens' place has been supplied by Mrs. Shephard of Elkhart, and I urge all parochial branches to make a strong department of the Church Periodical Club.

I think in our work we are very apt to compare our Diocese with older and stronger ones. I had the great pleasure recently of attending the Annual Meeting of the Auxiliary in the Missionary District of Eastern Oklahoma. I was impressed by the pioneering they are doing so splendidly, and out of which we are evolving. Sometimes we are apt to get discouraged at the bigness of our task, and if I would suggest one quality for us to cultivate and pray for, it would be optimism, for it is the most infectious little germ. A great general was discussing recently the difference between an optimist and a pessimist. He said that the pessimist always sees Waterloo, and the optimist Wellington.

One of our leaders suggested that we keep before us a recent announcement that filled all the English papers in an appeal for enlistment—"The King and the Kingdom need you." Our King needs us for the establishment of His Kingdom. God could very easily have given His work to His angels to do, but He used them at Christmas and Easter and left the rest of His work to be done by men and women.

As your Auxiliary President I beg to submit the following report of work done:

Minutes of the Eighteenth Annual Meeting

Howe School, Howe, Ind.,

May 31 and June 1, 1916.

The Eighteenth Annual Meeting of the Michigan City Branch of the Woman's Auxiliary to the Board of Missions was held at Howe School, Howe, Ind., May 31 and June 1, having been invited by the Rev. J. H. McKenzie, Rector of Howe School.

At 7:30 in the morning of May 31 the Auxiliary made its Annual Corporate Communion. Bishop White was the Celebrant. The offering, which was for General Missions, amounted to \$9.20.

The business meeting was called to order at 9:30 by the President, Miss Alice Goldthwaite. The meeting was opened with prayers by Bishop White, who also gave a short address of welcome to the Delegates.

The President appointed the following Committee on Resolutions: Mrs. Robertson, Fort Wayne; Mrs. Winter, Goshen; Mrs. Winchell, South Bend.

The President then gave her annual address and report of her work during the year.

The report of the Corresponding Secretary, Mrs. Boedefeld, was read. This was followed by the report of the Treasurer, Miss Haberly. The report showed that \$45.00 was yet to be raised to make up the sum of \$800.00 pledged to Diocesan Missions.

The following motion was made by Mrs. Boedefeld: "That the Chairmen of the districts deduct the expenses of the district from the offering and send the balance to the Diocesan Treasurer." Motion seconded and carried.

The report of the First Vice-President and Secretary of the Junior Work, Mrs. Egbert, was read by the Corresponding Secretary. The President urged all Auxiliary members to help in bringing up the Junior Work during the coming year and to help make arrangements for bridging the gap between the Little Helpers and the Juniors.

The report of the Second Vice-President and Secretary of the Little Helpers, Miss White, was read. This report showed an increase in the work of the Little Helpers.

Mrs. White, United Offering Treasurer, read her report and asked that the offering of next fall be sent in by September 1 on account of the General Convention.

The Correspondent of the Church Periodical Club gave a report of the number of contributors and read a letter sent out by the General Correspondent which told that Bishop Tucker of Japan considers this work of great help, especially the Circulating Library. He wished for a certain book, two copies of which will be sent him by the Guild of Auburn.

The reports of the District Chairmen were then read. That of the District of Michigan City, Mrs. Egbert, was read by Mrs. Boedefeld. The report of the South Bend District was given by the Chairman, Mrs. Boedefeld, and the report of the Fort Wayne District, Chairman, Mrs. Price, was read by the Recording Secretary.

The President advised more neighborhood meetings, using the South Bend District as an example. The President also spoke of the prizes for boys and girls under sixteen for work done during Lent.

The subject of Box Work was then taken up. The President offered a plan which could be carried out during Lent. It consisted of the study of a different field of Missionary Work each week and the sending of a small box to each field studied. The plan was discussed but no action taken.

The President also spoke of the Missionary Conference at Lake Geneva and urged Delegates to go.

A letter concerning Provincial Work was read. It recommended for consideration the formation of a House of Churchwomen similar to that in California. A letter was then read from Miss Emery. She asked that all Delegates to the General Convention would go prepared to learn how to pray and to return to their Diocese with some inspiration for prayer life. The President recommended the formation of prayer groups. She also spoke of the apportionment.

At 12 in the Chapel, Noonday prayers were said and intercessions offered by Dr. McKenzie.

Luncheon was served by the ladies of the Howe Branch of the Auxiliary. A short business session followed. The Bishop appointed officers for the coming year:

President—MISS ALICE GOLDTHWAITE, Marion.

First Vice-President—MRS. WALTER CRANDAL, Howe.

Second Vice-President—MISS MARY MAY WHITE, South Bend.

Corresponding Secretary—MRS. F. J. BOEDEFELD, Elkhart.

The Committee on Resolutions made the following report:

RESOLVED, That the delegates and others in attendance in the eighteenth annual meeting of the Michigan City Branch of the Woman's Auxiliary to the Board of Missions express their thorough appreciation and their thanks for the generous hospitality given them by Dr. McKenzie of Howe School and the ladies of the Woman's Auxiliary, St. Mark's Church, Howe.

MRS. JOHN WINTER,
MRS. WINCHELL,

Committee on Resolutions.

On motion, the resolutions were accepted by a rising vote. At seven thirty in the evening there was a service in the Chapel. Bishop White preached his annual sermon to the Auxiliary. The offering, which amounted to \$27.50, was taken for Diocesan Missions.

The afternoon of Wednesday and the morning and afternoon of Thursday were given over to Miss Elizabeth Matthews, Educational Secretary of Southern Ohio, who conducted study classes and conferences. The text-book used was "The Conquest of the Continent." Miss Matthews gave many helpful suggestions and the conferences have already brought out changes.

The minutes of the meeting were read by the Recording Secretary and were accepted.

On motion, the meeting adjourned.

Respectfully submitted,

EDNA JOHNSON,
Recording Secretary.

Report of Corresponding Secretary

I have to report the formation of two new branches of the Auxiliary in the Diocese during the year. One at Peru, with twenty-four members, and one at Garrett, number of members not reported.

One branch has disbanded, that at Kendallville. We are sorry to lose this branch. It was composed of four faithful women who have done splendid work.

During the year the Corresponding Secretary has written 183 letters and 27 postal cards, mailed 24 copies of the Diocesan Journal, 21 copies of Miss Emery's report, and 4 packages of leaflets.

The Corresponding Secretary attended a meeting for the purpose of organizing a branch of the Woman's Auxiliary in Garrett, on February 18. Gave a talk on the work of the Auxiliary. Fifteen women present.

Owing to a misunderstanding, the branches at Logansport, \$9.10, and Valparaiso, \$10.00, have sent money intended to apply on their pledges to Diocesan Missions to Mr. Elliott, Missionary Treasurer of the Diocese, instead of to the Auxiliary Treasurer, Miss Haberly. The amounts thus sent are not included in the financial report of the Corresponding Secretary.

MRS. F. J. BOEDEFELD.

Little Helper Annual Report

1915-1916

The second year of Little Helper work in our Diocese has been completed and it is with gratification we review the part taken by the little children under eight years of age in the extension of Christ's Kingdom here on earth.

Throughout the Diocese the work has progressed with happy interest and sustained energy. Four new branches have been formed, one at Delphi, Goshen, Hammond and Valparaiso. These are under the leadership of faithful women whom we welcome, with their children, to our number of Little Helpers. About one hundred new children have been added to the membership.

This year has brought to our Little Helper list the names of several little children whom God has already taken to His Heavenly home. Although their earthly stay was short, yet they brought a blessing to the Church and to the world. That their memory may not be forgotten, we enroll them among our Little Helpers. The mothers say the Little Helper prayer for these silent members, not forgetting their mite boxes. On the anniversary of the baby's birthday a memorial card is sent to the mother, who makes an offering, thus uniting her little child with all other Little Helpers. This is a happy memorial which has proved of comfort to many mothers and should extend further.

The Little Helper work includes the three-fold missionary purpose: prayer, study and giving.

It should be an inspiration to us to know that we have 143 little children in our Diocese who pray daily for the coming of Christ's Kingdom.

In study work, many branches have used "How the Cross Goes Round the World" for their monthly stories. This was very much enjoyed wherever used. Lenten questions were sent out again this

year, as well as a Little Helper game to teach the crying need for more missionaries, the way missionaries are sent and the possibility that some of our children, when old enough, may go to do our Father's work.

As a result of their prayers and study work, the children's mite box offerings have amounted to more than three times that of last year.

The sending of Little Helper birthday cards by the Diocesan Secretary is a new undertaking this year. From many parishes have come the report that the children so appreciated the remembrance that the tiny card was carried about until worn out, and the making of their birthday offerings increased in importance.

On the last Sunday in May each branch of Little Helpers again made an offering for the Little Helper Diocesan expense fund. Out of this, one dollar will be sent to the general font fund of the Church. The remainder will defray the Secretary's expense of sending out:

101 Letters.....	\$2.02
183 Prayer Cards40
220 Leaflets30
63 Mite Boxes.....	.25
Birthday Cards:	
250 Cards and Envelopes.....	5.00
73 Cards Sent	1.46

Total Expense	\$9.55

For the successful guiding of the children in their Little Helper work of this year we are indebted to a few conscientious women who have given unselfishly of themselves. That more women may follow their example is the urgent need today. There are children eagerly waiting to do their part in "the great missionary work of the Church, but without leaders there can be no hope. May every Auxiliary woman give her hearty support to the work of the children and thereby come to the full realization.

"From a child thou hast known the holy scriptures which are able to make thee wise unto salvation through faith, which is in Christ Jesus."

Respectfully submitted,

MARY MAY WHITE,
Little Helper Diocesan Secretary.

District Reports**REPORT OF THE MICHIGAN CITY DISTRICT**

The Michigan City District held two very interesting meetings this year, one in October and one in March.

The October meeting was held in Valparaiso. At this meeting fifty Delegates were present. Some time was given to a discussion of the Circulating Library, and Mrs. Seymour Wilcox was made Chairman of this work in the District. The Box Work was talked over and it was decided that all the branches in the District would work toward a box to be sent Miss M. M. Proffe, Brown Cove, Va.

In the afternoon reports of the Synod of the Province of the Mid-West were given by Father Ivans and Mrs. Egbert. Father Dies, a Missionary from China, was present and gave an interesting talk about his work. A pledge of \$25.00 was made to provide vestments for his Chinese choir. The program closed with a talk on the United Offering by Father Goodwin.

The second meeting was held in St. Albans Parish House, Indiana Harbor. The Chairman, Mrs. Egbert, presided. The question of sending a Delegate to the Lake Geneva Conference was discussed but no action was taken.

In the afternoon Father Anistose, an Italian Priest of Chicago, gave a talk on "Missionary Work Being Done at Home." The Rev. Donald McLaughlin of Chicago talked of "The Stranger in Our Midst." The Chairman spoke of the Church Periodical Club. The program closed with a series of questions and answers about Auxiliary work.

All through this meeting unity was urged, and we believe that these District Meetings are one way of promoting this. Although this second meeting was not so large as the first one, thirty-eight being present, the spirit was alive.

MRS. CHARLES EGBERT, Chairman.

REPORT OF THE SOUTH BEND DISTRICT

The first meeting of the year was held in St. Thomas' Church, Plymouth, in November. The Chairman, Mrs. Boedefeld of Elkhart, presided. Nine branches were represented with a total attendance of fifty-six Delegates.

It was decided to send the Missionary Boxes from this District to the Whirlwind Indian Mission at Fay, Okla.

In the afternoon Mrs. Shephard gave a full account of the Woman's Auxiliary meeting of the Province of the Mid-West. The Rev. H. R. White gave a talk on the Church on the Pacific Coast. Miss Mary May White gave an account of the work in the Hungarian Mission in South Bend. She also told of the Missionary Conference at Lake Geneva.

The second meeting was held in St. Paul's Church, Mishawaka. Fifty Delegates were present. Reports of the different branches were given which showed excellent work. After discussion it was decided to send a Delegate from the district to the Missionary Conference at Lake Geneva, the expenses to be paid by pledges from the different branches.

In the afternoon Mrs. Shephard gave an account of the Church Periodical Club. The Rev. G. L. Griffiths gave an interesting talk on the work among Indians in British Columbia. The afternoon closed with an Auxiliary party, which consisted of a contest. The Delegates answering the most questions about Auxiliary work received prizes.

Aside from the regular meetings the work has gone enthusiastically in the district. A very successful study class was conducted in Elkhart during Lent by Miss Mary May White, and interesting neighborhood meetings have been held.

MRS. F. J. BOEDEFELD, Chairman.

REPORT OF THE FORT WAYNE DISTRICT

The Fort Wayne District of the Woman's Auxiliary includes the thirteen cities as follows: Auburn, Columbia City, Delphi, Fort Wayne, Garrett, Gas City, Hartford City, Huntington, Kendallville, Kokomo, Logansport, Marion and Peru. All but two have branches of the Auxiliary, several branches having been organized the past year. All have taken on renewed interest and enthusiasm, probably the result of the interesting and enjoyable district meetings. Two meetings have been held the past year, with attendance of sixty-five in Fort Wayne last November and sixty-eight in Peru in February.

At the meeting in Fort Wayne it was decided to send the Missionary Boxes from the district to the St. Mary's Institute for Colored Girls at Keeling, Tenn. The majority of branches have sent boxes which have been gratefully acknowledged by the Principal and the Rev. E. Thomas Denby, Archdeacon of the work among colored people.

The Circulating Library was discussed. It is hoped that more will make use of these books, which may be had for the asking and the postage.

In the afternoon interesting reports were given of the Church Exhibit at the Panama Pacific Exposition by Father Baynton, and of the meeting of the Provincial Synod by Father Averill, Mrs. Baynton and Miss Goldthwaite. Then followed an illustrated talk on the United Offering and the United Offering Missionaries.

After deducting expenses the offering, \$9.60, was given to Diocesan Missions.

The District Chairman was not able to be present at the meeting in Peru and Miss Goldthwaite presided in her place. The different branches responded to roll call by answering questions about themselves. Eight branches were represented. Their total membership amounted to 168. The reports brought out interesting and encouraging facts.

The afternoon program included talks by Father Plummer of the Missionary Conference at Estes Park and of the work among Indians in British Columbia by Father Griffith of Garrett and Kendallville.

The offering amounted to \$12.89.

The interest and enthusiasm and interest at both meetings have been very gratifying and encouraging.

The Secretary for the Board of Religious Education, Rev. H. R. White then presented the

REPORT OF THE DIOCESAN BOARD OF RELIGIOUS EDUCATION

The Diocesan Board of Religious Education had two meetings, neither of which was largely attended, but in which there

was much interest in the two topics proposed for discussion, first: "The Relation of the Sunday School to the Junior Auxiliary," and second: "Week-day Instruction in Religious Knowledge."

The Clergy have received pamphlets explaining the approach of the Junior Auxiliary to the Sunday School and their mutual co-operation, so that it is not necessary to go into the subject in this report.

The Board has been much interested in the movement to secure, wherever possible, attendance of our Church children one period a week for religious instruction, this period to be during regular school hours where it can possibly be arranged. If pupils cannot be excused from school, then some period, at least forty minutes in the clear, upon a week-day, probably Saturday. This plan has much in its favor in arranging the Sunday service heretofore known as the Sunday School, as a children's service for worship and for such instruction as the Priest may see fit to give in his own way, either himself or through teachers, the week-day period being given entirely to the acquisition of Religious Knowledge. If our children are to be taught to worship, it cannot be through the long morning service, most of which they do not understand, but to bring out the highest expression of the spiritual faculties of the child. Such services are suggested by the General Board of Religious Education in their publication "Church Ideals in Education," on pages 243-248.

Your Board feels that the ideal toward which we should work is the Children's Eucharist every Sunday, at which the children are taught to worship and the older children who are confirmed, to make their communions, if it is not too late an hour for fasting. It might not be considered wise in all Parishes to adopt this plan at once, but it could be considered the ideal toward which all should work.

We have no organized school for teacher training. A few teachers have undertaken the correspondence course offered by the General Board of Religious Education, but your Board feels that it would be very wise if a Diocesan training school for teachers could be arranged some time in the summer.

The one unique work in the Diocese is the Gary School, organized under what is known as "The Gary Plan." This has commanded the attention of the Church at large, and is in many ways a demonstration school for experimentation. The work is supported partly by the Diocese and partly by the General Board and the Parish, and thus far has had much to commend itself to the Church. It is hoped that this school may be continued and enabled to solve many problems of week-day instruction.

Your Board offers the following resolutions:

RESOLVED, That the Junior Auxiliary and the Sunday Schools co-operate as much as possible this year under the plan proposed by the Board of Missions and the General Board of Religious Education.

RESOLVED, That wherever practical, an effort be made to secure at least one period a week other than Sunday for

The Right Rev. the Bishop of the Diocese then called for the reports of special committees and Dr. G. F. Hitchcock presented the report of the

PROVISIONAL BOARD OF ESTIMATE

To the Parishes and Missions of the Diocese of Michigan City:

The Provisional Board of Estimate appointed by the Eighteenth Annual Council held at Fort Wayne in May, 1916, met for the purpose of apportioning to the various parishes and missions in the Diocese, their proportion of the three extra-parochial funds to be raised by way of assessment among the cures of the Diocese.

The Committee is enclosing herewith a copy of the budget to be raised for the three funds, namely, "Diocesan Expense," "Diocesan Missions," and "General Missions."

You will note an increase in all of these apportionments. This has been rendered necessary by the legislation of the Eighteenth Annual Council providing that this Diocese shall enter the system of the Church Pension Fund. This increase represents the premiums that the treasurers of the Diocese and of the Diocesan missions will be required to pay to the Church Pension Fund on account of the Bishop and missionary clergymen, respectively. If this increase had not been made, the missionary clergy would be deprived of their pensions under the pension plan.

It will be noted that the amount proportioned to this Diocese from the General Mission Board is less than the amount received by this Diocese from the said Board.

It will also be noted that the assessment for Diocesan expense fund is much lower than any other Diocese of the American Church, by reason of the fact that it does not include the salary of the Bishop, which is cared for by an endowment fund.

The Committee has endeavored to spread these apportionments equitably, according to the known financial ability of each cure, as shown by the annual reports. If any parish or mission feels its apportionment to be unfair and desires a hearing on the case, notice should be filed with the Chairman of the Board, the Right Reverend, the Bishop, on or before the 15th day of April, 1917, in which case a time and place will be appointed for a hearing of the matter in accordance with the provision in Section 4, of the resolution constituting this Board, xviii jour. p25.

APPENDIX A

The Bishop's Address

To the Clergy and Laity of the Diocese of Michigan City, in Council Assembled:

DEAR BRETHREN: Our annual Council calls us together this year at a time when grave questions are thrusting themselves upon us, questions which we cannot avoid or escape, questions which we must answer without evasion, questions which have been forced upon us by an arrogant and unscrupulous despotism violently wresting from us the right to peacefully pursue our legitimate avocations, and as violently inflicting upon us insults and wounds to which no nation can submit without losing its position among nations, and its influence for good on all matters affecting the well being of nations, or humanity as a whole. After the most strenuous efforts to avoid being drawn into the bitter struggle which is rending the whole world, decimating its forces and injecting into its veins a bitter virus that will not be eliminated in a century, we find ourselves hurled into this unrighteous war suddenly and most unwillingly, because a powerful but unscrupulous nation has arrayed itself against the world in an effort to subject all peoples to its harsh and selfish decrees and to efface the weak everywhere from the enjoyment of their possessions by subjecting them to the arbitrary and unprincipled decrees of the powerful by armed subjugation. It has become a war of Despotism against Democracy. It is an effort to establish by force the decree of the despot as against the desires, the hopes, the convictions of all who would legislate and govern in the interests of a larger, broader humanity. It is a struggle to preserve and perpetuate one nation, with its harsh and even brutal passions, at the price of all other nations, all other liberties, all other movements for the betterment of humanity. It is a grave question which involves in its issue the liberties of the whole world and the lives of all nations, or their sub-

jection to one iron and despotic power that calmly but defiantly ignores all wills but its own, and as calmly challenges the whole world to stand and deliver or defend itself with its best life blood. Into such a struggle as this we find ourselves plunged, without knowing what it will involve, how long it will last, or what sacrifices it will cost. Calmly, deliberately, dispassionately, but resolutely and in the fear of God, and with reverent respect for His righteous laws and holy precepts, seeking His guidance and following His Counsels, but forever loyal to the eternal principles of truth, righteousness, and justice, upon which this Republic came into being and in support and defence of which it has never been afraid or ashamed to shed its best life blood; willing to make the same generous sacrifices as have glorified the history of our ancestors that all men, not only ourselves, but all men on the face of the earth may be secure in the enjoyment of those God-given privileges of life, liberty and the peaceful prosecution of their righteous and proper occupations, this nation must now determine what course it will adopt in the crisis from which it cannot retreat. Of one thing let us devoutly hope, that we shall not be willing to accept the benefits that may accrue from the final settlement of the cruel demands made upon us, and yet decline to bear our full share in the burdens and responsibilities by which that settlement is to be secured, Death, my brethren, is not to be dreaded if happily man may consecrate his life to a great cause and to the enduring blessing of the many. The men who daily jeopardize their lives in the battle against contagious diseases that threaten the community, and sacrifice them too, that you and I and the many may continue to enjoy the blessing of life: The firemen who are nightly on the alert to save us from devastations of fire, hold their lives as ever the price of your security, and often pay the price too. So the men who offer their lives that the world may be secure from the robbery, the rapine, the cruelty and the usurpation and slavery of the armed despot, the servitude in which man loses all his manhood and becomes only a minister to the pride and arrogance, the selfishness and the lust of those who rule over him and use him for the sole end of accomplishing the wicked and licentious and ostentatious aims which alone animate them, are I believe, consecrating themselves to the highest work God has given them to do, because they become the instruments in His hands for the accomplishment of those all holy purposes which constitute and glorify the Kingdom and rule of God. For myself in the effort to determine duty under the consecrating influence of the Holy Eucharist, my memory is constantly filled with those solemn words which have ever borne the seal of Divine approval, "Curse ye Meroz, said the angel of the Lord, curse ye bitterly the inhabitants thereof; because they came not to the help of the Lord, to the help of the Lord against the mighty." If ever outraged,

wronged, bleeding humanity, the purity of debauched womanhood, the sanctity of the home, the helplessness of innocent childhood, the feebleness of old age, called for defenders they do today. God grant that this privileged nation may with calm but resolute dignity accept her part, no matter what it cost her, in the secure establishment of peace with justice. Peace at any price may have an alluring charm to ears that dread hardship, but justice and liberty and righteousness at any cost exerted a more potent influence upon our sires in those appalling sufferings which bought our patrimony of privilege as a Republic and when once secured has preserved them unimpaired for succeeding generations. Not called upon to discharge any duty in the legislative or executive branches of government it does not fall to our lot to determine what shall be done, or when, or how. Ours it is to give to the government assurance of earnest and unhesitating support in what it decides is necessary and to refrain from impassioned speech, timid inaction and selfish security which may in any way enervate or obstruct our official government in the prompt and efficient discharge of the grave duties and imposing responsibilities demanded of it. God put into the heart of every citizen to do his duty in this solemn hour when duty is above all else demanded of all.

From the call of the State to us for service we turn as reverently to the call which the Church ever addresses to us for the safe, wise, generous care of the Spiritual Kingdom God has committed to our administration. Here, too, I must lay emphasis upon the increasing burdens which the year has brought to us and urge upon you larger effort to meet them with increased generosity of both time and money. I must admonish you of the danger of recourse to selfish complaints which shall issue in diminished revenue, enervated service and that hectic callous cowardice which asks to be excused from duty because the discharge of duty entails some sacrifice, some hardship, some toil. We should rather expect that with our progress will come greater responsibilities, requiring an increase every year of both gifts and service. To murmur and complain that each year brings an increase in our burdens and responsibilities is in reality the expression of regret that God has blessed us, and a preference for the weakness of infancy over the vigor and achievement of maturity. Can anyone without shame demand that his interests shall be constantly and accurately considered but that the interest of all else be as insistently ignored and neglected. I cannot believe that such is the temper of mind which our holy religion rightly developed implants in men. There are a number of questions on which I must speak today which involve this principle. Our first consideration is always given for a brief moment to those who have been called of God from service in this world to the inheritance that awaits us beyond. In this Christian

commemoration this morning I must give first place to all those who have laid down their lives for humanity's sake and for whom I bespeak your prayers.

Since last we met the Church has lost three of her Bishops, not from the ranks of her aged and feeble leaders but from the young, vigorous, wise and influential men who gave promise of many years of heroic service. The Rt. Rev. Frank Rosbrook Millspaugh, D. D., Bishop of Kansas, The Rt. Rev. Cleland Kinlock Nelson, D. D. Bishop of Atlanta, and the Rt. Rev. Samuel Cook Edsall, D. D., Bishop of Minnesota. No extended comment on their lives is in place here. All were forceful men whose Episcopates covering two decades or more brought to their respective dioceses very marked progress and to the General Church the benefits of wise counsel and great energy. The death of Bishop Millspaugh had been long foreseen but that of Bishop Nelson and Bishop Edsall came as a surprise and shock to the whole Church, for we had thought of them as among the youngest and strongest of our number destined to outlive many of their seniors and to contribute of their wisdom and loyalty to the work of the Church for many years to come. It is thus that in His mysterious wisdom God closes the record and calls the laborer home. For some years past there has lived within our Diocese, but not of it, a priest of the church distinguished by learning, consecration and sweetness of Christian Character who had given many years of most valuable service to the Church in such varied cures as Trinity Church, New York, and St. John's Cathedral, Denver. The Rev. Horace B. Hitchings, D. D., was an uncle of Mr. J. Alvin Scott of Mishawaka, at whose home he spent his declining years and where he died April 13. His burial was from the Cathedral Denver where he had formerly ministered. The death during the year of Mr. E. Louis Kuehns has removed from South Bend one of its most prominent, successful, and philanthropic men. For some thirty years or more he has been identified with the business, social and philanthropic life of the city and was ever active in all that aimed to promote its progress and improvement. During the closing years of his life he gave much of his time, means and energetic work to the City's Charities and the work of ameliorating the suffering incident to vicious conditions of one sort or another. The Civic Institutions were of great interest to him and to them he gave generously of his interest and help. His death brings a serious loss to all this public service.

I make mention here of the death and burial of Mr. William B. Russell of Muscatine, Iowa, because he was for some years a resident of South Bend and Senior Warden of St. James' Church at the time the Church was built. He was also a lay-reader and as such did much valuable service when it was needed. I officiated at his burial

in South Bend April 24. May these faithful servants of God rest in peace and may perpetual light shine upon them.

I feel that the work of the Diocese has for the past year been as a whole conducted happily, harmoniously and with commendable energy and success. What little of friction there has been has happily been removed without disastrous consequences and the provisions now existing for our service during the coming year give promise of the most pronounced encouragement. I feel immensely blessed and encouraged in finding as my assistant in the Mission field the Rev. Robert J. Long, whom I have appointed to the office of Archdeacon, made vacant by the resignation of his predecessor who in turn has supplied at Trinity Church, Peru, and priest in charge of Christ Church Mission, Huntington. Archdeacon Lord brings to our service many qualities which should be of great value to the Diocese and endear him to us by years of efficient service. With youth, vigor, energy, exuberant happiness of disposition and unquestioned consecration to his work, a judicious wisdom that addresses itself to his business but studiously refrains from that of other men, Archdeacon Long gives promise of a service of as great value to this Diocese as that of any officer in it. His duties are hard and fatiguing, exposing him to much isolation and little of the privilege that belongs to the parish priest in even the humbler parishes. I bespeak for him your love, confidence, encouragement and commendation. Help him smooth out the rough places in diocesan work, spare him the trial of harsh, hasty and often unjust criticism and ever remember him and his work in your prayers.

The Rev. Walter B. Williamson has resigned the care of the combined cures of Valparaiso and Hobart to assume great responsibility at Flint, Mich. In his place I have appointed The Rev. Clinton B. Cromwell, who has been in office since November 1. Marked improvements and enrichments have been made in St. Andrew's, Valparaiso, and on the first of May, my twenty-second anniversary, I had the honor and privilege of consecrating this church to God's service. The rectorship of Christ Church, Gary, made vacant more than a year ago by the resignation of Father Ivans, has been very admirably filled by the election of the Rev. Wilbur Dean Elliott who has been in residence since January 1, and whose institution I conducted Septuagesima Sunday, February 4.

The Rev. Louis T. Schofield resigned the rectorship of St. James, Goshen, on October 1, 1916. The parish has been without pastoral care since but has elected as its rector the Rev. Duncan Weeks, at present chaplain of Shattuck School, who promises to enter upon his duties as soon as he can be released from his present charge. These brethren whom we most cordially welcome to a share in our affection and service are all young men who have so acquitted themselves in

their past cures as to warrant the largest and fullest pledge of our confidence, co-operation and love in the work they have accepted here. During the year I have held four ordinations, three for our own diocese, one for the diocese of Springfield. On the Feast of the Transfiguration, August 6, 1916, in St. James' Chapel, Howe, I ordained to the Diaconate Mr. Lucian Frank Sennett, a master in Howe School. On September 29, 1916, the Feast of St. Michael and All Angels, in St. Alban's, Indian Harbor, I ordained to the Diaconate Mr. Charles Alder Baker, who has been for some years engaged in the practice of law. On the 28th of January, 1917, being the 4th Sunday after the Epiphany, in St. Paul's Church, Brooklyn, L. I., at the request of the diocese of Springfield it having no Bishop, I advanced to the sacred order of priests Rev. Carl William Bothe. On the 31st of March, 1917, in Trinity Church, Fort Wayne, I advanced to the sacred order of priests Rev. Charles Alder Baker, who on the day of his ordination by order of court resumed his paternal name of Reah and will be hereafter known as Charles Reah.

On the occasion of my institution of Father Elliott as rector of Christ Church, Gary, I administered confirmation to Rev. Nicolo Accomando, an Italian and a Methodist Minister, and on the afternoon of the same day conferred with a body of Italians resident in Gary who prayed me to organize an Italian Mission there. After all due consideration had been given and with the consent of the rector and vestry of Christ Church, Gary, I, on February 22, 1917, organized San Antonio Italian Mission at Gary and appointed Nicolo Accomando as Lay-Reader among them.

During the year two of our parishes have been greatly blessed by gifts which will vastly increase their efficiency for the future. St. John's, Elkhart, had addressed itself to the task of building a new rectory purposing to assume a debt in order to provide a suitable home for its rector. As the building approached completion Mr. and Mrs. W. H. Foster came forward and presented the parish with the entire cost of the rectory as a memorial to their mothers.

Trinity Church, Logansport, has been the recipient of three gifts from an anonymous donor, resident of Logansport, aggregating some six thousand dollars which will in the near future enable the parish to erect a parish house for all secular service thereby greatly enhancing its efficiency. We greatly rejoice in these gifts with those who have received them and commend them to the thoughtful consideration of others who in like manner might increase the efficiency of the church.

Turning from these matters to those of more general import I have to express my gratitude and profound thanks for the contribution this Diocese made to the successful inauguration of the Church Pension Fund and to the indefatigable work of those gentlemen of

my General Committee who so untiringly exerted themselves to insure its success. I am not advised as to what our gifts have finally amounted to, though I am promised by the New York Office that in the near future I shall have the results duly tabulated for preservation. Should they be received before our Journal goes to press I shall ask your permission to have them printed this year. So far as I am advised we shall be credited with about ten thousand dollars, five thousand of this being the gift of Rev. Dr. Hitchings of Mishawaka, of whom I have already made mention. And now for our increased responsibilities on this score. Your unanimous adoption of the Pension System at our last Council and your generous gifts to make it operative bring to us in turn their meed of increased duties and some increase in financial obligations. If your clergy are to benefit by this provision it will be necessary that each cure whether parish or Mission make provision for the payment each month of one-twelfth of the annual premium on its ministers' stipend. Not only so but in the arrangement of its Missionary budget each diocese must make similar provision for the premium on its Bishop's salary and the stipends of the Missionary clergy paid by the Diocese. The canon also provides for a permanent Standing Committee especially charged with the administration of this matter in the Diocese. The question which I have to ask you all this morning is are you going to cheerfully and courageously face this new work? or are you going to surrender in the face of it, complain that your burdens are already too heavy and ask to be released from the increased effort it entails. This brings a very big question before me to discuss which I do because it is my duty but with some reluctance because I shall have to touch one matter which I had hoped time would adjust. A year ago under the form finally of a resolution you made provision for one year for an equalization committee to consist of the Bishop and two treasurers, ex-officio, and two clergymen and two laymen to be elected by the Council; upon which committee you laid the responsibility of determining what sum was necessary for carrying on the Diocese in accord with your legislative provisions. You elected as members of that Committee Rev. Edward W. Averill, Rev. Marshall M. Day, Mr. L. B. McNamee and Dr. George W. Hitchcock. The task was a heavier one I imagine than you supposed. Your committee met at my house and spent the entire day from 9 a. m. to 6 p. m. in preparing such budget and distributing it as equitably as possible. Their work was tabulated by Mr. McNamee of Gary and sent to you. Again the committee met at the Ross House, Plymouth, to hear such pleas as might be advanced for a change in their distribution. There were not many I am thankful to say who took exception to our work, and for the most part their protests were very mild. To the reasons which were advanced we have given respectful consideration and have

reached the conclusion to report to this Council our work as it was originally made and for these reasons. Unless this Diocese is going to very materially cripple its work for many years to come and cease work in many quarters on which it has already expended much time, money and labor, and made commendable progress it is of necessity compelled to stand behind its work and not let it fail. If such revenues are to be raised they must come from those who are able to spend lavishly upon themselves, or have valuable endowments to help them financially and not upon communities numerically strong, but financially weak who are in the early struggles of procuring themselves a lot on which to build a church or having a lot to meet the cost incident to church building, and lastly, because the reasons advanced for changing our figures do not differ in any respect from those which might be advanced by every parish or mission in the Diocese resulting in such a general reduction all round as would effectually destroy our aggressive work. I feel bound also to say to you that no cure asking a reduction of its apportionment has laid before your committee any evidence that a systematic and energetic and honest effort has been made to secure such pledges as would make possible the meeting of its general obligations, but in lieu thereof there has seemed to be a deliberate conclusion that such obligations cannot be met and to ask without any effort to be excused from them.

It has been intimated by one petitioner that the money expended in Mission work in other Dioceses is thrown away. I am not in a position to speak intelligently of work done in other Dioceses but I am prepared to say that the Missionary work done in this Diocese for the last quarter of a century has been most efficiently done and well repays the money and work expended in it. Does anyone today regret any expenditure made on St. Paul's, Hammond. Some of the parishes founded in the forties and fifties might with advantage follow the example of this younger child of the church. There is not an organization in the Diocese that is doing more vigorous or energetic or successful work today than St. Andrew's Mission, Kokomo, and I am free to say that if all were working with the same cheerful devotion there would be no shortage of any sort to be considered. The same is true of St. Alban's Mission, Indiana Harbor. The guild there have by heroic work made about \$1,100, with which to cut down the debt on the church. There is not a word of complaint coming from these hard workers. Is anyone sorry we began work at the Church's expense at Gary? If you are I assure you I am not. Is anyone sorry we began the work at Valparaiso? I know you would have changed your notion had you been with me on my twenty-second anniversary and had a share in the most dignified service of consecration which set apart its beautiful church to God's service. Why, my dear people, unless the older parishes catch some of this new

vigorous energy the Bishop who follows me will find that the strongest, most active force in his Diocese is furnished by the Missions of the last decade or two.

Now there are one or two instances where arrearages have grown to undue proportions through the inefficiency or criminal negligence of the clergyman who should have this matter much at heart. If we can bring about some working agreement for the future I am prepared to recommend that this Council appoint a committee to adjust such old claims but with the expressed stipulation that in the future such parishes as are thereby aided to recover themselves shall covenant to meet their general obligations in full. The remarkable feature of this discussion is that the parishes and missions that are bearing the heaviest burden are not the ones to complain; by that I do not mean the largest assessment, for one hundred dollars may be a heavier burden to one community than a thousand is to another. And so your committee having done its work as intelligently and as fairly as it could prefers to let its report stand and to ask the Diocese to put forth such heroic and consecrated efforts as shall insure the efficiency of diocesan work.

I have in my hands an elaborate communication addressed to this Council from the parish at Michigan City. I am sorry to be obliged to introduce it here because it involves the discussion of the whole question of the Cathedral, and the relation of Trinity Parish, Michigan City, to me and the Diocese and our relation to it. This document is a most elaborate and carefully wrought out compilation of figures designed to show that great injustice is done some parishes, especially Michigan City, to the great advantage of others by our present system of raising our revenues; and praying that in the future per capita assessments be laid upon the communicants, ignoring entirely their financial status. The curious part of this document is that other figures bearing on the subject are as systematically excluded. Nothing is said of elaborate endowments which materially aid in meeting expenses nor is any allusion to debts with which some parishes are struggling while cheerfully meeting their outside obligations, as well as their current expenses. There is no mention made here of the fact that Trinity Church, Michigan City, is in the enjoyment of a handsome endowment that yields a considerable sum every year in support of its work. No allusion is made to the fact that the daughter of Mr. John H. Barker keeps up her father's subscription of five hundred dollars yearly out of respect to his memory. There is no reference to the fact that during my residence and administration the properties and endowments were increased to the amount of twenty-five thousand dollars or more. There is no allusion to the fact that for seven years the rector of Trinity parish has by my invitation and without any compensation enjoyed uninterruptedly the use of the

Episcopal residence with all its furnishings or that I have paid all the bills for the upkeep of this property. The simple bald plea is made that the same burden should be laid upon Trinity parish, Michigan City, as is laid upon Trinity Hungarian parish, South Bend. This is so preposterous and unreasonable that it seems idle to consume your time in debating it. Yet I must lay this remarkable communication before you. I have only to say this in so doing. This is the culmination of ten years of dissatisfaction and discontent in the parish at Michigan City with existing conditions. This dissatisfaction has found expression in many different ways so that it became impossible for me with proper self respect and without enormous embarrassment for me to longer occupy the Episcopal residence erected for me by Mr. John H. Barker and with the unanimous consent of the Vestry of Trinity Church under the imputation that I was living in the rectory of Trinity Parish and that therefore Trinity parish should be excused from any further diocesan obligation. It must be manifest to you all that no great good can issue from such a condition. A cathedral that is such merely in name is an empty illusion. A cathedral into which the Bishop cannot go for any function without the consent of the Vestry or at the expense of constant annoyance. A cathedral which serves not as the center and stimulus to all Diocesan enterprise but as a millstone about the neck of both Bishop and Diocese is an incubus rather than an inspiration. I have borne all this patiently for many years hoping that the time would come either during my episcopate or that of my successor when the parish at Michigan City would awake to the fact that it was not only a vast privilege but of immense value to have the Bishop with his endowments and prestige behind it. Most reluctantly have I reached the conclusion to recommend to this Council that it appoint a committee to confer with the Vestry of Trinity Parish and provide such steps as may be necessary for annulling all engagements entered into between that parish and myself or this Council whereby it became the Cathedral of the Diocese and for finding some equitable basis upon which I may relinquish all claims to the Episcopal residence so that it may become the rectory of Trinity Parish and we may address ourselves to the work of providing a residence for the Bishop in some locality where it will cause no friction or irritation.

There are two matters to which I must call your attention. They are of general import. The Provincial Synod will meet in Fond-du-Lac in October. It will be in order for you today to elect deputies to this Synod. The General Convention last October enacted some legislation to which your attention should be called. The Secretary will in time read to you the official notice. I have especially to call your attention to the new canon on "Better Business Methods in the Church." This canon is in the first place a most severe arraignment

of the laity for the slack and slovenly way in which the business of the Church has in many cases been conducted and raises the serious question of how the Church has survived these methods. It also makes provision for the more thorough and systematic management of our business affairs in the future. It remains to be seen how you will respond to this canon in your respective fields of administration. I would suggest first of all that every clergyman and every vestryman and executive committeeman provide himself with a copy of it and study it in order to understand what is required of him. First of all this canon requires the appointment of a Diocesan Committee to insure the adoption and carrying out of this canon in every religious organization in the diocese, parishes, missions, guilds, Woman's Auxiliary, Brotherhood of St. Andrews, Daughters of the King, Girls' Friendly Society, etc. It provides that the accounts of every and all organizations shall be audited by a competent auditor at the close of each fiscal year. Without paying any regard to the time at which the respective Diocesan Councils meet it provides that a uniform fiscal year for the whole church be adopted running from January 1 to December 31 and that the reports rendered and audited of the date of December 31 of each year be those reported to the next Diocesan Council and so become the basis for computing the state of the church throughout its entire territory and all its activities. This has not been possible with our variable year and method of compiling reports. It will be wise for you to pass a resolution or canon covering this matter so that our next fiscal year shall extend from May 1, 1917, to December 31, 1917, and thereafter from January 1 to December 31 each year and that the reports then rendered in any organization be duly audited and reported to the next following annual Council for tabulation and record. This arrangement need not in any way affect our annual parish meetings or Council. They may remain as they are unless you desire to change them.

There is no department of Diocesan work that has shown greater energy and efficiency than the Woman's Auxiliary. Under the leadership of Miss Alice Goldthwaite and her efficient corps of officers the Auxiliary has attained an efficiency of most marked character. It calls for my warm commendation and arouses my wonder that the women of any community are content to remain asleep while this vigorous work is going on and have no share in it. It ceases to be a wonder that where such rule prevails there is not apparent much local life energy or growth. It is not hard to trace the causes to their source. Not until this Diocese as a whole and in every member awakes to keen and commendable missionary enthusiasm shall we achieve our true place in the church or solve our own Diocesan problems. This Diocese cannot cease its efforts so long as there is a single

center of population of considerable size in which she has no altar and is unknown to its people.

You have to determine yourselves what and how much you will do in aid of the Mission of Jerusalem and the East of which the Rev. Dr. McKenzie is the official representative in this national Church. It has my highest commendation, and I shall rejoice in that your support is generous. The same is true of your contributions to religious education and social service. I am glad to have them supported but feel that such support should be secured through their own officers rather than be voted by this Council and then have the Bishop continuously appealed to general officer to see that the amount is raised and remitted. I cannot accept the duty of becoming financial agent for all organizations in the church in the raising of the revenues they need.

Perhaps the most important work I have made myself responsible for during the year is the Italian Mission at Gary. I cannot recite in detail its interesting features. It will be enough to say that in Gary there is a very large body of Italians who have no church connection whatever. A most intelligent body of these have appealed to me for an organization that will minister to their needs and meet their convictions. I have given it to them. Their task of securing their church and establishing themselves in the community will be most difficult. Should there be any one who can aid them financially I shall be most thankful. Every assistance will be of value. They feel that when and so soon as they have a church and minister large numbers of Italians from that whole Calumet region will come to them. I trust they are right. With this review of the year's work and present conditions I submit my Journal with summary of statistics:

APPENDIX B

Report of the Archdeacon

To the Rt. Rev. John Hazen White, D. D., and Members of the Council:

I wish to call your attention to the fact that the present incumbent has held the office of Archdeacon for the last ten months of the past council year only. My report therefore will only cover that period of time. I append my diary. It will show how I have disposed of my time and give a full and complete account of the services I have held and in which I have officiated.

In submitting my report to the council I beg leave to review some of the conditions I found in the mission field of the Diocese upon taking up the work of Archdeacon. In the territory that was assigned to me I found but one place—namely Argos—that had been receiving regular ministrations throughout the previous year. In the ten months of my work I have visited and arranged for services as follows:

ARGOS—Services had been held here once a month. This plan has been continued.

ROCHESTER—There had been no service held at this mission for seven months previous to my visit there shortly after taking up the work. The plan previous to that had been to have one service a month. I began at once to give them one full Sunday a month with a morning and evening service. That plan has been supplemented with additional occasional services and a Friday evening service and a weekly Eucharist during Lent.

COLUMBIA CITY—This Mission has had only an occasional service once a year or so during the past seven years. I have services once a month there.

AUBURN—Services were started here in March of last year. I visited this Mission and upon the request of the people did not start services until the middle of September. In October the Bishop of the Diocese gave the care of the work in Auburn to the Minister of the Church at Kendallville and Garrett.

MONTPELIER—There had been but two services of the church in this town in the past ten years. In October I started monthly services.

WARSAW—Through the Rector of Plymouth I learned of some church people in this town. There had been two or three services of the church in this town in the past eight years. In December I started monthly services.

MONTICELLO—I learned of previous services of the church here through the church people of Delphi. However, there had been no services of the church in the past seven years. In January I started monthly services.

RENSSELAER—Through a priest of the church in a neighboring Diocese I learned of church people in this town. In February I started monthly services.

In September the Bishop assigned to me the duty of providing a monthly celebration of the Holy Communion for Kendallville and Garrett. I made five such visits.

In addition to the above definite appointments I have conducted occasional mission services in Bluffton, Wabash and Idaville. I have visited and called in many towns in the mission field of the Diocese. Through the courtesy of the clergy of the Diocese I have had the privilege of presenting the missionary work of the diocese in almost every parish and mission of the Diocese. It has also been my privilege to assist in a number of general services in the Diocese and to fulfill a number of commissions given me by the Bishop and officiate occasionally when out of the Diocese. This is my report of my work.

May I now speak of the missionary work in that particular part of the Diocese where the church has no established work. Our Diocese comprises thirty-one counties. Do you know that of those thirty-one counties there are fifteen counties where the church is not represented except in those stations visited by the Archdeacon? We have heard the Bishop speak of the territory in the southeastern corner of the Diocese with a population of two hundred thousand people where the church is almost unknown. So there is a like section in the southwestern part of the Diocese—comprising six counties—and a population of one hundred and fifty thousand people where there is no work of the church carried on except in the two stations that have been opened in the past six months. There are also cities to be found in our Diocese with a population of ten thousand and more where there is no work of the church and a large number of towns with populations ranging from three thousand to ten thousand where the church is entirely unknown. Our task is to make the church and her tenets known in this large territory. This will take time—a very long time—and require much patience and untiring zeal on our part; but the task is worth the effort and certainly the future of the Diocese can only be justified as we give ourselves to this task. I have found on every hand a hungering for knowledge of the church and a deepest and truest love for the church and all she stands for. I firmly believe this knowledge and love of the church can be instilled more and more into the hearts and minds of the people throughout our Diocese who have not as yet known the church. But again, I say this can only be done through patient instruction and unceasing effort. I regret to be compelled to state that even now there is not a mission I visit that feels assured that the Diocese will continue the work. This confidence we should give them and unfailingly continue to minister the sacraments and services to the church.

In closing I wish to mention the special interest that has been shown in the missionary work by the Woman's Auxiliary and the Missionary Committee, this I deeply appreciate. I wish also to thank the clergy for their interest and the encouragement they have given me. It has meant much to me. I am anxious that this Council know of the unlimited time and advice our Bishop has given me. He has always been ready to give untiringly of his time. Without his godly counsel and his affectionate encouragement I could not have accomplished the work. My conferences with him have ever been an inspiration and for all I am sincerely grateful.

Section 1. It shall be the duty of every Minister of this Church in charge of a Parish or Congregation, or, if there be no Minister in charge, of the Churchwardens, or other proper officer; to prepare upon the blank form adopted by the General Convention a report for the year ending December 31 preceding, and to deliver the same on or before the first day of every annual convention to the Bishop of the Diocese or Missionary District, or where there is no Bishop, to the presiding officer of the convention. This report shall include the following information: (1) the number of baptisms, confirmations, marriages and burials during the year; the total number of baptized persons and communicants at the time of the report; (2) a summary of all receipts and expenditures, from whatever source derived, and for whatever purpose used; and (3) a statement of the property held by the Parish, whether real or personal, with an appraisal of its value, together with a statement of the indebtedness of the Parish, if any, and of the amount of insurance carried. And every Minister not in charge of any Parish or Congregation shall also report his occasional services, and if there have been none, the cause or reasons which have prevented the same. And these reports, or such parts of them as the Bishop may deem proper, shall be entered in the Journal.

Sec 2. It shall also be his duty to prepare, immediately after the adjournment of the Diocesan Convention or the Convocation of a Missionary District next preceding the regular meeting of every General Convention, and forward forthwith to the Secretary of the House of Deputies, upon the blank provided for that purpose, a condensed summary of the statistics contained in the Parochial reports and Bishop's statements, with information as

President's Address

To the Members of the Auxiliary:

Since the Triennial in New York in 1913 I am happy to record a stimulating growth in all departments of our Auxiliary work. We have grown more prayerful, we have given more of our time, thought and money to the extension of Christ's Kingdom, both within and without the Diocese, and we are informing ourselves more of the Field and the Workers. Having had the honor of being the president of the Michigan City Auxiliary for more than three years I can truthfully say that one cannot find in any Diocese a more consecrated group of women than those who are active in our Auxiliary. But the group is small. What can we do to arouse the zeal of those women in our church who are not active in the Auxiliary? To me the Woman's Auxiliary is the highest expression of our religion, therefore I plead for education. The church informed is the church at work.

Our United offering at St. Louis more than doubled that of 1913; our Box Work has increased; we have met in full our pledge to the Archdeacon's Fund two years out of three; there have been a few study classes throughout the Diocese. A small number from the Diocese have attended summer conferences and a diagnosis as a whole indicates health rather than sickness, but my concern is for those women in our parishes who are not alive to their privileges as baptized members of the great missionary society, and may our prayer be that "God may find some way to waken them out of their lethargy."

Among the activities of the Auxiliary the past year records the visits of several missionaries to our Diocese—Deaconess Stewart F. Hanker, Miss Robins of St. Luke's Hospital, Ponce, P. R., Mrs. Biller of South Dakota, two workers from Akita, whose names I do not recall, and now we are to have Mrs. Pratt of Indianapolis and Miss Emery of the Church Missions House, whom every Auxiliary woman knows about, reverends and those who know her have grown to love her.

As President of your Auxiliary I have written 294 letters, 17 post cards, talked at 1 district meeting, attended a summer conference,

was one of the five delegates to the Triennial at St. Louis, and conducted a conference on Business Methods at the Church Club Rooms, Chicago, for the Woman's Auxiliary.

Respectfully submitted,

ALICE GOLDTHWAITE.

May 16, 1917.

Minutes of the Nineteenth Annual Meeting

St. Andrew's Mission, Kokomo, Ind.

May 16 and 17, 1917.

The Nineteenth Annual meeting of the Michigan City Branch of the Woman's Auxiliary to the Board of Missions was held at St. Andrew's Mission, Kokomo, Ind., May 16, 17, 1917.

On Wednesday, May 16, at 4 p. m., the meeting opened with the creed and collects said by Bishop White.

The President, Miss Alice Goldthwaite recommending that we learn more about missions in the East, introduced The Rev. Dr. McKenzie of Howe School. His talk on "Jerusalem and the East Mission" was illustrated with stereoptican views: Many of the Sunday-school children of St. Andrew's Mission, having been invited by the rector, Father Plummer, were present to see the pictures. At the close of Dr. McKenzie's address copies of "Bible Lands," the quarterly paper of the Jerusalem and the East Mission, were distributed. These contained leaflets, with subjects for intercession and thanksgiving.

On invitation of the President, Father Plummer gave a short address of welcome to visiting members of the Auxiliary, bespeaking for them, the genial hospitality of his people. The President appointed the following Committee on Resolutions: Mrs. John Hazen White, South Bend; Mrs. Frances H. Robertson, Fort Wayne; Mrs. Jas. P. Wason, Delphi.

The Bishop gave an address of welcome to the delegates, and introduced Bishop Osborne, formerly of the Diocese of Springfield, who conducted a "quiet hour." During this service Hymns 125, 138 and 221 were sung.

At 7:30 in the evening a missionary service was held in the Parish House. This opened with the singing of Hymn 249 and the Evening Prayer service, the first part of which was conducted by Father Plummer of St. Andrew's Mission. The lessons were read by Archdeacon Robert J. Long, and the concluding prayers by Bishop Osborne. Archdeacon Long then delivered a stirring address on "The Scattered Communicants in Our Diocese." After the singing of Hymn 254, Bishop White gave his annual address, his subject being, "Work Among Foreigners in Our Diocese." He paid a fitting tribute to Bishop Osborne, whose ministry he said "had been all over the world," and to Miss Julia C. Emery, retired general secretary of the Woman's Auxiliary, who was also present. He spoke feelingly of the nobility of their lives, which have been spent in mission work.

The offering, which amounted to \$20.00, was for the Archdeacon's fund. The closing prayers were said by Bishop White and the recessional Hymn 252 closed a helpful and long to be remembered service.

At 7:30 Thursday morning, May 17, the Auxiliary made its annual corporate communion with Bishop White, celebrant. The offering amounting to \$8.85, was for specials of the Woman's Auxiliary.

At 8:15 breakfast was served in the Rector's apartments at the Parish House.

At 9:00 a. m., after the singing of Hymn 374, the Litany of Missions was conducted by Bishop Osborne. The President, Miss Goldthwaite, then gave her annual address, and report of her year's work.

The report of the corresponding secretary, Mrs. Boedefeld, was read. On motion the report was accepted. She then read the reports of Kokomo and Logansport, which were received.

Thursday morning, May 17. The report of Miss Haberly, the treasurer of Diocesan Missions, was read.

The report of Mrs. True of Hammond, treasurer of general missions, was read by the recording secretary. Mrs. True urged that remittances either for general missions or the one day's income, be sent directly to her, so that she may send them to Mr. King and be properly credited to parishes.

The report of the Junior Auxiliary was given by the secretary, Mrs. Crandall, of Howe, Ind. She also read a letter from the general secretary of the Juniors, urging the forming of more Junior societies.

The report of the second vice-president and secretary of the Little Helpers, Miss White, was then read and the faithful work done throughout the Diocese was commended.

Bishop White then made the statement that a canon to adopt a uniform fiscal year had been adopted at the Annual Council of the Diocese at Plymouth on May 15; that reports of officers shall be sent in by December 31; also that all accounts shall be audited by a competent person and sent to the Bishop, before the Annual Council, who in turn, will present it to the Committee on the State of the Church.

The United Offering treasurer, Miss Edna Johnson, was unable to be present on account of illness. Her report was read by the recording-secretary. A letter to the Auxiliary from Miss Johnson was read by Miss Goldthwaite who then announced that prayer cards and leaflets would be given to officers of parish branches for distribution.

Mrs. Arvin of Valparaiso, chairman of the Michigan City District, read her report. The report of the South Bend District chairman, Mrs. Muessel, was read by Mrs. White. The report of the Fort Wayne District chairman, Mrs. Randall, was read by the recording secretary. On motion these reports were accepted.

The President requested that delegates of the different parishes represented consult together as to raising the amount of the pledge of \$800 to the Archdeacon's Fund, and spoke of the Church Pension Fund, to which each parish is expected to contribute 7½% on its rector's salary.

At 10:30 a. m. Miss Emery spoke to the Auxiliary on "The Pilgrimage of Prayer." Miss Goldthwaite suggested that something be done towards a program for the week of prayer. Hymn 252 was then sung and at its close Bishop Osborne commended the hearty responses and singing in the churches of our Diocese.

A motion to give Miss Emery a rising vote of thanks for her excellent address was unanimously seconded and given. Mrs. White then asked permission to read the following resolution, from St. James' Church, South Bend:

"Resolved, That the Woman's Auxiliary of the Diocese of Michigan City ask the Bishop and clergy throughout the Diocese to lead the intercession for the week of the Pilgrimage of Prayer assigned to this Diocese, beginning June 10th; to hold daily Eucharists wherever it is practicable and possible, using Leaflet W. A. 3 from the Church Missions House; above all to begin the week with a corporate communion the first Sunday after Trinity, the offering to be applied on this year's special, St. Agnes' School, Kyoto."

The Resolution was unanimously adopted.

At 11:30 Mrs. Pratt conducted a round table on the United Offering. She suggested a symposium and the knowing and praying for some one worker as helpful. The noonday prayers were said by Archdeacon Long.

Bishop White then gave what he designated "a message of three words." First, that a committee from each Auxiliary ask the clergy to take steps as to the observation of the week of the Pilgrimage of Prayer; second, we *can* do things if we *will* to do them; third, we are called to *bigger* things; let us be ready to meet the call. He closed by pledging \$50 to the work of the Auxiliary. After roll call of the parish branches, Mrs. Cordick of Plymouth, made a motion that the Auxiliary pledge of the women of the Diocese of Michigan City be raised to \$1,000. Seconded and carried. Mrs. Cordick asked if it would be possible to secure speakers for parish Auxiliary meetings. Archdeacon Long responded that this could be done by co-operation, and modestly proffered his own services.

Father Daup of Elkhart announced that a movement had been started to purchase an automobile for the use of the Archdeacon in his work, and asked the help of the Auxiliary. Father Daup is in charge of this fund and subscriptions are to be paid to him.

Luncheon was served at 12:45 in the Rector's apartments at the parish house, after which the Bishop appointed officers for the coming year, as follows:

President—MRS. F. J. BOEDEFELD, Elkhart.
 First Vice-President—MRS. WALTER CRANDALL, Howe.
 Second Vice-President—MISS MARY MAY WHITE, South Bend.
 Third Vice-President—MRS. WALTER MUESSEL, South Bend.

CHAIRMEN OF DISTRICTS

Michigan City—MRS. F. N. ARVIN, Valparaiso.

Mrs. Pratt spoke most interestingly on "The Church in Indiana." The President announced that a new constitution had been prepared. This was read by Mrs. Boedefeld. On motion it was adopted as read.

On motion a rising vote of thanks was given Miss Goldthwaite for her faithful work in the past three years.

The President read letters from Miss Hopkins, chairman of the Milwaukee Plan, from the general secretary, Miss Lindley and from Mr. Elliott, treasurer of Missionary Funds.

Miss Emery, because of limited time, combined her talk on St. Agnes' School, Kyoto and the Round Table for the women of the Auxiliary. The Committee on Resolutions made the following report:

RESOLVED, That the thanks of the Auxiliary be given to St. Andrew's Mission, for their hospitality, so freely, so generously and competently given.

RESOLVED, That the thanks of the Auxiliary be especially given to Father Plummer, who arranged, and with the assistance of the women of the Mission, carried the meeting to complete success.

RESOLVED, That the thanks and deep appreciation of the Auxiliary be extended to Bishop White, Bishop Osborne, Dr. McKenzie, Archdeacon Long, Miss Emery and Mrs. Pratt, for their interesting, entertaining, inspiring and helpful words.

Respectfully submitted,

M. LOUISE WHITE,

FRANCES HABERLY ROBERTSON,

SUSAN E. WASON,

Committee on Resolutions.

On motion the resolutions were accepted by a rising vote.

Mrs. Boedefeld invited the Auxiliary to hold its next annual meeting at Elkhart. The invitation was accepted. The minutes of the meeting were read by the recording secretary and were adopted by consent as read.

The President introduced the new President Mrs. Boedefeld. On motion the meeting adjourned. Closing prayers were said by Archdeacon Long.

Respectfully submitted,

MRS. C. J. GRANT, Recording Secretary.

Reports of the United Offering Treasurer

To the Members of the Auxiliary

While our great Thank Offering in its completion is one united effort it is in another sense the most individual, the most personal opportunity we as women have for expressing our thanks to our Lord.

For this reason we have no standard for measuring success or failure in a parish. There is, however, a way by which we can measure success to a certain extent, and that is by the *number of contributors*.

The United Offering is collected by the Auxiliary, but the little blue mite box should be given to every church woman whether active in the Auxiliary or not—for only half of the usefulness of the United Offering is expressed by the amount collected, the other half is in the prayers of faithful women for the missionaries, for their work, and for the offering.

In looking over the report the Fort Wayne District is the only one whose May offering is greater than the fall offering, preceeding. In September last 21 parishes contributed. The present offering came from only 15 parishes, but the offering itself did not decrease in the same proportion. It is very encouraging to think of the strength we will have when all contribute something to this United Offering.

EDNA JOHNSON,
Diocesan United Offering Treasurer.

Little Helper Annual Report

1916-1917

As the children of today shall be the Church of tomorrow, it is gratifying to know how many of our diocesan babies are taking their part in the work of Christ's Kingdom. In a simple way, the Little Helpers under eight years of age are being given the great and generous vision of missions. They are taught to pray daily for the spread of the Gospel, to give their pennies regularly; and once a month are told the story of children in one of the mission fields. During Lent the kindergarten children in the Sunday Schools have had primary study questions and answers, with the hope that to them Lent may become a season for special study.

Through the past year the work has been conducted faithfully and well, for which I wish to express my deep appreciation and gratitude to our Diocesan Little Helper leaders, as well as to every Little Helper mother and friend.

On the first Sunday in May, the Little Helpers in Sunday School contributed to the Little Helper Diocesan Expense Fund, which defrays the diocesan secretary's expense of sending out

75 Letters	\$1.50
26 Prayer cards and leaflets.....	.10
12 Mite boxes.....	.04
184 Birthday cards	3.68
<hr/>	
Total expense.....	\$5.32

To the women of the Auxiliary falls the responsibility of the care and training of the children. There is no more important work. May every woman of every parish in our Diocese inform herself as to the work of the children; give them her constant encouragement, and in her daily prayers ask God to bless their efforts. As we of today enjoy our Christian privileges because of faithful women who have given of their strength and means before us, may we in our turn preserve and give to the children in its fullness the faith entrusted to our keeping by our dear Lord and Master.

District Reports

REPORT OF THE MICHIGAN CITY DISTRICT

Two district meetings were held during the year in the Michigan City district. The first at East Chicago, October 6, 1916. Thirty-eight delegates were present at this meeting. The feature of the program was the address by Deaconess Stewart of Hankow, China. She gave a very interesting and instructive talk on three phases of the work in China, viz: Evangelistic, educational and medical. After the talk she displayed a number of Chinese articles—gowns, shoes, hats, combs, embroideries, etc. Archdeacon Long was to have been present but was detained by illness. A collection of \$6.85 was forwarded to George Gordon King to be applied to Miss King's traveling expenses.

The second meeting was held in LaPorte on January 24. Mrs. Boedefeld of Elkhart gave a very practical talk to secretaries on the use of the report blanks. She also read an appeal from Rev. W. B. Thorn concerning the needs of the Oneida Indians and a vote was taken for the district to unite on box work for this mission. Archdeacon Long spoke of his work and told of some of his experiences with the people with whom he comes in contact.

Miss Mary White of South Bend gave a description of the presentation of the United Offering at the Triennial and urged us all to remember the blue boxes.

Officers for the Diocese were elected, as follows: Chairman, Mrs. F. N. Arvin, Valparaiso; Vice-Chairman, Mrs. D. Le Baron Goodwin, LaPorte; Secretary-Treasurer, Mrs. Charles Egbert, Indiana Harbor.

Offering for this meeting was \$8.82. A bill of \$1.00 was allowed for programs and the balance remitted to Miss Haberly.

MRS. F. N. ARVIN, Chairman.

REPORT OF THE SOUTH BEND DISTRICT

Madame President and Members of Auxiliary:

I have the honor to submit the following report of the South Bend District:

The meeting of the Auxiliary was held at St. John's Church, Elkhart, November 8, 1916, with an attendance of 67 delegates, 4 clergy and one missionary. Goshen, Mishawaka, Howe, South Bend, Plymouth and Elkhart being represented.

The speaker for the afternoon was Miss Robbins, superintendent of St. Luke's Hospital, Ponce, Porto Rico. She was an inspiring speaker and is, with her assistants doing a fine work.

The offering, which was \$18.51, was given to Miss Robbins for her work.

Report of the Lake Geneva Conference was given by Miss Burns of Goshen and of the Triennial by Mrs. Melcher of Elkhart.

The sixth district meeting of the Auxiliary was held at St. James' Church, South Bend, February 7, 1917, with an attendance of fifty-eight women and five of the clergy.

The Litany for Missions was said by Rev. H. R. White.

A list of questions prepared and sent out to presidents of each branch, brought out interesting reports of work done by the Auxiliary.

Archdeacon Long gave a most interesting talk on the Mission work in our Diocese. Short talks were given by Miss White on "The Pilgrimage of Prayer," and "Work Among Hungarian Women," by Mrs. Victor von Kubinyi of South Bend.

The following officers were elected for the ensuing year: Chairman, Mrs. Walter Muessel, South Bend; Vice-Chairman, Mrs. Cordick; Secretary, Mrs. Campbell, Mishawaka. The offering of \$15.44 was sent to Miss Haberly of Fort Wayne to apply on our pledge for Missions.

Respectfully submitted,

MRS. WALTER G. MUESSEL,

District Chairman.

REPORT OF THE FORT WAYNE DISTRICT

The chairman reports two meetings for the Fort Wayne district.

The first one was held in November at Delphi. Twenty-five delegates were present. The women of the Delphi Auxiliary were so hospitable and kind that every guest felt sorry when the day was ended.

The Litany of Missions was read by Father Westman. After the appointment of proper committees by the chairman, a cordial greeting was extended to the delegates by Mrs. Brackenridge. Father Plummer then gave an account of the St. Louis Triennial from the point of view of the clergy. After which Miss Goldthwaite told of the United

Offering and of the wonder of that service. She further explained how every churchwoman may have a part in this great gift.

A delicious luncheon was served at the hospitable home of Mrs. Wason. Two special guests were present, Mrs. Pratt, the editress of the Woman's Auxiliary column in the "Living Church," and Miss Robbins of St. Luke's Hospital, Porto Rico. Mrs. Pratt spoke of the United Offering, Miss Robbins, a real United Offering nurse, told of the needs of the hospital and of the work in general. She said that the real need in Porto Rico at the present time is more priests. In other words, spiritual aid must come with the material. The offering of \$28.10 was given to Miss Robbins.

Following the report of the Resolutions Committee the meeting adjourned. Father Westman, Archdeacon Long and the Rev. C. A. Baker were present. A cordial invitation for the next meeting to come to Garrett was presented and accepted.

On January 25 the district meeting was held in Garrett. It proved to be most profitable. An election of officers resulted in Mrs. Brackenridge being elected chairman, Mrs. J. D. Jack vice-chairman and Mrs. W. C. Bickel secretary and treasurer.

The meeting opened with the Litany of Missions, read by Father Averill. After which the Rev. C. A. Baker, who since his ordination has taken the name of Father Reah, welcomed the delegates to Garrett. Mrs. Jack responded to this.

This meeting was conducted along the lines of Home Mission work. Archdeacon Long gave an interesting account of his work in the district. A collection of \$10.25 was given for the Archdeacon's Fund.

A Round Table was conducted for the purpose of asking if each Parish Branch had a Home Department for women who are employed, mothers or invalids.

There were forty-five delegates present. Mrs. Jack and her assistant entertained the delegates at a delicious luncheon.

Mrs. Boedefeld conducted a Round Table for the benefit of the secretaries. This proved most instructive.

Miss Mary May White spoke of the United Offering and impressed upon everyone present the value of giving.

The meeting then adjourned.

These district meetings have proven to be very profitable and enjoyable to those persons, fortunate enough to have been able to attend them.

Respectfully submitted,

GRACE H. RANDALL, Chairman.

May 21, 1918.

The report was received.

The Rev. Wm. J. Hawthorne, Chairman of the Finance Committee, then presented the following:

FIRST ANNUAL REPORT OF THE FINANCE COMMITTEE OF
THE DIOCESE OF MICHIGAN CITY, MAY, 1918

In presenting our report, we deem it advisable to call your attention to the number and the names of the various funds created in the Diocese for meeting her obligations.

Your committee organized in July and, although its members live far apart, we have met three times during the year. The demands of the war, together with the severe winter weather and the changing of reports to date with the fiscal year, must be our plea for no greater progress in the work assigned. We have made a beginning at least in the arduous task committed to us. The budget of the Diocese for the year May 1, 1918, to May 1, 1919, is affixed to our report.

We believe that the Diocese cannot improve upon its present system of equitable taxation upon the parishes and missions. The Diocese, having accepted the 1917 apportionment of \$2,571.00 for General Missions laid upon it, be it therefore

Resolved, That the same be met by laying upon the parishes and missions an apportionment consisting of 9 per cent of the average current expenses of each cure as reported in the past five Journals.

Resolved, That an assessment for diocesan expenses be laid upon the parishes and missions, consisting of 5½ per cent of the average current expenses of each cure as reported in the past five Journals, and that of the sum raised \$500.00 be given to the Bishop for the expenses of his office.

Resolved, That an assessment for diocesan missions be levied upon the parishes and missions, consisting of 13⅓ per cent of the average current expenses of the several cures as reported in the past five Journals, and that the Missionary Committee be instructed to continue its present appropriations from the sum so raised to the educational work at Gary, and to the Hungarian Mission at South Bend.

An effort was made to submit to this Council and to the whole Diocese, through this printed medium, the actual standing of the cures and the present condition of all funds in the Diocese.

We find it is impossible this year because cures have only reported an eight months' basis, and your committee has been unable, after various attempts, to procure the necessary statistics from all sources for this fraction of the year. Out of thirty-four cures only twenty reports are in our hands.

We are listing the names of all the funds in the Diocese and involving them in our report for educational purposes and as a basis for more perfect action and results next year, with the new fiscal year system at work.

If the committee must do its work perfectly to report to the Annual Council, total statistics from all cures and other diocesan financial sources should be sent to the Chairman of the Finance Committee by February 1st of each year, and we would put this in the form of a motion.

From the sources at hand, the cures in the Diocese show an excellent financial basis. Fourteen cures have balances, one met all obligations, three have small debts. One reports a large debt, and one cure did not use the prescribed parochial report and records no total.

A total of thirty-four cures are recorded in the Journal of 1917 who report to the Council.

The reports of the Diocesan Expense Fund, Diocesan Missions and General Missions are read in the Council.

We would also refer you to the reports of the Treasurer of the Diocese and to his Financial Statement; the report on investments held by trust funds; the report of the Treasurer of Diocesan Missions; the report of the Clergy Pension Fund; the report of the Archdeacon of the Diocese. We believe it should be made possible next year for the Finance Committee to include in its report the totals of all these funds, as we tried to do at this meeting.

These funds have all been examined by your committee, found correct and properly audited according to canon. We present to you a set of questions pertaining to the work of the Joint Commission on Business Methods in the Church, and questions of value to us in our work in the Diocese, all of which should be answered immediately:

1. Have all permanent funds in your parish, held for church purposes, been deposited in trust, according to the resolution adopted by General Convention?
2. Has your Parochial Treasurer accurate records covering values, etc., of their church property?
3. Is all your church property adequately insured in responsible companies against fire?
4. Do you submit annually a budget of the probable income and expenditure of your parish?

DIOCESAN FINANCE COMMITTEE QUESTIONS

1. Are all your accounts audited of all organizations in the parish according to Canon 50 of the General Digest?
2. What plan of accounting does your Treasurer use, and will you adopt the uniform plan if one is suggested by the Finance Committee?

As all the parishes in the Diocese now use the Parochial Report approved by the General Convention, we believe it to be for the best interests of the Diocese and for the Parochial Treasurer or Financial Secretary of the parishes and missions to adopt a uniform plan of accounting which the Finance Committee has under consideration.

To hereby create such uniformity in the parochial records would enable any member of the Diocesan Finance Committee to give more intelligent aid to treasurers of parishes who may sorely need it. The assessments on the parishes and missions for Diocesan Expense Fund, Diocesan Missions and General Missions, according to resolutions, are as follows, but note that the apportionment for General Missions from November 1, 1918, to December 31, 1919, is \$3,566.00:

Respectfully submitted,
W. G. ELLIOTT,
Treasurer Missionary Fund.

The Treasurer's Report was received and referred to the Committee on Audit of Accounts.

The Chairman of the Committee on Audit of Accounts, Rev. W. D. Elliott, presented the

REPORT OF THE COMMITTEE ON AUDIT OF ACCOUNTS

The Auditing Committee begs leave to report that it has compared the reports of the Diocesan Treasurer and the Missionary Treasurer with the bank statements and canceled vouchers, and finds them correct.

Respectfully submitted,
(Signed) WILBUR DEAN ELLIOTT,
Chairman.

The following resolution was presented and adopted:

Resolved, That the Treasurer of the Diocese be authorized and instructed to pay the sums apportioned to this Diocese for (1) the expenses of the Synod of the Province of the Mid-West, (2) the expenses of the General and the Provincial Boards of Religious Education, (3) the expenses of the Joint Commission on Social Service, and of the Provincial Commission on the same.

On motion of the Chancellor of the Diocese, Mr. Stuart MacKibbin, the following resolution was adopted:

Resolved, That the report of the special committee appointed at the last Council to consider the relations of the Cathedral to Trinity Parish of Michigan City be now presented.

Rev. E. W. Averill, the Chairman of the committee, then presented the report.

REPORT OF THE COMMITTEE ON THE RELATIONS OF THE CATHEDRAL TO TRINITY PARISH, MICHIGAN CITY

To the Twentieth Annual Council of the Diocese of Michigan City:

The undersigned, being the committee appointed at the Nineteenth Annual Council to take into consideration that part of the Bishop's address pertaining to the relations of the Cathedral to Trinity Parish of Michigan City, respectfully report as follows:

That your committee went over the entire situation very carefully, and after consultation with the Chancellor and looking up the law, came to the conclusion that the Diocese of Michigan City has no interest in the Episcopal residence at Michigan City except the right of the Bishop to occupy the same if he so desires. Your committee examined the deed for the real estate made to Trinity Parish and by the terms of that deed Trinity Parish has no right to alienate any portion of the title, and in case any portion of the title is attempted to be conveyed, the title to the entire land reverts to the heirs of the grantor. For this reason Trinity Parish could not part with the title to the real estate.

After a conference with the Right Reverend John Hazen White,

Bishop, the following resolution was adopted by the Wardens and Vestrymen of Trinity Parish, Michigan City, on November 2, 1917:

"WHEREAS, The Vestrymen of Trinity P. E. Parish, Michigan City, Indiana, understands that Rt. Rev. John Hazen White, Bishop of the Diocese of Michigan City, does not intend to reside at Michigan City, and is willing that the former arrangements made between the Parish and the Diocese and the Bishop be terminated, so that the Parish shall have the undisputed right to what is now known as the Episcopal residence, and the Bishop have the right to the personal property now contained therein; now, be it

"Resolved, That Trinity Parish hereby agrees to cancel and terminate all arrangements heretofore made for the use of Trinity Church as a cathedral and retains the Episcopal residence as a rectory, and return to the Bishop all furnishings and other property now contained in said Episcopal residence; the Bishop relinquishing all claims to the Episcopal residence, and the Parish in the future to continue as a Parish and not as in any especial way connected with the Episcopal See. This arrangement to take effect as soon as consented to by Bishop John Hazen White in writing.

"Trinity Parish and Bishop White are to request the Council of the Diocese to ratify this agreement."

On November 4, 1917, the Bishop accepted the resolution, a copy of which acceptance and the letter sent to the Vestry of Trinity Parish is attached to this report, and made a part thereof. Your committee believing that this is the best solution of the situation, moves that the Council ratify and accept the settlement made between Trinity Parish and the Bishop of the Diocese.

Chairman.

Mr. E. G. Dunn, Clerk Vestry, Trinity P. E. Parish,
Michigan City, Ind.

Dear Mr. Dunn:—I have your favor of November 3d, inclosing copy of resolution adopted by your Vestry on November 2, 1917, and I am herewith inclosing you the acceptance of the terms of that resolution signed by the Bishop.

The Bishop will probably be over this week to commence receiving the property in the residence. I sincerely trust this action taken by the officers and the Bishop will close up matters at Michigan City to the satisfaction of all parties.

Yours very truly,
(Signed) DUDLEY M. SHIVELY.

To the Wardens and Vestry of the Trinity Parish,
Michigan City, Ind.

Gentlemen:—I hereby acknowledge receipt of a certified copy of preamble and resolution adopted by you at a meeting held November 2, 1917, which preamble and resolution is as follows, to-wit:

"WHEREAS, The Vestry of Trinity P. E. Parish, Michigan City, Ind., understands that the Rt. Rev. John Hazen White, Bishop of the Diocese of Michigan City, does not intend to reside at Michigan

City, and is willing that the former arrangements made between the Parish and the Diocese and the Bishop be terminated, so that the Parish shall have the undisputed right to what is now known as the Episcopal Residence, and the Bishop have the right to the personal property now contained therein; now be it

“*Resolved*, That Trinity Parish hereby agrees to cancel and terminate all arrangements heretofore made for the use of Trinity Church as a cathedral and retains the Episcopal Residence as a rectory, and return to the Bishop all furnishings and other property now contained in said Episcopal Residence; the Bishop relinquishing all claims to the Episcopal Residence, and the Parish in the future to continue as a Parish and not as in any especial way connected with the Episcopal See. This arrangement to take effect as soon as consented to by Bishop John Hazen White in writing.

“Trinity Parish and Bishop White are to request the Council of the Diocese to ratify this agreement.”

I accept the above and consent thereto. The personal property in the residence belonging to me or to the Diocese will be removed within thirty days.

(Signed) JOHN HAZEN WHITE,
Bishop of Michigan City.

November 4, 1917.

The Bishop then stated that in accord with the agreement entered into by himself and the Vestry of Trinity Parish he had, on November 19, 1917, removed the personal property from the residence, and surrendered the keys of the house to the Senior Warden of the Parish, Mr. A. J. Henry, taking his receipt therefor.

It was then moved and seconded that the report of the committee be adopted, and the covenants entered into by the Bishop and the Vestry of Trinity Parish, Michigan City, be ratified and agreed to by this Council. The motion was carried unanimously.

The Chancellor of the Diocese, Mr. Stuart MacKibbin, for the Committee on Constitution and Canons, presented the following report:

PROPOSED AMENDMENTS TO THE CONSTITUTION OF THE DIOCESE OF MICHIGAN CITY

Article 1 of said Constitution shall be amended by striking out of the same the words, “Michigan City,” and inserting in the place thereof

Article 2 be amended by striking out thereof the words, “Michigan City,” and inserting in the place thereof the words,

That Article 3 be amended by striking therefrom the words, “Michigan City,” and inserting in the place thereof

After discussion it was moved by Mr. Dudley M. Shively, and seconded by Rev. J. H. McKenzie, D. D., that the name

“Northern Indiana” be substituted for “Michigan City” where it occurs in the Constitution. The motion was unanimously carried.

It was then moved by Mr. Stuart MacKibbin that Article 1 of the Constitution be further amended by striking out the words, “Following ancient custom.” The motion was seconded and carried.

Mr. Stuart MacKibbin, for the Committee on Constitution and Canons, continuing his report, presented the following:

PROPOSED AMENDMENT TO THE CANONS

That there be enacted the following canons, to be known as Title VI, “The House of Church Women”:

CANON 1

There shall be a House of Church Women to meet at the same time and place as the Council of the Diocese, with power subject at all times to the Constitution and Canons of the Diocese, to legislate to the conduct of woman’s work in connection with the Church in the Diocese and to act in a consultative capacity upon such other matters as the Bishop or the Council or the Standing Committee may, from time to time, submit to it for its opinion; the sessions of the House of Church Women, however, shall be separate from the sessions of the Council.

CANON 2

The House of Church Women shall be constituted as follows: The Bishop of the Diocese, and if there be one, the Bishop Coadjutor. The Treasurer of the House of Church Women.

Each parish in the Diocese shall be entitled to three delegates and each mission to one delegate, who shall in all cases be female communicants of the Church, not less than 21 years of age, and stated worshipers of the parish or mission which they represent, not under ecclesiastical discipline, and who have been elected delegates in accordance with the canon governing the election of the delegates.

CANON 3

Delegates to the House of Church Women shall be elected annually in each parish and mission at a meeting of the women of the parish or mission, which meeting shall be held at the time and place of the annual meeting for the election of Wardens and Vestrymen of the parish, viz., on the Monday following the first Sunday in May, and in the election of such delegates the following persons shall be entitled to vote, viz., all women communicants, members of the parish or mission, in regular standing, and not under 21 years of age, who have been habitual worshipers at the public services of the parish or mission and regular contributors to its support for six months next preceding such election; provided, that in the event that any delegate so elected

shall fail to attend the meeting of the House of Church Women, then, and in that event, the Rector of the parish or missionary in charge of the mission shall have the right to appoint some qualified woman or women to represent such parish or mission.

CANON 4

The Clerk of the Vestry or Rector or missionary in charge of a mission, or the presiding officer of the meeting of women who elect such delegate or delegates, shall issue a certificate certifying to the election of any delegate or delegates to the House of Church Women substantially in the form provided by Title I, Canon 2, of the Diocese, and deliver the same to the Secretary of the Council of the Diocese for the first meeting of said House of Church Women and thereafter to the Secretary of the House of Church Women.

CANON 5

The House of Church Women shall organize by electing a President, Secretary and Treasurer who shall continue in office until their successors are elected and qualify, and shall have power to elect and appoint such other officers and committees as it shall deem advisable or necessary, to prescribe the duties of the officers and committees whom it may elect or appoint, and to make rules of order governing the transaction of its business. The Secretary shall procure and keep a suitable book to be entitled, "Records of the House of Church Women," and in which shall be recorded this canon and all additions thereto or alterations thereof hereafter adopted by the Council of the Diocese and all regulations adopted by the House of Church Women; provided, however, that the Bishop of the Diocese shall have the right to veto any regulations which may be adopted by the House of Church Women.

CANON 6

The Secretary of the Council shall annually print, as a part of the printed journal of the Diocese, the proceedings of the House of Church Women.

CANON 7

A quorum of the House of Church Women shall consist of delegates from a majority of the parishes of the Diocese.

On motion the new canon, to be known as Title VI, was adopted.

The Rev. John F. Plummer, Secretary of the Diocesan Board of Religious Education, then presented the following report:

REPORT OF THE BOARD OF RELIGIOUS EDUCATION

To the Council of the Diocese of Michigan City:

The Board of Religious Education has met and considered two topics:

(1) Worship in the church school of the parish and mission, and week-day instruction.

(2) The Diocesan Summer School for the training of teachers and workers in the Church.

The Board feels as heretofore that the ideal of worship for the Church school is the Holy Eucharist every Sunday, at which the celebrant may be assisted by other clergy, or layman, who may sit with the school and explain, and lead the children in the worship.

Realizing the limited time that is possible for the study period on Sunday for Church schools, the topic of week-day instruction becomes one of vital interest. At least one period each week would augment the limited period of class instruction now usually held on Sunday. Falling in line with the Junior Plan, mission study and work for missions might be one of the subjects taught during the week. The Board feels that missions should be emphasized more in our church schools.

During the past year the Board, with the help of the Woman's Auxiliary, has instituted, and there has been held at Howe, the first annual Summer School for teacher training and workers in missionary societies and all those interested in religious education. So successful in point of interest and helpfulness was this school that there has already been arranged a second annual school to be held June 17-22, at Vawter Park, Lake Wawasee. It is the desire of the Board that all parishes and missions send delegates.

Your Board offers the following resolutions:

Resolved, That the ideal of worship of the Church school being the Holy Eucharist each Sunday, wherever possible, an effort be made toward this ideal, and that at least one period a week other than Sunday for instruction in religious knowledge be secured.

Resolved, That the Diocesan Council give its support in every way possible to the Diocesan Summer School, and that time be granted in this Council to discuss this topic of the Summer School.

Respectfully submitted,

(Signed) JOHN H. M'KENZIE, Chairman.
JOHN F. PLUMMER, Secretary.

The report was received, and after discussion, on motion of Rev. J. F. Plummer, seconded by Rev. J. H. McKenzie, the following resolutions were adopted.

Resolved, That the ideal of worship of the Church school being the Holy Communion each Sunday, wherever practical, an effort be made toward this ideal, and that at least one period a week other than Sunday for instruction in religious knowledge be secured if possible.

Resolved, That the Diocesan Council give its support in every way possible to the Diocesan Summer School.

Resolved, That time be granted in this Council to further discuss this topic of the Summer School.

The Ven. Robert J. Long, Archdeacon, then presented the report of the Committee on the State of the Church:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

The Committee on the State of the Church begs to submit the following report:

Your committee takes pleasure in reporting a most helpful and progressive year in the work of the Church in our Diocese. In spite of the calls that have come to us from the outside because of our war, there is every evidence of the work of the Church going on without any cessation. Not only so, but the reports that have come to us show generous responses to the war calls from our people in both time and money.

While we can offer little comparison in the way of actual statistics for the past year, as the reports cover but eight months, still we can see clearly, by going back a decade and comparing the present statistics with those of that time, that our condition is most encouraging.

In 1908 our number of communicants was 2,427. Today we have 3,688. The total expenditures in 1908 was \$42,958.64; in the last report, \$62,803.24. There has been a small increase in Sunday School scholars, but a marked decrease, of 12 per cent, in Sunday School teachers.

One of the most encouraging signs of growth is found in our contributions to Diocesan Missions. Ten years ago the Diocese contributed \$764.31; last year, \$2,040.42. It is, however, lamentable to observe that in the same period of time our contributions to General Missions have increased less than \$200.

At the present time services are being held in more places than at any time in the past decade. We are most happy to report that every parish and mission of the Diocese is now receiving regular ministration of the Church, save in the instance of Garrett.

Your committee is led to suggest that, while there be no cessation in the strengthening of the stakes, we try to grasp the vision and rise to the possibilities of lengthening the cords in planting the Church more widely throughout the Diocese, and, through our General Missions, throughout the world.

Respectfully submitted,

ROBERT J. LONG.

The report was received and placed on file.

The Chairman of the Committee on the Church Pension Fund, Mr. E. D. Gaston, then presented the following:

REPORT OF THE COMMITTEE ON THE CHURCH PENSION FUND

Elkhart, Ind., May 21, 1918.

Your committee begs to report that an organization was perfected shortly after the appointment of said committee by the election of Mr. E. D. Gaston of Fort Wayne as Chairman and the Rev. Wilbur Dean Elliott of Gary as Secretary. No Treasurer was elected, as all parishes, missions and non-parochial clergy were requested to remit

direct to the General Treasurer at New York, where all accounts are kept.

The effort of your committee to induce every non-parochial clergyman to secure the benefits of the fund by meeting the premiums himself was successful, every eligible non-parochial priest in the Diocese having signified his desire to make it of the unanimity that the rules of the Fund require.

We are glad to report that the majority of the parishes have kept their assessments to the Fund paid up to date, the quarterly or monthly payment plan preventing any serious financial burden. We regret very much, however, to state that a few parishes and missions, after adopting the plan of the Fund through their Diocesan Council, have failed to meet their obligation. We hope the committee to be appointed for the coming year will use every effort to have the delinquents realize the seriousness of such uncalled for laxness in such an important matter and the injustice they are doing their own clergy. Where payments are not made no benefits can accrue.

Respectfully submitted,

E. D. GASTON, Chairman.

The report was received, and on motion the Chairman was requested to read the list of the organizations in arrears on payment of the premiums required.

The annual elections being in order, the Right Reverend the Bishop of the Diocese appointed the following tellers for the election:

Rev. W. Fenwick Bachman
Rev. Duncan Weeks

Mr. William H. Young
Mr. E. P. Johnson

Several clergymen having been nominated for membership on the Standing Committee, the ballot was taken and the tellers retired.

The Rev. John F. Plummer addressed the Council on the subject of the Summer School to be held at Vawter Park, Lake Wawasee, June 17th to 22d, to provide proper instruction for the teachers in Church schools.

The Ven. R. J. Long presented the following resolution:

Resolved, That two thousand copies of the Bishop's Address be printed and sent out through the Diocese immediately.

The resolution was adopted.

Mr. W. B. Conkey promptly offered to print and present to the Diocese these copies of the address, and a vote of thanks was extended to him for his kindness and generosity.

The Rev. James A. Miller presented the following resolution:

WHEREAS, Many from our parishes have been called to the Colors where the loving ministrations of the Church are so much needed and appreciated;

Resolved, That the clergy be urged to forward the names of such parishioners to the War Chaplains at the training camps and elsewhere as soon as their destination is determined.

The resolution was adopted.

The Bishop of the Diocese then feelingly addressed the Council regarding the enlistment, as Army Chaplain, of his son, Rev. Howard Russell White, Vicar of St. James' Church, South Bend, and now Chaplain of the 332d Machine Gun Battalion at Camp Grant, Rockford, Ill., announcing that St. James' Church had officially resolved to take him as their special care while absent in the country's service.

With the statement that it had been the intention of the mover to bring this matter before the Council, Mr. L. B. Slaughter presented the following resolution, which was unanimously adopted:

Resolved, That, inasmuch as Lieut. H. R. White, former Vicar of St. James' Church, South Bend, is unable to participate in this Council because he has offered to render to his country such service as he is able, it be the wish of this Council assembled that Lieutenant White be tendered this expression of appreciation of the noble work in which he is engaged; be it further

Resolved, That this Council take this occasion to extend to Lieutenant White their sincere good wishes and hearty support.

The Council here stood while the Rt. Rev. S. M. Griswold, Suffragan Bishop of Chicago, was received and seated beside the Bishop of the Diocese.

The tellers returned to the Council and reported that as the result of the ballot for members of the Standing Committee, the following had received a sufficient number of votes to constitute an election: Rev. John H. McKenzie, D. D., Rev. Edward W. Averill, Rev. Lewis C. Rogers, Rev. William Wesley Daup, and Rev. William J. Cordick.

The Bishop then declared these duly elected members of the Standing Committee for the ensuing year.

Nominations were then made for Delegates to the Synod of the Province of the Mid-West, after which the ballot was taken, and the tellers again retired.

APPENDIX A

The Bishop's Address

*To the Clergy and Laity of the Diocese of Michigan City,
in Council Assembled.*

DEAR BRETHREN:—Never have I called you into council with such deep and anxious solicitude as this year. Upon us are pressing questions of gravest import demanding solution. Never have the responsibilities of leadership made such demands upon us for wisdom, careful discernment of the signs of the times, and greater prudence and courage in challenging the world to service than confront us today. Under the stress of the fierce struggle into which the whole world has been plunged, and is in some measure involved, we watch daily the crumbling of the very foundations on which have heretofore been builded our political, civil, social, and commercial existence and activity. States and governments are crumbling. Tribunals of justice are being gathered into the general débris. Cities are in a moment obliterated. Homes are effaced. Cathedrals, libraries, works of art, monuments of a thousand years of human endeavor and human history are without regret battered to destruction by the guns of the ruthless destroyer. Multitudes are wandering without leaders, counsellors or guides on the very verge of chaos and anarchy, the prey of the unscrupulous but strong and preda-

tory bands bent on nothing but murder, rapine and robbery. When the earth quakes is it wonder that the Church, too, feels the shock and totters on her foundations? We are surely facing those times foretold of old, "And there shall be signs in the sun and in the moon and in the stars; and upon the earth distress of nations with perplexity; the sea and the waves roaring; men's hearts failing them for fear, and for looking after those things which are coming on the earth; for the powers of heaven shall be shaken." Under these conditions is it wonder that the State, nay, the continuance of modern civilization, calls us to unusual self-denial, sacrifice of everything but honor, and duties so stern as to tax severely the best powers we have? What a wonderful response is being given to this call! A response coming, not from all, I am sorry to say, for there are slackers and pacifists and men actuated by the greed of gain even in these terrible days, but from the strong, the true, the brave, the noblest and best we have who, without a murmur, are laying their all on the altar of a splendid and unselfish service. In this terrible hour, what of the Church of God? What place has she to fill, what part to play, in this terrible crisis in the world's history? What consciousness have her children of their duty, what response will they give to her call? If the Apostle Jude was moved to utter this challenge, "It was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered to the saints," much more is it the duty of the Church in this perilous hour to exhibit unwavering faith in that foundation of God which alone standeth sure and to labor heroically for the rebuilding of the shattered institutions on those eternal principles of truth and righteousness which are of God's proclaiming, and because true, abide eternally. The only solvent for the prevailing chaos is the redeeming

grace of God. * "Grace is more than mercy. It is more than tender mercy. It is more than a multitude of tender mercies. Grace is more than love. It is more than innocent love. Grace is holy love, but it is holy love in spontaneous movement going out in eager quest toward the unholy and the unlovely, that by the ministry of its own sacrifice it might redeem the unholy and the unlovely into its own strength and beauty. It is God, unmerited, undeserved, going out towards the children of men, that he might win them into the glory and brightness of His own likeness."

"When St. Paul wants to show you what a big thing grace is he mentions some other big things, and when he has mentioned other big things he brings in the biggest thing, which to him is incomparable, the grace of the Lord God; and when he brings in the bigger thing the lesser thing that seems so big is entirely eclipsed. The apostle looks about and lays hold of guilt, the guilt of the whole race, one of the biggest things he knew, and places it before us in all its appalling form and menace, and when we are just overwhelmed by it he testifies to the gospel of the grace of God, and lo! the guilt is dissolved, just as the ice and snow and the grip of the frost are loosened in the genial warmth of spring."

And then he looks around again for a big thing, and he sees the discords of the race, our jars, our jealousy, our antipathies and our hatreds, all our racial clashes and divisions, and when we are just appalled by the savage severity of the alienations, he testifies the grace of God which breaks down "the middle wall of partition," and brings the scattered peoples into clear and vital union, into sweet and fluid relationships, into heavenly harmony. My brethren, racial alienations are tremendous, but the grace of God is mightier still.

*Jowett's Gospel of the Grace of God

“He looks out on the sorrows of the race. He has mentioned guilt, he has mentioned sin, he has mentioned racial alienations, and now he looks out on the sorrows of the race, stretching on every side like a bitter marsh, and then he testifies the grace of God which can transform the brackish waste and convert it into healthy soil in which innumerable graces grow, even the fruits and flowers of the spirit.”

Now that is how the Apostolic Church faced the antagonisms of its own world. They felt their own personal emancipation. They felt the driving power of the constraining love of the Lord. They believed in the overflowing adequacy and sufficiency of redeeming grace. And when they met with obstacles they rejoiced in the obstacle, “My brethren, count it all joy when ye fall into divers temptation, knowing this, that the trial of your faith worketh patience.” “None of these things move me,” cried St. Paul exultantly. Now then, my brethren, how is it with the apostles’ successors? How is it with the Church and the believers of our day? We are living in fierce and turbulent times. All the floods are out, all the roads are broken up, all the venerable piles crumbling and falling. “Ye shall hear of wars and rumors of wars. Nation shall rise against nation, and kingdom against kingdom; and there shall be famines, and pestilences, and earthquakes, in divers places. For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.” My brethren, how are we facing it? We see how the apostle faced the antagonisms of his day. How are we facing ours? Have we got sure foothold? Are we holding our lives dear unto ourselves, or are we gloriously able, in the deep, eternal verities of personal experience, to claim St. Paul as our beloved kinsman and brother in the faith? Have we had some stupendous per-

sonal experience in our lives, as unchanging as the unchanging Matterhorn when the chalets are crumbling, and the flowers are withering in the vale? Have we been apprehended by Jesus Christ, and do we feel His grip upon us now? Do we feel the crowding constraints of his redeeming grace? If we do, then, believe me, we can never be daunted, even though the world be filled with the most awful changes. "Therefore will we not fear, though the earth be moved, and though the mountains be shaken in the midst of the sea." In this solemn hour the Church of God should be sounding a most optimistic note. The sons of the Church should be girding themselves to the same great unselfish and consecrated service as is being so wonderfully and so nobly given by the citizens of the State. Immense is the part the Church must play in this solemn crisis. Great beyond description is the work that lies before her in the reconstruction that awaits us when this destructive and exhausting strife closes. Surely, my brethren, you will not so nobly respond to the call of the State and turn a cold and deaf ear to the more imperative call of the Church. I cannot believe you will excuse the service you owe to God and his Church on the plea that the State is laying upon you a heavy burden which you unwillingly accept. Let us rather rejoice that it is our privilege at a time when men's hearts are failing them to render a service to the world which none other is so well equipped to render as we. Put on the whole armor of God that ye may be able to withstand in the evil day. Just look around on our homeland. Huge needs confront us. There are thousands of men and women who have lost their spiritual bearings in the appalling happenings of the last few years. A dense fog has fallen upon them. It has gathered around their feet. The outlook has been blotted out. The inviting road has been lost and they are stum-

bling on like travelers who have been overtaken by night. It is the ministry of the Church of God to testify to these staggering souls the grace of the Lord.

On the other hand, I do believe that there are tens of thousands of people who are just beginning to find their spiritual bearings because of the happenings of these same terrible years. Three years ago they lived in a world that was little bigger than a cave. Their horizon was built of material walls and their world was constituted of material interests, and transient ambitions, and carnal delights. And now the walls are cracking, and under the shattering blows of sorrow and tragedy and calamity they are having their first glimpse of a nobler and larger world, and it is our unutterable privilege to testify to these waiting souls the gospel of the grace of God. Think, too, of the millions of souls in many a land today who are crushed under the oppressive weight of sorrow and bereavement and their wounds will not be stanchèd. What is there for people like this but Jesus? And what is there for them except the gentle ministry of His most healing grace?

Let us look farther afield today upon the towering needs of our time and see the most serious task of lifting up and reëstablishing our fallen and shattered ideals. It will not be an easy thing when the war is over to rebuild the broken homes, the ruined cities, the churches, and libraries, and universities in which the vigor of coming generations alone is secure. But it will be an infinitely more difficult thing to recover our lost ideals, to reconstitute our conception of the undivided body of the Holy Catholic Church, to restore again to the minds of men the vision of human brotherhood, and of righteous goodwill, and of divine and fruitful peace; and to erect again in the purposes of men the sacred possibilities in Christ Jesus of liberty, equality, and fraternity. And then there are all those industrial and social problems,

so immense and so manifold, which even now are clamoring in our streets, and, before we know where we are, they will be literally hammering at our doors. In the face of all these things, are we daunted? Are the soldiers of Jesus Christ afraid? The immensity of our task is only the index of our resources; and our antagonisms are only the measure of our opportunities. Still, my brethren, where sin abounds grace doth much more abound. Believe me, the biggest opportunity calling for the biggest service and the biggest faith confronts you and me today that has ever confronted the Church of God. Are we ready for it? God grant that His Church may be endowed with a large measure of His wisdom and strength and discharge the duty to which He is calling her with commendable energy and fidelity.

From this general survey of conditions as they confront us I turn to that more immediate field for whose faithful tilling we are responsible. It is a great joy to me to say to you that the diocese was never in better condition than it is today. Much has been achieved during the past year calculated to hearten us in our work. The diocese is splendidly manned and for the most part your clergy exhibit the devotion and zeal you have a right to expect of consecrated men whom you have called to minister to you in sacred things. This does not mean that we have no problems to solve, no difficulties to overcome, and no call for the exercise of those commanding virtues in which alone the Church can achieve success. The problem before the Church in this Diocese of Northern Indiana is still a big one until she achieves her rightful place among its people and exerts the influence on public life and conduct the Church should ever exert. For many years it will need a band of high-minded and consecrated clergy to work out the problem before us. It will also require back of them, and earnestly supporting them, a body of equally intelligent and consecrated laymen

and women ready to give of their time and means, not grudgingly, but generously, joyously, and promptly, to put the Church to the fore in all commendable service for the good of all classes in the community. No narrow policy and no divided councils will suffice for our time and our tasks. "See that ye fall not out by the way," was wise counsel given at the inception of Christian service by the Master. It is an equally imperative principle of the Church's service today. We need every ounce of energy and influence we can command to make our parishes and missions succeed. It is no time to diminish our efficiency because we cannot work in harmony and with energy.

The Church has lost three of her leaders of whom it is proper to make mention here. The Rt. Rev. Alfred M. Randolph, D. D., Bishop of Southern Virginia, was one of the most learned and gifted men in the episcopate of our day. His long and most powerful ministry has greatly enriched his day and generation, and honored his Church and the diocese over which he presided with conspicuous dignity and wisdom. In the ripeness of years and conspicuous service he passed to his rest, greatly honored and beloved by all.

During the year within the diocese there have passed to their rest two women: Mrs. Walter Vail of Michigan City, and Mrs. Miron T. Dow of Goshen. Both were women of exemplary virtues and great devotion. Each had completed her natural term of years and entered on life eternal with that splendid testimony to a living faith which can be attained only by years of devout Christian living. Mr. Vail and Mr. Dow had served the diocese in the office of treasurer, and are among the honored servants of the Master who have gone before us to life eternal. May they rest in peace, and may perpetual light shine upon them!

And now what are the duties demanded of us at this

council? Foremost I think it is necessary for us to determine wisely and discreetly what is to be our future relation to Michigan City and Trinity Parish. The committee, which you created a year ago to deal with this tangled matter, has discharged its duty and is ready to report. Anticipating that report, as I must in preparing my annual address, may I say that the moment the several lawyers, whose study was given to the question, agreed that the diocese had in law no vestige of title in the residence given me by Mr. John H. Barker and erected by myself, with the approval and consent of the vestry of Trinity Parish, as a Bishop's residence, from that moment there could be but one course open, namely, to remove all my own belongings and those of the diocese from the residence and surrender it to those to whom it lawfully belonged. To cover all this your committee drew up a compact to be signed by the bishop and vestry of Trinity Parish, and to become operative when ratified by this council. I deemed it my duty, as well as the part of wisdom, to sign that agreement, and as speedily as possible remove your possessions and my own from the premises, and turn the building over to the parish. This I have done, taking the receipt of the senior warden, after due inspection of the premises, to find all in good repair. I would now recommend that, after hearing the report of your committee, you ratify their action. Such ratification will annul all engagements heretofore entered into by which that became the see city and cathedral of the diocese, and will leave Trinity Parish in the normal condition of any other parish of the diocese.

- It will also leave the diocese without any home for its bishops; and what is quite as serious a question to me, without any library or suitable place for the valuable documents, books and papers which are yearly accumulating and should be carefully preserved as the records of dio-

cesan life. For the present they are boxed, and have no safer repository than the cellar of the rented house in which I reside. Intimately connected with this change is the name of the diocese, which may be changed or not, as its council decides. In my call for this council I have said these questions call for the largest consideration, and should not be dismissed hastily because you are anxious to return home. They affect the future of the diocese for many years to come, and will affect the work of my successor much more than they can affect the service I may yet be able to render. I therefore most respectfully bespeak for them your generous and wise consideration.

At the annual meeting of the Provincial Synod in Fond du Lac last October a measure was submitted, discussed, and finally adopted, for the better provision for the care of woman's work of every sort, and for giving to women a larger share in the direction of such work as engages their time and labor. This act was designed to create within the province "A House of Church Women," modeled after that of California. Subsequent articles provided for the creation of similar bodies in the various dioceses. All the provisions of this legislation will be referred to you at a later hour, but must have the same careful, thoughtful consideration if we are not to enact foolish and embarrassing legislation for the future.

During the past year the Woman's Auxiliary of this diocese has proved itself capable of great service, but in addition is reaching out its hands for still greater service and more positive victories. It will be wise to heed its requests and lend our earnest coöperation to its plans. Archdeacon Long continues to be a great comfort and joy to me. His cheerfulness and optimism are stimulating, and his untiring energy is achieving promising results for the future. He has been the recipient of the automobile you

so kindly provided for him at the last council. I can see already the increased efficiency which it gives to his service, and the comfort with which he cares for his wide field. He will probably make his own acknowledgment of it in his report. Having thus introduced the subject of missionary work, may I hold you to its consideration long enough to point out some of the dangers and duties which confront us? Unless you have given serious thought to this matter, these may have escaped you. A most serious problem is presented to us by the taking of from ten to forty of our young men from each of our parishes and missions for the military service. For the present, and more seriously for the future, this constitutes a serious depletion of our forces. If we are to escape the consequences in the loss of our manpower it means that the older men and women must engage in the activities of parish work with renewed energy and devotion and as they have never done before. In the work of the Sunday schools, men's guilds and women's organizations your clergy will need your constant and consecrated work, unless the Church, when too late, is to awake to the realization that her interests have been seriously impaired. It is my earnest plea that all who can do so devote some time in the assistance of your clergy in the arduous task insistently demanded of them. Another feature of this same problem presented by existing conditions is presented by the large number of the clergy who have responded to the country's call to service. Nearly 10 per cent of the clergy are in some capacity in the service. Our seminaries are alarmingly short of students. The outlook is serious. My own feeling is that, in anticipation of a shortage of clergy, parishes and missions should guard carefully the ministry they now enjoy and reduce as far as possible the necessity of change and of finding other incumbents to take the places of those who remove. It should be, too, the

effort of every priest to seek out some fit young man and train him for the work of lay-reader, whom we may employ in all our weaker work when it is found impossible to procure ordained men for that service. Before we reach the close of this period it may be found necessary to provide for work in this way, and ask our priests to provide for the sacraments as they find it possible to do so. Do not forget this admonition, dear brethren, as you depart from this council for your homes.

Again I have to bring to your attention, and bespeak your earnest help, another movement of far greater moment than you suspect. For the unification of our working forces, and for more efficient training for all departments of parish activities, our Board of Religious Education has planned for a week of summer school and recreation, at Lake Wawasee, from June 17 to June 22. An admirable faculty will conduct the various courses of instruction. A portion of each day will be devoted to healthful and happy recreation. Arrangements have been made for the entertainment of those who enroll themselves at the Vawter Park Hotel at the very moderate expense of \$10 for room and board for the week. To make this effort a success and of great benefit throughout the diocese it will require your help to secure an attendance from every parish and mission commensurate with the importance of the occasion, and make its continuance in future years worth while. By united and earnest work this may be made one of the most important and enjoyable features of diocesan life and work. I beg you all to put your best efforts to aid your leaders in this enterprise. During the year I have consecrated St. Andrew's Church, Valparaiso, of which I made more extended mention last year, and have opened and blessed San Antonio (Italian) Church, Gary.

It gives me great pleasure to record two noble gifts

that have been made to the Church during the past year, thereby adding handsomely to parish equipment. Mr. and Mrs. W. H. Foster of St. John's Parish, Elkhart, have, at their own expense, built and presented to this parish the beautiful rectory which adjoins our place of meeting. This noble gift will stand for years as a splendid monument to their generous devotion and interest. Mrs. Jesse Uhl of Logansport has in like manner built and completely furnished one of the most unique and attractive parish houses I have ever seen, and presented it to Trinity Parish, Logansport. She has added to her generous bounty a fund for keeping it in repair. These noble gifts are suggestive of what may be done in many places for the benefit of the Church's efficiency, where her people are alive to the great honor and privilege that may be theirs of providing, where the means exist, for the Church of God and its work. I may be permitted to express the hope that similar work may be done elsewhere by devoted children of the Church. In addition to these gifts, St. Thomas' Church, Plymouth, has converted its old church into a parish house, and is now in enjoyment of a very complete plant for all departments of church work.

There have been some changes among the clergy during the year, but I am glad to say that the accessions have brought us strong men to continue the work. The Rev. Walter S. Trowbridge has resigned as dean of the cathedral and removed to New Mexico. The Rev. Daniel LeBaron Goodwin has resigned St. Paul's, LaPorte, and removed to the Diocese of Ohio. The Rev. Marshall Mallory Day has resigned St. Alban's, Indiana Harbor, and removed to the Diocese of Indianapolis. The Rev. Charles Reagh has removed to the Diocese of Massachusetts. The Rev. Howard Russell White has entered the country's service and is chaplain of the Three Hundred and Thirty-second

Machine Gun Battalion, stationed at Camp Grant. The Rev. James A. Miller has succeeded Dean Trowbridge in the rectorship of Trinity Church, Michigan City. The Rev. F. J. Barwell-Walker has succeeded Father Goodwin at LaPorte. The Rev. W. F. Bachman has succeeded Father Day at Indiana Harbor. Father Rogers is caring for Kendallville, and the Rev. Ray Everett Carr will on June 1st take Father White's place at St. James', South Bend.

In August last I received from the Congregational ministry the Rev. George Harrie Richardson, Ph. D., and his estimable wife. Dr. Richardson immediately became a candidate for holy orders, and with the consent of the parish I placed him as a lay-reader in charge of Trinity Church, Peru. I ordained him deacon in the Lent Ember season and shall advance him to the sacred order of priests at the expiration of the canonical period. I have ordained the Rev. Ray Everett Carr deacon and advanced him to the sacred order of priests. I have advanced the Rev. James Horton Bishop assistant at St. Luke's, Kalamazoo, to the sacred order of priests and transferred him to the Diocese of Western Michigan.

I have given my consent to the ordination and consecration of nine bishops, the records of which are attached to this report.

Let it be remembered that this report is for but eight months. Lest error be made, may I say that since the last council I have visited all our missions and parishes but one, and have confirmed more than during the year previous, and have been able to give some assistance to my brother bishops who are over seas.

I cannot close my report without expressing my solemn and devout thanks that the life of the Rev. Dr. McKenzie has been spared, and that he has been wonderfully restored to health. Those were sad and trying weeks for me last

fall when he was hanging by a slender thread to life, not knowing at what moment it might part. The prayers of the whole diocese were very earnest for his restoration. We owe our thanksgivings today that our prayers were granted, and that this faithful priest is spared to further administer the great trust reposed upon him as head of Howe School. May he long remain in that sacred relation to our educational work!

For myself, I have to thank our merciful Father that I am stronger than I have been for some years, and you, my brethren, for all the courtesy and forbearance you have shown me in my imperfect service. May God enable us to work together earnestly and affectionately for His Church so long as He deems it wise to continue that service.

And now, my brethren, with your help we will address ourselves to the work of the council.

APPENDIX B

Report of the Archdeacon

To the Rt. Rev. John Hazen White, D. D., and Members of the Council:

I herewith submit my second annual report as Archdeacon of the Diocese. I append my diary.

The services of the Church have been held throughout the missionary field of the Diocese as opportunity and time presented themselves to the Archdeacon.

In general, I have maintained regular services in those stations that were regularly ministered unto last year along the plan outlined at that time. As a result of removals and deaths, I have rearranged the schedule of my visits to some of the mission stations. The services and my visits were also seriously interrupted during the severe weather of the past winter. However, all of these conditions are such as we must expect in the mission field at all times.

I am most happy to be able to report an increase in the number attending the services of the Church, and a greater and deepening interest in the work of the Church by the people in the mission field.

In September the Bishop assigned to me the care of the mission at Huntington. I arranged for services twice a month. During Lent I planned a special weekly Lenten service. We have the largest number of communicants in Huntington of any mission under the care of the Archdeacon.

In September the Bishop assigned to me the duty of providing, with him, for a monthly celebration of the Holy Communion for Peru. The Archdeacon made three such visits to Peru up to the 1st of January.

In May of last year the Bishop gave me the general oversight of S. John's Church, Bristol, and the duty of providing services for that parish. Through the kindness of a large number of the clergy of the Diocese we were able to provide a service for each Sunday night. The Archdeacon cared for one Sunday a month, and at that time gave them an additional service of the Holy Communion. November 1st the Bishop assigned the care of Bristol to a lay-reader.

May I be permitted to express my very deep gratitude for the action that was taken by the Council last year which has provided an automobile for the use of the Archdeacon. I take it as a means to provide for greater efficiency in the missionary work of the Diocese. To this end it has already proved its usefulness.

I again mention the great interest that has been shown in the missionary work by the Woman's Auxiliary and the Missionary Committee, all of which I deeply appreciate. I am most grateful to all of the clergy of the Diocese that have assisted me in the missionary work and that have shown their interest in it, and for all the encouragement they have given me. I wish also to thank the Bishop for the encouragement he has given me and all the sympathy he has shown.

Respectfully submitted,

ROBERT J. LONG.

President's Report

To the Members of the Auxiliary:

In presenting my report for the six months ending December 31, 1917, I find much to be thankful for, some things left undone, and many new obligations laid upon us.

The first annual meeting of our Diocesan School of Religious Instruction, held at Howe School in September, stands out as the most important and far-reaching work that the Auxiliary has been permitted to share in. The second annual session of the school will be held in June at Lake Wawasee, and I urge each parish branch to send at least one representative to take the course on missions, because, most of all, we need education along missionary lines.

The Pilgrimage of Prayer was observed by the women of the Diocese in June, and during the final week in November, when a special offering was made for S. Agnes' School, Kyoto.

We have been privileged to have as speakers at our fall district meeting Mrs. Herman B. Butler, President of the Chicago branch, at the meeting held in Gary, and Mrs. Frederick B. Stevens, President of the Michigan branch, at the meeting in Goshen. To these speakers we owe a debt of gratitude for the inspiration they afforded us.

While appeals from every direction have tested our faithfulness, it is encouraging to note that fifteen out of our twenty-two branches have contributed to our Expense Fund, started this year. I trust that next year all will feel that they can share in this very necessary foundation stone of our work.

I take great pleasure in reporting the organization of one new branch of the Auxiliary during the year. East Chicago has joined our ranks with twenty members. We extend to this youngest member of our family a hearty welcome.

To sum up our work, I am sure we have reason to feel encouraged and to believe that we are still marching forward, counting it a privilege to share in pressing on the Kingdom.

As your President, I have written 158 letters during the six months which this report covers, 10 post cards, have presided at one Executive Board meeting held September 6 at Howe School, attended the Dio-

cesan School of Religious Instruction held at Howe School for five days, attended the Provincial meeting of the Woman's Auxiliary held at Oshkosh, Wis., as a delegate, spoke at one parish meeting, attended three district meetings, giving a report of the Oshkosh meeting at each, and attended the study class held in connection with the district meeting at Marion.

Respectfully submitted,

LAURA E. BOEDEFELD.

May 23, 1918.

Minutes of the Twentieth Annual Meeting

S. John's Church, Elkhart, Ind.,

May 22, 23, 1918.

The Twentieth Annual Meeting of the Michigan City Branch of the Woman's Auxiliary to the Board of Missions was held at S. John's Church, Elkhart, Ind., May 22 and 23, 1918.

On Wednesday, May 22, at 4 p. m., the meeting opened with prayer said by Bishop White. In his address of welcome to the delegates Bishop White commended the work done by the Auxiliary and urged the importance of the coming business session.

At 4:15 Bishop White introduced Bishop Griswold of Chicago, who conducted a "quiet hour." During the service hymns 253, 261, and 335 were sung.

At 7 o'clock Thursday morning May 23, the Auxiliary made its annual corporate communion with Bishop White celebrant. The offering amounted to \$11.53.

At 7:45 o'clock breakfast was served in the parish room.

At 9 a. m. the business session opened by singing hymn 252, followed by the Lord's Prayer and collects said by Bishop White. He then thanked the parish for their entertainment.

The Bishop appointed the officers for the coming year as follows:

President—Mrs. Ferdinand Boedefeld, Elkhart.

First Vice President—Mrs. Walter Crandall, Howe.

Second Vice President—Miss Mary May White, South Bend.

Third Vice President—Mrs. Charles True, Hammond.

Fourth Vice President—Mrs. Walter Muessel, South Bend.

Fifth Vice President—Mrs. William Brackenridge, Delphi.

Secretary—Mrs. Edward Melcher, Elkhart.

Box Secretary—Mrs. C. J. Grant, Kokomo.

Educational Secretary—Miss Alice Goldthwaite, Marion.

Diocesan Treasurer—Mrs. W. J. Cordick, Plymouth.

General Missions Treasurer—Mrs. Charles True, Hammond.

United Offering Treasurer—Miss Edna Johnson, Marion.

Correspondent Church Periodical Club—Mrs. C. P. Shepherd, Elkhart.

Chairmen of Districts—Michigan City, Mrs. Charles True, Hammond; South Bend, Mrs. Walter Muessel, South Bend; Fort Wayne, Mrs. William Brackenridge, Delphi.

The Bishop urged the Auxiliary to attend the Diocesan Summer School to be held June 17th to 22d at Lake Wawasee. As it was necessary for the Bishop to leave at this time, he gave his Benediction.

The President, Mrs. Boedefeld, gave her annual address and report of her work. On motion the report was adopted.

Mrs. Melcher (Secretary), Mrs. Grant (Box Secretary), Miss Haberly (Treasurer), Miss Johnson (United Offering Treasurer), gave their reports. On motion these reports were accepted as read.

The report of the Educational Secretary, Miss Goldthwaite, was read by Mrs. Price of Marion, and adopted, on motion.

The President appointed the following Committee on Resolutions: Mrs. Price, Marion; Mrs. Cordick, Plymouth; Miss Burns, Goshen.

Mrs. Muessel, Chairman of the South Bend District, gave her report. On motion this report was accepted.

The President read Miss Lindley's annual letter and an outline of the war work of the Woman's Auxiliary to the Board of Missions, to be started next Advent. This work is to consist of a Pilgrimage to awaken greater spiritual power by daily prayer for victory and that God's will may be done in the time of reconstruction.

The President's appointment of Miss Goldthwaite as Chairman of this war work in our Diocese was endorsed by a rising vote.

Archdeacon Long gave an outline of the House of Church Women of Springfield and of California. After discussion it was decided that we were not ready at this time to organize such society.

Mrs. True, the General Missions Treasurer, gave her report, which was accepted by consent. She made a plea for more interest in General Missions and asked that all money for General Missions and Specials be sent to her.

As Mrs. Greeley of Chicago was unable to be present, Miss Johnson of Marion conducted an interesting conference on the United Offering.

Archdeacon Long extended his thanks and appreciation to the Auxiliary for the eucharistic vestments given him at Easter and for their part in providing the automobile.

Dr. Walker of La Porte spoke of the great necessity of urging the importance of missions.

Noonday prayers were said by Archdeacon Long, after which luncheon was served in the parish room.

The afternoon session opened by singing hymn 580.

The President read the report of the Junior Secretary, Mrs. Crandall of Howe. On motion this report was accepted.

At 2 o'clock Miss Littell of New York gave a missionary address. She told of the great needs of the Church General Hospital, Wuchang, China. A motion that Michigan City Branch of Woman's Auxiliary furnish a room in this hospital was properly seconded and carried.

On motion Mrs. Daup was chosen to act as Chairman of this fund, with authority to appoint her own committee.

An offering amounting to \$25 was given to Miss Littell to apply on the \$20,000 still needed for the Hospital Fund.

As Miss Goldthwaite was unable to be present, Father Plummer told of the Summer School. The purpose of this school is to help everyone in the diocese gain a religious education and be able to give that knowledge to others.

A motion that the Auxiliary of the Diocese, assembled in Elkhart, send Miss Goldthwaite their greetings and assurance of their feeling of great loss in her absence, was carried by a rising vote.

The Committee on Resolutions made the following report:

"Inasmuch as the women of S. John's, Elkhart, have worked untiringly for our comfort and pleasure while here, be it

"*Resolved*, That we extend to them and to the young women of the parish, who have so ably assisted in serving the appetizing meals,

our grateful appreciation, and that we also express our appreciation to Father Daup and Mrs. Daup for opening their attractive rectory at all times to the women; for the very pleasant opportunity afforded us for meeting our Bishop and Mrs. White and all the other delegates.

"Inasmuch as Bishop Griswold was of such great help to us all in his 'quiet hour' which opened our twentieth annual meeting, be it

"*Resolved*, That we express our appreciation of his deeply instructive and inspiring hour; be it

"*Resolved*, That we express our appreciation of beloved Bishop's words to us yesterday afternoon and this morning. We want also to express our appreciation to the visiting clergy who stayed after the Council and helped make our program the success it has been.

"Inasmuch as the official heads of the Woman's Auxiliary have planned a spiritual pilgrimage as the war work of the Woman's Auxiliary, this pilgrimage to be started next Advent; be it

"*Resolved*, That each branch hold itself ready to co-operate in all plans made for this spiritual pilgrimage; also be it

"*Resolved*, That we carry out the pleas of our United Offering Treasurer to place more stress on the spiritual side of our united offering and to present our offerings at corporate communion of our different branches of the Auxiliary.

"Inasmuch as it has been a very great privilege to have Miss Littell here with us to tell of the needs in China, and especially of the new Church General Hospital at Wuchang, be it

"*Resolved*, That we extend to her our most heartfelt thanks for waking us up a bit and for giving an opportunity to have a small part in the completion of this hospital; and be it

"*Resolved*, That the presidents of the different branches of the Auxiliary see to it that their share in the pledge of a furnished room in the hospital be met in the near future.

"Inasmuch as the Board of Religious Education has planned and arranged for the second Diocesan Summer School of Religious Knowledge, and as the Board deems it important that instruction be given in Missions and other subjects for the training of leaders in our several parishes and missions; therefore be it

"*Resolved*, That we give our earnest support to this school by sending delegates from our several branches; be it

"*Resolved*, That we express our disappointment at not having with us today Miss Goldthwaite, the Educational Secretary of the Diocese, and the one who is largely responsible for the starting of this Summer School.

"Respectfully submitted,

"MRS. PRICE,

"MRS. CORDICK,

"MISS BURNS."

On motion the resolutions were accepted by a rising vote.

The minutes of the meeting were read by the Secretary and were adopted by consent as read.

On motion the meeting adjourned.

Respectfully submitted,

GRACE L. MELCHER,

Secretary.

GRACE L. MELCHER

Report of Educational Secretary

1917-1918

The Educational Department at the Church Missions House has a muslin chart, 2½ x 4 feet in dimensions, which states very concisely the results of Mission study. The chart has printed on it five closed doors and one key. This key, which will open all the doors, is named "Mission Study," and the five doors it will open are:

Information,
Interest,
Prayer,

Money,
Workers.

With the hope that each parish in the Diocese of Michigan City would find this key, the Educational Secretary sent to every parish in the Diocese the following letter:

"Marion, Ind., September 11, 1917.

"*Dear Members of the Auxiliary:*

"At the fall Board meeting of the Woman's Auxiliary, the Board endorsed the following plan for this year's Auxiliary program:

"The Board of Missions publishes an outline of suggestions for conducting Mission Study meetings on the Why and How of Missions. This book costs 10 cents, and the material for the course, if purchased all together, will be sent postpaid for \$1.75. The course is for six meetings and can be given once a month during the winter or for six weeks of Epiphany or Lent, unless a study class is planned for these seasons. The Creed, Lord's Prayer, and Auxiliary Prayers are suggested for prayers following the Bible reading, after which ten minutes are to be given to Diocesan Missions, and ten minutes to Spirit of Missions, which are to precede the topics suggested in the Board book. The study class for this year is to be on Missions, as outlined by the General Board of Religious Education, and will interest Sunday School teachers as well as Auxiliary leaders.

"At your first business meeting, will you appoint or elect an Educational Secretary for your parish Auxiliary and send me her name and address?

"Hoping the year may be filled with missionary enthusiasm, I am,

"Faithfully,

"ALICE GOLDTHWAITE,

"Educational Secretary."

Ten parishes have started on the quest. I liken it to the "Quest of the Holy Grail," with its many difficulties, but once catching the vision, persistence, prayer, labor, and purity of heart will finally attain the goal. The ten parishes appointing the Educational secretaries are:

S. Mary's, Delphi.

S. John's, Elkhart.

S. James', Goshen.

S. Paul's, Hammond.

S. Andrew's, Kokomo.

Trinity, Michigan City.

Gethsemane, Marion.

S. Thomas', Plymouth.

Trinity, Peru.

S. Andrew's, Valparaiso.

Section 12, Article 5, of our Constitution, states that the Educational Secretary shall have general supervision of all missionary educational work of the Diocese carried on under the auspices of the Woman's Auxiliary, and shall report annually on the same.

The following questions were sent to the ten parish secretaries, from which my report is made. Nine out of the ten responded:

“Marion, Ind., May 11, 1918.

“*To Parish Educational Secretary,*
“*Woman's Auxiliary,*
“*Diocese of Michigan City.*

“MY DEAR:—Please fill out the undersigned and return to me before May 18th, so that I may incorporate it in my annual report for May 22d.

“1. How many classes did you lead in your parish during the past winter, using the Bible for your text-book?

“2. Did you have any mission study meeting, using the ‘Why and How’?

“3. Did you have any reading circle using any former text-book?

“4. Did you have any classes on Sunday?

“5. How many did your class average?

“Remarks.—

“Respectfully,
“ALICE GOLDTHWAITE,
“Educational Secretary Diocese.”

Seven classes used the Bible as a text-book:

Delphi	4	Marion	1
Elkhart	1	Kokomo	1

One has used the “Why and How” outline:
Hammond.

Two have had reading circles using “The New World”:
Plymouth, Elkhart.

The Delphi branch has read regularly “The Spirit of Missions” and “The Living Church.”

None have had classes on Sunday at the church school.

One branch has had a class on missions according to the Bible, using the “lecture method”: S. James', Goshen.

Classes have averaged four, five and six.

Reading circles have averaged eighteen.

Mission study meetings have averaged ten.

This report indicates that a few of the parish branches have begun to open the five doors, and the Educational Secretary makes a plea that all branches of the Auxiliary in the Diocese of Michigan City appoint or elect a parish Educational Secretary to build up the Educational Department in our Auxiliary.

As Educational Secretary, I have conducted one normal class on Missions according to the Bible, with four parishes represented, led a class in Missions at the Church School at Howe, attended the Provincial meeting at Oshkosh, conducted two questionnaires at district meetings at Rochester and Plymouth, with the Diocesan President

of the Woman's Auxiliary have co-operated with the Diocesan Board of Religious Education in promoting the Summer School, have written since January thirty-two letters and talked before the auxiliaries at Kokomo and Peru.

Names of parish Educational secretaries:

Delphi—Mrs. William Brackenridge.

Elkhart—Mrs. Cosmo Ellwood.

Goshen—Miss Ella Burns.

Goshen

Meetings every two weeks, one for study and one for work. Did not send in the Diocesan box, but sent theirs to the Valle Crucis Industrial School, Valle Crucis, N. C.

This report shows that 175 children received gifts through our Juniors at Christmas, 1917, and that \$135.29 was spent in the work. Outside this \$65.35 was spent in special work. At Hammond and Elkhart there have been changes in leaders, which accounts for the incomplete reports. South Bend and Huntington, from which branches we have had good reports the preceding years, have not been able to do anything the past year. There has been very little mission study outside of Sunday School since last May, as that work usually comes during Lent. I am hoping that before our next report all the branches will be using the New Junior Plan, which gives every child in the Sunday School a chance to help and greatly increases the amount of work accomplished.

I wish to add a few words in behalf of the New Junior Plan. It has been used with success in other Dioceses; why can we not try it out in our own? Two of our branches are using it and find it very helpful. In the other branches the Junior Auxiliary work is being done by a few girls, and it is quite surprising what lovely boxes are sent. But by letting every member in the Sunday School help, how much more we could do! A good way to divide the school is into three grades. The first grade includes the primary department; the second grade takes in the children from ten up to sixteen, but I should advise separating the boys from the girls in this department. The third grade is made up of the young people. Each grade has its own leader, time and place of meeting, and work best fitted for its years. It is very difficult for one leader to prepare work for such a difference in ages as you find in the regular Junior Auxiliary. And it is not quite fair to have the girls be the only ones with a share in the Christmas box. Of course, Junior work does not mean the sending of boxes alone, but study and prayer also. The New Junior Plan provides that the first Sunday in the month should be a missionary lesson in the Sunday School, but the meetings are for actual work.

This outline is my own idea, and as you see, can be improved upon. Each Rector knows his own school best. Let me urge you to try to use this plan in some form in your Sunday School.

MRS. WALTER CRANDELL,
Secretary of Juniors.

Little Helper Annual Report

MAY, 1917, to JANUARY, 1918

The Little Helpers of our Diocese have been faithful during the past seven months, and whereas our reports seem short in figures, I do not think the work has decreased. Owing to the change from May to January, some reports failed entirely, while others were incomplete. We have many good and faithful women serving as Little Helper leaders in our Diocese, and as the work among little children grows, we must express to these leaders our gratitude. The training of our little children in the threefold missionary aim—prayer, study, and giving—is vital to the children and vital to the Church. May we give them our sincere co-operation, remembering ever that a little child may lead us.

I have during the past seven months sent:

25 Letters	\$0.50
75 Birthday cards to Little Helpers.....	2.20
20 Prayer cards
22 Leaflets04
1 Copy of "How the Cross Goes Round the World"

District Reports

REPORT OF THE FORT WAYNE DISTRICT

Two meetings were held in the Fort Wayne District during the past year. The first at Marion, November 15, 1917. Thirty-four delegates were present, representing four parishes and three missions. The program of the day was taken care of, with the exception of the Diocesan President's talk, by people of our own district. Mrs. Boedefeld gave a most interesting report of the meeting of the Midwest Province. Mrs. C. J. Grant, Diocesan Secretary of Box Work, gave a very instructive talk on missionary boxes, and in the end turned it into a round table discussion, and much valuable information was gathered from the talk.

The report of the Summer School was given by two young school girls of Marion, one on the educational and the other the recreational side of the school. The Treasurer of the United Offering, Miss Johnson of Marion, told us of the progress of the united offering and urged us all to keep up the good work. Dr. Richardson of Peru told us of his experience as Chaplain in the English army. Father Plummer of Kokomo talked on the Junior Plan and Christmas box. Archdeacon Long gave a report of the Synod at Fond du Lac. The offering was \$10.05. A bill of \$1.50 was allowed for programs, and the balance sent to Miss Haberly for Diocesan Missions.

The second meeting was held in Rochester, April 2, 1918, and it was felt by every one to be the banner meeting, not in numbers, but in the spirit of good will, fellowship, spirituality, and hospitality of the Rochester Mission, and their apparent joy in having the meeting, and our thankfulness to be able to give them a word of encouragement. Five parishes and two missions were represented. The program was taken care of by our own district and was enjoyed by every one. The offering was \$9.50. A bill of \$1.50 for programs was allowed and the balance sent to Miss Haberly for Diocesan Missions.

The Nominating Committee submitted the following names for

election: Mrs. William Brackenridge of Delphi, Chairman; Mrs. E. W. Averill, Fort Wayne, Vice Chairman; Mrs. W. C. Bickel, Peru, Secretary.

Respectfully submitted,
MRS. WILLIAM BRACKENRIDGE.

REPORT OF THE SOUTH BEND DISTRICT

The South Bend District held two very interesting meetings this year, one in October and one in April.

The October meeting was held at St. James' Church, Goshen, with fifty present. It was decided to send missionary boxes to the Indian Mission in Minnesota. In the absence of Miss Johnson, a communication was read from her on the United Offering. Copies of this letter were to be sent to each branch. Mrs. Shepard spoke of the Church Periodical Club, its aims, activities, good work, and needs.

In the afternoon Mrs. Stevens, of Detroit, Diocesan President of Michigan Auxiliary, gave a missionary talk. Report of the Provincial meeting at Oshkosh was made by Mrs. F. J. Boedefeld and a report of the business of the Synod was given by Archdeacon Long.

The second meeting was held April 3d, in S. Thomas' Church, Plymouth.

Reports of the different branches were given. All reported great difficulty in holding the interest of members, making all understand what the Auxiliary stands for, and getting the assigned work done. These difficulties may be overcome by education.

Mrs. Boedefeld, Diocesan President, addressed the meeting in reference to a spiritual drive to be undertaken by the Woman's Auxiliary, reading a letter from Miss Lindley outlining the plan. A motion was made for the meeting to go on record as favoring the spiritual drive, going only among our own people and the unchurched.

A questionnaire was conducted by Miss Goldthwaite, Educational Secretary of the Diocese.

Archdeacon Long spoke on the general mission work in the district during the past year.

The interest at both meetings has been very gratifying and encouraging.

MRS. WALTER MUESSEL, Chairman.
